## ■ Teaching, Supervision + Mentoring

My teaching has included studio and theory courses, at undergraduate and graduate levels, as well as directed studies and preceptorships. The focus has been urban design & landscape architecture; many studios have been interdisciplinary.

I have managed international and travel courses:

- Norway Field Studies (2018) 3rd year Master of Landscape Architecture
- EVDS Barcelona Study Term Abroad (program manager - 2002 - 2005)
- Rapid Urbanization Block Course in Mexico City, and exchange program with Iberoamericana (2003 - 2005)
- Field Studies Course: New York City (2006)
- Field Studies Course: Alberta cultural landscapes (2005 and 2006)
- Field Studies Course: Berlin (2002 and 2003),

Regular courses have included:

- Site Planning Studio
- Physical Planning Studio
- Urban Design Studio
- Landscape Architecture Studio
- Drawing Studio
- Urban Design Theory
- Cultural Landscapes
- Research Design

Other courses I have taught include:

- History and Theory of Landscape Architecture
- Built Landscape Analysis
- Physical Landscape Processes
- Introductory Design Studio
- Senior Undergraduate Group Environmental Planning Studio
- Senior Graduate Environmental Design Interdisciplinary Studio
- Joint Studio (Urban Design and Planning)
- Urban Design Preceptorships (through The Urban Lab)
- Plant Identification and Plant Taxonomy
- Plant Propagation
- Landscape Construction and Management
- Technical Drawing and Drafting
- Directed Studies (including courses on diagramming, urban analysis, qualities of urban form)
- Planning and Public Engagement

I have developed several innovative educational offerings:

- The EVDS *Urban Lab* - since 2000, I have employed more than 50 graduate student research assistants in the Urban Lab, an ongoing experiment in education, research and outreach, and contributed numerous research reports and publications deriving from this work. The Urban Lab has been nominated for UCalgary teaching award *makeCalgary:Talk* - experimental course. I initiated this in 2013, and it continued until 2015 (is currently on pause), multiple media platforms to encourage dialogue on city issues, covered on UToday, participants interviewed on CJSW radio [www.makecalgarytalk.com](http://www.makecalgarytalk.com), Twitter @makecalgarytalk
- Citywalks* - a long-standing informal walking seminar in Calgary, several Saturdays during the semester, non credit

I have supervised and examined thesis students at the undergraduate, graduate and PhD levels at my home universities in the fields of:

architecture	fine art
industrial design	graphic design
landscape architecture	urban planning, environmental planning
urban design	urban sociology

I have examined thesis and senior studio students in several other universities as a visiting critic in the fields of:  
architecture, landscape architecture, and planning
