Note: Students must use their U of C account for all course correspondence.

2. **Requisites:**

See section [3.5.C](#) in the Faculty of Science section of the online Calendar.

Prerequisite(s):

54 units (9.0 full-course equivalents) and admission to the Natural Sciences program.

3. **Grading:**

The University policy on grading and related matters is described in [F.1](#) and [F.2](#) of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Component(s)	Weighting %	Date
Midterm exam / Final exam	25 / 40	Oct. 10 / TBA
Group presentation	10	Sept. 10 - Nov. 7
Reflection essay	15	Nov. 5
Participation	10	Throughout

Each piece of work (reports, assignments, quizzes, midterm exam(s) or final examination) submitted by the student will be assigned a grade. The student's grade for each component listed above will be combined with the indicated weights to produce an overall percentage for the course, which will be used to determine the course letter grade.

The conversion between a percentage grade and letter grade is as follows.

	A+	A	A-	B+	B	B-	C+	C	C-	D+	D
Minimum % Required	95 %	90 %	85 %	80%	75%	70 %	65 %	60%	55%	50 %	45 %

This course has a registrar scheduled final exam.

4. **Missed Components Of Term Work:**

In the event that a student misses the midterm or any course work due to illness, supporting documentation, such as a medical note or a statutory declaration will be required (see [Section M.1](#); for more information regarding the use of statutory declaration/medical notes, see [FAQ](#)). Absences must be reported within 48 hrs.

The regulations of the Faculty of Science pertaining to this matter are found in the Faculty of Science area of the Calendar in [Section 3.6](#). It is the student's responsibility to familiarize themselves with these regulations. See also [Section E.3](#) of the University Calendar.

Examinations and assignments must be completed on the scheduled day. Exceptions to this policy must be discussed and confirmed with the lead instructor in advance of the due date. Failure to write examination or give presentation on assigned day will result in a grade of zero (0), unless prior arrangements have been made. Legitimate reasons (for example: illness or domestic affliction) for missing assignments or exams will be

accommodated with alternative course of action. These must be discussed with and confirmed by lead instructor or TA in a timely and reasonable fashion.

The department will arrange for a re-assessment of the work if, and only if, the student has sufficient academic grounds. See sections [I.1](#) and [I.2](#) of the University Calendar
