<b>Course Schedule:</b>	<i>Please refer to Course Schedule (attached) or D2L</i>
<b>Course Description</b>	MUSI 402 01 is a multimedia survey course exploring the genre of popular music known as Heavy Metal. The course will include an examination of the music and its artists from its earliest precursors through to the present. Discussions will center on a survey of some of Heavy Metal's most well known icons and will include detailed analyses and in-depth discussions of their works.
<b>Course Objectives</b>	In addition to providing students with an in-depth look at one of rock's most fascinating genres, this course will assist students in developing a greater appreciation and understanding of Heavy Metal and popular music in general. Structural analyses of major works will offer students a clear means of tracing and evaluating the development of the genre. Lectures, class discussions, readings, and assignments will encourage the development of an appropriate musical vocabulary and provide a forum for intelligent discussion. By focusing on key issues surrounding the music – metal's dark imagery, its integration of classical elements, its fascination with virtuosity, its lyrical content and album artwork - students will be encouraged to approach popular music from a critical perspective.

<b>ACADEMIC INTEGRITY, PLAGIARISM</b>	The University of Calgary is committed to the highest standards of academic integrity and honesty. Students are expected to be familiar with these standards regarding academic honesty and to uphold the policies of the University in this respect. Students are referred to the section on plagiarism in the University Calendar ( <a href="http://ucalgary.ca/pubs/calendar/current/k-2.html">ucalgary.ca/pubs/calendar/current/k-2.html</a> ) and are reminded that plagiarism-- Using any source whatsoever without clearly documenting it—is an extremely serious academic offence. Consequences include failure on the assignment, failure in the course and possibly suspension or expulsion from the university. You must document not only direct quotations but also paraphrases and ideas where they appear in your text. A reference list at the end is insufficient by itself. Readers must be able to tell exactly where your words and ideas end and other people’s words and ideas begin. This includes assignments submitted in non-traditional formats such as Web pages or visual media, and material taken from such sources. Please consult your instructor or the Student Success Centre (TFDL 3rd Floor) if you have any questions regarding how to document sources.
