NOTE: The Faculty of Science policy on pre- and co-requisite checking is outlined on page 210 of the 20022003 Calendar. It is the students' responsibility to ensure that they have the pre- and co-requisites for the course, and if they do not they will be withdrawn from the course without notice.
3. Fee policy: After the last day to drop/add courses, there will be no refund of tuition fees if a student withdraws from a course, courses or the session.
4. The University policy on grading and related matters is described on pages 44-53 of the 2002-2003 Calendar. In determining the overall grade in the course, the following weights will be used:

| Mid-term Test | $[2]$ | $\mathbf{3 0 \%}$ |
| :--- | :--- | :--- |
| Quizzes | $[6]$ | $\mathbf{2 0 \%}$ [best 5 of 6] |
| Assignments | $[3]$ | $\mathbf{1 0 \%}$ |
| Final Exam |  | $\mathbf{4 0 \%}$ |

There is no pre-set correspondence between percentages and letter grade. Students will be advised of the approximate correspondence between numerical marks and letter grades after the second midterm.
5. Missed Components of Term Work. The regulations of the Faculty of Science pertaining to this matter are outlined on page 211, of the 2002-2003 Calendar. It is the student's responsibility to familiarize herself/himself with these regulations.
6. Academic misconduct (cheating, plagiarism, or any other form) is a very serious offence that will be dealt with rigorously in all cases. A single offence may lead to disciplinary probation or suspension or expulsion. The Faculty of Science follows a zero tolerance policy regarding dishonesty. Please read the sections of the 2002-2003 University Calendar under the heading "Student Misconduct", pages 53-56.
7. Dates and times of class exercises held outside of class hours (evening tests, Saturday laboratory examinations, weekend field trips, etc.): There will be no out-of-class-time activities.
