## I. BIOGRAPHICAL DATA

Name: Allison Brown  
Address: Foothills Medical Centre  
North Tower, 9<sup>th</sup> Floor  
1403-29<sup>th</sup> Street NW  
Calgary, Alberta T2N 2T9  
E-Mail: [allison.brown@ucalgary.ca](mailto:allison.brown@ucalgary.ca)  
Telephone: 403-944-3773  
Fax: 403-944-1095

Rank: Assistant Professor  
Department: Department of Medicine (primary appointment)  
Department of Community Health Sciences (cross-appointment)  
Faculty: Cumming School of Medicine  
Institution: University of Calgary

Pronouns: She/her/hers

Administration: Sajjad Surani  
[sajjad.surani@ucalgary.ca](mailto:sajjad.surani@ucalgary.ca)

## II. ACADEMIC RECORD

Final Degree: Doctor of Philosophy (PhD)  
Completed: 2020  
Specialty: Community Health Sciences  
Institution: University of Calgary, Cumming School of Medicine

### i. Undergraduate

2007-2011 Bachelor of Science (BSc), Life Sciences  
McMaster University; Hamilton, Canada

### ii. Special professional

2021 Fellowship, Centre for Quality Improvement and Patient Safety  
University of Toronto, Faculty of Medicine

### iii. Graduate and post-doctoral

2015-2017 Master of Science (MSc), Health Research Methodology  
McMaster University; Hamilton, Canada

### iv. Licensure, certification, and boards

None.

## III. AWARDS AND DISTINCTIONS

### i. Awards and Distinctions

2019	Best Oral Presentation, Canadian Conference for the Advancement of Surgical Education
2019	Best Oral Presentation, John Jarrell Research Day
2017	Outstanding Presentation Award, Faculty of Health Sciences Research Plenary
2016	Sharon Thiessen Student Support Award, McMaster University
2015	Best International Research Poster, American Society for Clinical Pathology
2015	Best Research Poster, Health Quality Symposium

### ii. Academic Scholarships

2019	Community Health Sciences Travel Award (\$1000 CAD)
2019	Community Health Sciences Achievement Award (\$1340 CAD)
2019	Alberta Innovates Training and Early Career Development Award (\$96,000 CAD)
2018	Community Health Sciences Achievement Award (\$800 CAD)
2018	Queen Elizabeth II Graduate Award (\$15,000 CAD)
2018	Dean's Doctoral Scholarship (\$15,000 CAD)
2017	Queen Elizabeth II Graduate Award (\$10,000 CAD)

## IV. ACADEMIC APPOINTMENTS

2020-Present	Assistant Professor, Department of Medicine, Cumming School of Medicine, University of Calgary
2020-Present	Assistant Professor, Department of Community Health Sciences, Cumming School of Medicine, University of Calgary

## V. EDUCATIONAL ACTIVITIES

### i. Undergraduate

2018-Present	Re-Imagining Medical Education (RIME). Ongoing initiative to re-structure and reform the pre-clerkship curriculum.
2020-Present	Small Group Preceptor for Structural Violence and Mental Health for second year medical students Course 7: Psychiatry (MDCN 470).
2020-Present	Curriculum development for the Structural Violence and Mental Health teaching session for second year medical students in Course 7 - Psychiatry (MDCN 470).
2019-Present	Small Group Instructor in Population Health (MDCN 340) for medical students at the University of Calgary for: Clinical Epidemiology and Biostatistics; Sex, Gender, and Identity.
2018-2019	Lecturer in the Internal Medicine Clerkship rotation (MDCN 504) on the topics of Quality Improvement and Patient Safety for medical students at the University of Calgary.
2017-2019	Lecturer in Applied Evidence Based Medicine (MDCN 440) in the Quality Improvement elective stream at the University of Calgary, which involved between 7-10 second year medical students per year.

# Allison Brown, PhD

*University of Calgary Standardized Curriculum Vitae*

**UNIVERSITY OF CALGARY**  
CUMMING SCHOOL OF MEDICINE

- 2016-Present    Lecturer in the “Evidence-Based Health/Public Health and Epidemiology” module for first year medical students at the Royal College of Surgeons in Ireland.
- 2013-2017      Created the Program for Improvement in Medical Education (PRIME), an extracurricular course for first year medical students in the Michael G. DeGroot School of Medicine at McMaster University.
- 2013-2017      Lecturer and coordinator for the Program for Improvement in Medical Education (PRIME) for first year medical students in the Michael G. DeGroot School of Medicine at McMaster University.
- 2014-2016      Lecturer for the Interprofessional Education for Quality Improvement Program (I-EQUIP) for first year medical students in the Michael G. DeGroot School of Medicine at McMaster University, fourth year health and medical science students at Brock University, and health professionals from the Niagara Health System.

## **ii. Graduate science education**

- 2019            Co-Instructor for HSED 710 (Program Evaluation in Health Professions Education) as part of the Master of Science in Health Sciences Education graduate program at McMaster University. This was a brand new 12-week course that was offered for the first-time during Winter 2019 with 12 graduate students.
- 2015-2017      Guest lecturer for HSED 702 (Research Methods in Health Professions Education) as part of the Master of Science in Health Sciences Education at McMaster University. I taught a module for students on quality improvement and program evaluation in health professions education.

## **iii. Postgraduate medical education**

- 2020-Present    Royal College of Physicians and Surgeons of Canada, CanMEDS Leader Resource Working Group
- 2018-Present    Lecturer, Quality Improvement and Patient Safety for various postgraduate residency programs at the University of Calgary, including: General Internal Medicine, Endocrinology, Critical Care, Obstetrics and Gynecology, Vascular Surgery
- 2016-2018      Curriculum development for the Integrated Quality Improvement for Residency Education (INQUIRE) curriculum in the Family Medicine residency program at McMaster University.

## **iv. Continuing medical education**

- 2021            Lecturer – Common Methods for Education Research for the Health Professions Education Research (HPER) asynchronous course, McMaster University, Faculty of Health Sciences, Program for Faculty Development, McMaster Education Research, Innovation, and Theory

## **v. Supervision**

### Undergraduate Education (Baccalaureate)

- 2021-2022      Adibba Adel, Bachelor of Health Sciences program, MDSC 508 – Honours Thesis and Research Communication
- 2021-2022      Zoe Hahn, Bachelor of Health Sciences program, MDSC 508 – Honours Thesis and Research Communication

# Allison Brown, PhD

University of Calgary Standardized Curriculum Vitae

UNIVERSITY OF CALGARY  
CUMMING SCHOOL OF MEDICINE

- 2020-2021 Adibba Adel, Bachelor of Health Sciences program, HSOC 408 – Health Research Methods and Research Practicum
- 2020-2021 Zoe Hahn, Bachelor of Health Sciences program, HSOC 408 – Health Research Methods and Research Practicum

## *Supervision of Extracurricular Activities*

- 2020-2021 Favour Omobhude – University of British Columbia, Faculty of Science
- 2020-2021 Naomie Bakana – University of Calgary, Faculty of Arts
- 2020-2021 Doyin Abatan – University of Calgary, Faculty of Science
- 2020-2021 Ariet Okuori – University of Calgary, Faculty of Science
- 2020-2021 Orphelia Kamdem – University of Calgary, Faculty of Nursing
- 2020-2021 Sammah Yahya – McMaster University, Faculty of Health Sciences

## Graduate Education

- 2021-Present Jessica Young, Master of Science, Community Health Sciences, Medical Education; Leaders in Medicine Combined MD-MSc Degree Program (Supervisor)
- 2020-Present Adelina Nielsen, Master of Science, Community Health Sciences, Community Rehabilitation and Disability Studies (Co-Supervisor)
- 2020-Present Saryn Modderman, Master of Science, Community Health Sciences, Community Rehabilitation and Disability Studies (Committee Member)
- 2020-2021 Adriena Marijan, Master of Sciences, Medical Sciences (Committee Member)

## Undergraduate Medical Education

- 2021-Present McNeil-Inyani Keri, MDCN 445: Applied Evidence-Based Medicine II - Directed Study
- 2021-Present Elizabeth Dayo, MDCN 445: Applied Evidence-Based Medicine II - Directed Study
- 2021-Present Julia Chai, Extracurricular Curriculum Development
- 2021-Present Tharsini Sivananthajothy, Shima Afhami, Nina Castrogiovanni, Extracurricular Research
- 2021-Present Claire Connors, Elizabeth Dayo, Talia Kruger, Maya Liepert, Extracurricular Advocacy Project
- 2020-2021 Amira Kalifa – Extracurricular Research
- 2020-2021 Kavya Anchuri, Taelina Andreychuk, Natalie Jacox, Extracurricular Curriculum Development
- 2020-2021 Chad Kimmitt, Extracurricular Curriculum Development and Evaluation

## Postgraduate Medical Education

- 2020-2021 Angela Schneider – Internal Medicine Residency Program Scholarly Project

## **VI. ADMINISTRATIVE RESPONSIBILITIES**

### **i. Departmental**

- 2020-Present Medical Staff Executive Committee, Department of Medicine
- 2020-Present Department of Medicine Medical Education Executive Committee
- 2020-Present Department of Medicine, Medical Grand Rounds Planning Committee
- 2019-Present Quality Improvement & Patient Safety Committee, Internal Medicine Residency Program
- 2017-2019 Community Health Sciences Stream Coordinator, Medical Education Specialization
- 2017-2019 Medical Education Specialization Committee, Community Health Sciences

### **ii. Faculty**

- 2021-Present Office of Health and Medical Education Scholarship Advisory Committee
- 2020-Present Undergraduate Medical Education Committee, Cumming School of Medicine
- 2020-Present Faculty Ally, Black Medical Students Association at the University of Calgary

# Allison Brown, PhD

*University of Calgary Standardized Curriculum Vitae*

**UNIVERSITY OF CALGARY**  
CUMMING SCHOOL OF MEDICINE

- 2019-Present Quality Improvement and Patient Safety Working Group, Department of Postgraduate Medical Education, Cumming School of Medicine
- 2019-Present Office of Professionalism, Equity, and Diversity Advisory Committee, Cumming School of Medicine
- 2019-Present Wellness Innovation Scholarship for Health Professions Education and Sciences (WISHES) Advisory Committee, Cumming School of Medicine
- 2018-2019 Canadian Association for Medical Education (CAME) Certificate of Merit Selection Committee for the Cumming School of Medicine
- 2018-Present Office of Health and Medical Education Scholarship - Health & Medical Education Scholarship Symposium Planning Committee
- 2015-2017 Faculty of Health Sciences Graduate Student Ambassador, McMaster University

### iii. University

None.

### iv. External

- 2020-Present Royal College of Physicians and Surgeons of Canada, Leader Resource Working Group

## VII. PROFESSIONAL ACTIVITIES

### i. Membership in professional and learned societies

- 2018-Present Association for Medical Education in Europe (AMEE)
- 2017-Present O'Brien Institute for Public Health (OIPH)
- 2017-Present Canadian Association for Medical Education (CAME)
- 2017-Present Office of Health & Medical Education Scholarship (OHMES)

### ii. Professional service

#### Peer-Review of Journal Articles

- 2021-Present Clinical Teacher
- 2019-Present Advances in Health Sciences Education
- 2019-Present Perspectives on Medical Education
- 2019-2020 Canadian Family Physician
- 2017-Present Canadian Medical Education Journal
- 2016-Present BMJ Quality

#### Peer-Review of Conference Abstracts

- 2018-Present Health and Medical Education Scholarship Symposium
- 2017-Present Canadian Conference on Medical Education
- 2017-2018 Campus Alberta Student Conference on Health

#### Assessment

- 2017-2018 Examiner, Objective Structured Performance-Related Examination, University of Calgary Surgical Foundations

2014-2017 Rater, Computer-Based Assessment for Sampling Personal Characteristics

## VIII. RESEARCH SUPPORT

- 2021 A radical reform of medical education: positioning structural competency, health equity, and critical pedagogy at the heart of the pre-clerkship curriculum. Applied for \$15,000 from the VPR Catalyst Grant Competition. Principal Applicant.
- 2021 Canadian Collaboration for Complex Care (C4): Innovations for optimal and appropriate care for all. Awarded for \$464,886 CAD from the CIHR Team Grant: Personalized Health. Co-Applicant (PI: D. Rabi).
- 2021 Queer Eye on Medicine: Assessing the Lived Experiences of Queer Canadian Physicians and Physician Trainees in the Healthcare Environment. Awarded \$30,000 from the Royal College of Physicians and Surgeons of Canada Strategic Initiatives Grant. Collaborator (PI: C. Shukalek).
- 2021 Exploring the translation of quality improvement and patient safety from CanMEDS 2015 to the entrustable professional activities for postgraduate specialty training in Canada. Awarded \$10,000 from the OHMES Health Science and Medical Education Research and Innovation Funding Competition. Principal Applicant.
- 2020 Exploring the impact of the COVID-19 pandemic on medical learners. Awarded \$15,000 CAD from the O'Brien Institute for Public Health Catalyst Grant. Principal Investigator, Co-Applicant.
- 2020 Shedding light on the potential for phototherapy in the clinical environment to promote wellness. Awarded \$4,000 CAD from the Department of Obstetrics and Gynecology DEAR Funding Competition. Principal Investigator, Co-Applicant.
- 2020-Present Indigenous service-learning in Veterinary Education: Systematic program evaluation of an equine veterinary service-learning initiative. Awarded \$10,000 from the Veterinary Education Research Fund. Collaborator. (PI: J-Y Tan).
- 2020-2021 The Assessment of Internal Medicine Evaluations in Residency Study (AIMERS). Awarded \$10,000 CAD from the OHMES Health and Medical Education Research Funding Competition.
- 2019-Present Aging Successfully with HIV: A Structured Approach to Identifying Frailty and Providing Person-Centred Care that Maximizes Personal Attributes. Awarded \$70,000 CAD from the Canadian Foundation for Healthcare Improvement. Co-Investigator. (PI: J. MacMillan).
- 2019-2020 Failure to fail: the patient's perspective. Awarded \$8,500 CAD from the OHMES Health and Medical Education Research Funding Competition. Co-investigator. (PI: R. Kachra, I. Ma)
- 2018-2019 A sequential explanatory mixed-methods study of gender-based discrimination in surgical residents. Awarded \$5,500 from the DEAR Leadership Fund in the University of Calgary Department of Obstetrics and Gynecology.
- 2018-2019 Safer health systems through the training of resident physicians in quality improvement and patient safety. Awarded \$8,500 CAD from the OHMES Health and Medical Education Research Funding Competition.

## IX. INVITED ADDRESSES

1. **Brown A.** Quality improvement and patient safety: implications for physician training, equity, and social accountability. Department of Medicine Grand Rounds. University of Calgary and Alberta Health Services Calgary Zone. May 2021 in Calgary, Canada.
2. **Brown A, Kachra R.** A global perspective on the impact of COVID-19 pandemic on medical education. O'Brien Institute and Department of Community Health Sciences Seminar Series.
1. **Brown A.** At the Interface of Research and Quality: From Bench to Bedside to Systems. Presentation at the Health Research Methodology Rounds in October 2016 in Hamilton, Canada.
2. **Brown A, Greenway M.** Creating a culture of quality through student-centered program design. Keynote presentation at the Royal College of Surgeons in Ireland International Education Forum in June 2016 in Dublin, Ireland.
3. **Brown A, Greenway M** Inspiring students to think about Quality Improvement in teaching and clinical practice. Keynote presentation at the Royal College of Surgeons in Ireland International Education Forum in June 2016 in Dublin, Ireland.

CUMMING SCHOOL OF MEDICINE

2. **Brown A**, Ruzycki S. How can we promote equity and inclusion within medical education at the University of Calgary? Personally Arranged Learning Objectives (PeArLs) session at the University of Calgary Health and Medical Education Scholarship Symposium in February 2019 in Calgary, Canada.
3. **Brown A**. QI Power Hour: Integrating Quality Improvement and Patient Safety into Rural Practice. Workshop at the Society of Rural Physicians of Canada (SRPC) Rural and Remote Medicine Conference in April 2017 in Calgary, Canada.
4. **Brown A**, El-Houssein N. Becoming the Tallest Smurf: Hallmarks of Quality Improvement and Patient Safety in Rural Family Medicine. Interactive Workshop delivered at the Society of Rural Physicians of Canada (SRPC) Rural and Remote Medicine Conference in May 2016 in Charlevoix, Canada.
5. **Brown A**, Greenway M. Two birds one stone: Using Quality Improvement principles to engage medical students and enhance medical curricula. Workshop at the Canadian Conference on Medical Education (CCME) in April 2016 in Montreal, Canada.
6. **Brown A**, Greenway M. Beginners Guide to Quality Improvement. Interactive workshop presentation at the Health Quality Symposium in April 2016 in Niagara Falls, Canada.

## vii. Conference Presentations

### Oral Presentations

1. **Brown A**, Omobhude F, Auguste E, Bakana N, Sukhera S. Actions speak louder than words: A critical discourse analysis of anti-racism statements released by medical schools and organizations. Oral presentation at the Canadian Conference on Medical Education in April 2021 in St. John's, Newfoundland, Canada [Virtual].
2. Anchuri K, Andreychuk T, Jacox N, **Brown A**. Integrating structural violence education into pre-clerkship psychiatry curricula. Oral presentation at the Canadian Conference on Medical Education in April 2021 in St. John's, Newfoundland, Canada [Virtual].
3. **Brown A**, Kassam A, Paget M, Blades K, Mercia M, Kachra R. "I am just waiting to step into the fire and there is nothing I can do about it:" An international study of learner perceptions regarding the impact of COVID-19 on their medical training and wellbeing. Oral presentation at the Canadian Conference on Medical Education in April 2021 in St. John's, Newfoundland, Canada [Virtual].
4. Kimmitt C, **Brown A**, Kachra R. Implementation of case-based learning strategies in the development of an online clerkship curriculum during the COVID-19 pandemic. Oral presentation at the Canadian Conference on Medical Education in April 2021 in St. John's, Newfoundland, Canada [Virtual].
5. **Brown A**, Kachra R, Kassam A, Paget M, Blades K, Mercia M. Learners on the sidelines, learners on the front lines: how medical learners around the world were impacted during initial spread of the COVID-19 pandemic in Spring 2020. Oral presentation at the 7<sup>th</sup> Annual Health and Medical Education Scholarship Symposium in February 2021 in Calgary, Canada [Virtual].
6. Auguste E, Omobhude F, Bakana N, Sukhera J, **Brown A**. "We're listening and learning": A critical discourse analysis of anti-racism statements released by medical schools and organizations. Oral presentation at the 7<sup>th</sup> Annual Health and Medical Education Scholarship Symposium in February 2021 in Calgary, Canada [Virtual].
7. **Brown A**, Atchison K, Lafreniere K, Freedman D, Nidumolu A, Mancuso M, Ellaway R, Bok H, Hecker K, Kassam A. Twenty years after To Err Is Human: How are medical schools training future physicians about quality improvement? Accepted for oral presentation to the Doctoral Reports category at the Association for Medical Education in Europe (AMEE) Conference in September 2020 in Glasgow, Scotland. Cancelled due to COVID-19.
8. **Brown A**, Hecker K, Ellaway R. A critical realist, a quality improver, and a path analyst walk into a bar... Oral presentation at the Bayfield Meeting in June 2020 in Bayfield, Canada. Cancelled due to COVID-19.
9. **Brown A**, Atchison K, Hecker K, Kassam A. Moving away from the "check box" metaphor: how residents are learning about quality improvement during residency training. Accepted for oral presentation at the Canadian Conference on Medical Education in April 2020 in Vancouver, Canada. Cancelled due to COVID-19.

## Allison Brown, PhD

University of Calgary Standardized Curriculum Vitae

UNIVERSITY OF CALGARY  
CUMMING SCHOOL OF MEDICINE

10. **Brown A**, Lafreniere K, Freedman D, Nidumolu A, Mancuso M, Hecker K, Kassam A. Exploring how best to teach quality improvement throughout the continuum of medical training: a realist review of peer-reviewed and grey literature. Accepted for oral presentation at the Canadian Conference on Medical Education in April 2020 in Vancouver, Canada. Cancelled due to COVID-19.
11. Kachra R, **Brown A**, Paget M, Sharma N, Brockman K, Low J, Urquhart Z. Using design thinking to re-invent the delivery of undergraduate medical education. Accepted for oral presentation at the Canadian Conference on Medical Education in April 2020 in Vancouver, Canada. Cancelled due to COVID-19.
12. Mercia M, Kachra R, Ma I, **Brown A**. Exploring patient perceptions of learner competence on a medical teaching unit. Submitted for oral presentation at the Canadian Conference on Medical Education in April 2020 in Vancouver, Canada. *Cancelled due to COVID-19*.
13. Ruzycski S, Freeman G, Bharwani A, **Brown A**. Perceptions and experiences of gender equity in an academic internal medicine department. Accepted for oral presentation at the Canadian Conference on Medical Education in April 2020 in Vancouver, Canada. Cancelled due to COVID-19.
14. **Brown A**, Lafreniere K, Freedman D, Nidumolu A, Mancuso M, Hecker K, Kassam A. Exploring contexts and mechanism that can optimize curricula for teaching Quality Improvement across the continuum of medical training: a realist review. Oral presentation at the OHMES Health and Medical Education Scholarship Symposium in March 2020 in Calgary, Canada.
15. **Brown A**, Atchison, K, Hecker K, Kassam A. How are residents at the University of Calgary learning about Quality Improvement during their postgraduate training? Oral presentation at the OHMES Health and Medical Education Scholarship Symposium in March 2020 in Calgary, Canada.
16. Mercia M, Kachra R, Ma I, **Brown A**. How do patients perceive learner competence? A convergent parallel mixed methods study of inpatients on a medical teaching unit. Oral presentation at the OHMES Health and Medical Education Scholarship Symposium in March 2020 in Calgary, Canada.
17. Smith S, Griggs L, Rizutti F, Horton J, **Brown A**. STRIVE: Shifting from 'Surviving to Thriving' through mindfulness-based simulations. Presentation at the Family Medicine Forum in October 2019 in Vancouver, Canada.
18. **Brown A**, Bonneville G, Glaze S. Having to work twice as hard for half the respect: How female surgical residents at the University of Calgary experience gender-based discrimination during postgraduate training. Oral presentation at the International Conference on Residency Education in September 2019 in Ottawa, Canada.
19. **Brown A**, Bonneville G, Glaze S. 'You cut like a girl.' How female surgical residents at the University of Calgary experience gender-based discrimination during postgraduate training. Oral presentation at the Canadian Conference for the Advancement of Surgical Education in September 2019 in Ottawa, Canada.
20. Kachra R, **Brown A**, Sharma N, Paget M. Using design thinking to re-invent the delivery of undergraduate medical education. Presentation at the Association for Medical Education in Europe (AMEE) Conference in August 2019 in Vienna, Austria.
21. Grierson L, Nidumolu A, **Brown A**. QI education outside of the clinical setting: A sequential explanatory mixed-methods study of a QI training that uses the medical school as the context for improvement. Presentation at the Association for Medical Education in Europe (AMEE) Conference in August 2019 in Vienna, Austria.
22. **Brown A**, Bonneville G, Glaze S. How surgical residents at the University of Calgary experience gender-based discrimination. Oral presentation at Surgeon's Day (Department of Surgery) in June 2019 in Calgary, Canada.
23. Bonneville G, **Brown A**, Glaze S. Working twice as hard for half the respect: How female surgical residents at the University of Calgary experience gender-based discrimination. Oral presentation at the Department of Obstetrics and Gynecology Research Day in May 2019 in Calgary, Canada.
24. Bonneville G, Glaze S, **Brown A**. "You cut like a girl" - A sequential explanatory mixed methods study of gender-based discrimination among surgical residents. Oral presentation at the Canadian Conference on Medical Education in April 2019 in Niagara Falls, Canada.

## Allison Brown, PhD

UNIVERSITY OF CALGARY  
CUMMING SCHOOL OF MEDICINE

25. Brown A, Bonneville G, Glaze S. How do female surgical residents at the University of Calgary experience gender-based discrimination? Oral presentation at the University of Calgary Health and Medical Education Scholarship Symposium in February 2019 in Calgary, Canada.
26. Rizzuti F, Smith S, Griggs L, **Brown A**, Horton J. Teaching mindfulness-based stress management techniques to medical students: pilot results from the Simulated Training for Resilience in Various Environments (STRIVE) program. Oral presentation at the University of Calgary Health and Medical Education Scholarship Symposium in February 2019 in Calgary, Canada.
27. Griggs L, Smith S, Horton J, **Brown A**. Simulated Training for Resilience in Various Environments (STRIVE): Preparing Clinicians for the Unexpected. Roundtable presentation at the Canadian Health Workforce Conference in October 2018 in Gatineau, Canada.
28. Fortune M, Walmsley L, **Brown A**. Horizontal Elective for Interprofessional Growth & Healthcare Team ENhancement (HEIGHTEN) - An innovation in interprofessional education. Oral presentation at the Canadian Conference on Medical Education (CCME) in April 2017 in Winnipeg, Canada.
29. **Brown A**, Fortune M, Walmsley L, Greenway M. Two birds, one stone: Using quality improvement principles to engage medical students and enhance medical curricula. Oral presentation at the Faculty of Health Science Education Research Day in June 2016 in Hamilton, Canada.
30. Fortune M, Walmsley L, **Brown A**, Horizontal Elective for Interprofessional Growth & Healthcare Team ENhancement (HEIGHTEN): A quality improvement project addressing interprofessional education. Oral presentation at the Faculty of Health Science Education Research Day in June 2016 in Hamilton, Canada.
31. Bridge E, **Brown A**, Law M, Greenway M, Interprofessional Education for Quality Improvement Program (I-EQUIP): Improving patient safety knowledge, skills and attitudes through applied learning. Oral presentation at the Canadian Conference on Medical Education (CCME) in April 2016 in Montreal, Canada
32. Hahn E, de Kok S, Andres R, Doyle J, **Brown A**. Improving patient safety and streamlining care at a community hospital through design and implementation of a trauma care bundle: a quality improvement pilot project. Oral presentation at the McMaster Medical Student Research Day in April 2016 in Hamilton, Canada.
33. Andres R, de Kok S, Hahn E, Doyle J, **Brown A**. Improving patient safety and streamlining care at a community hospital through design and implementation of a trauma care bundle: a quality improvement pilot project. Oral presentation at the 2016 Health Quality Symposium in April 2016 in Niagara Falls, Canada.
34. Jung B, Prentice D, Triemstra C, Stobbe K, **Brown A**, Dore K, Marshall D. The Team Observed Structured Clinical Encounter (TOSCE): Utilizing the simulated team environment as a tool for interprofessional learning and evaluation in a CTU. Oral presentation at Collaborating Across Borders V Conference in September 2015 in Roanoke, West Virginia, United States of America.
35. **Brown A**, Greenway M, Law M. Engaging learners in a medical education context for early introduction of Quality Improvement (QI) methodology: The Program for Improvement in Medical Education (PRIME). Oral Presentation presented at the Canadian Conference on Medical Education (CCME) in April 2015 in Vancouver, British Columbia, Canada.
36. Prentice D, **Brown A**, Francis D, Stobbe K, Jung B. Implementing Interprofessional Education in an acute care unit: Integration of theory into practice. Oral Presentation at the All Together Better Health Conference in June 2014 in Pittsburgh, Pennsylvania, United States of America.
37. Stobbe K, **Brown A**, Jung B, Prentice D, Taplay K, Triemstra C, Delrue A. Training Together to Care Together: The Design and Implementation of an Interprofessional Education (IPE) Ward for Medical, Nursing and Allied Health Learners. Presented at the Canadian Conference on Medical Education in April 2014 in Ottawa, Ontario, Canada.
38. **Brown A**, Fleming D, Zahradnik M, Thompson C. Antimicrobial Stewardship: A Quality Improvement Pilot Project. Presentation given to the NHS Quality Council & Senior Management Team at the New Niagara Health Complex in February 2013 in St. Catharines, Ontario, Canada.
39. **Brown A**, Fleming D, Zahradnik M, Thompson C. Antimicrobial Stewardship: A Quality Improvement Pilot Project. Presentation given at Internal Medicine Grand Rounds at the Niagara Health System in February 2013 in St. Catharines, Ontario, Canada.

## Poster Presentations

1. Omobhude F, Auguste E, Bakana N, Sukhera J, **Brown A**. Do as we say, not as we do: A critical discourse analysis of anti-racism statements released by medical schools and academic medical organizations in 2020. Poster presentation at the University of British Columbia Multidisciplinary Undergraduate Research Conference in March 2021 in Vancouver, Canada.
2. Anchuri K, Jacox N, Andreychuk T, **Brown A**. The impact of an interdisciplinary panel on structural violence and police brutality in the pre-clerkship psychiatry curriculum: a longitudinal evaluation. Poster presentation at the 7<sup>th</sup> Annual Health and Medical Education Scholarship Symposium in February 2021 in Calgary, Canada.
3. Kalifa A, Okuori A, Kamdem O, Yahya S, Abatan D, **Brown A**. Exploring the responses to anti-Black racism across medical schools in Canada in 2020 through the lens of critical race theory. Poster presentation at the 7<sup>th</sup> Annual Health and Medical Education Scholarship Symposium in February 2021 in Calgary, Canada.
4. Freedman D, Nidumolu A, Lafreniere K, Hecker K, Kassam A, **Brown A**. How do I teach Quality Improvement to Psychiatry resident physicians? A realist review sub-analysis of peer-reviewed and grey literature. Poster presentation at the Association for Academic Psychiatry Annual Meeting in September 2020 [virtual].
5. McMillan J, Campbell S, Furseth J, Marshall N, **Brown A**, Gill J. A Clinical Care Pathway for frail, older adults Living with HIV. Storyboard poster presentation at the Advancing Frailty Care in the Community Collaborative workshop in February 2020 in Toronto, Canada.
6. Smith S, Griggs L, Rizutti F, Horton J, **Brown A**. Teaching mindfulness-based stress management techniques to medical students: Pilot results from the Simulated Training for Resilience in Various Environments (STRIVE) program. Poster presentation at the Canadian Conference on Medical Education in April 2020 in Vancouver, Canada.
7. Ramsay N, Hossain R, Moore M, Milo M, **Brown A**. Healthcare While Homeless: Barriers, Facilitators, and the Lived Experiences of Homeless Individuals Accessing Healthcare in Niagara. Poster presentation at the Niagara Health Research Day in November 2018 in Niagara, Ontario, Canada.
8. Smith S, Griggs L, **Brown A**, Rizzuti F, Horton J. Simulated Training for Resilience in Various Environments (STRIVE). Poster at the Canadian Medical Association Wellness Summit in August 2018 in Winnipeg, Manitoba, Canada.
9. Cavanagh A, **Brown A**, Burgess R, Lee M, Vanstone M, Grierson L. MERIT Madness: Epistemology, Ideology, and Bracketology. Poster presentation at the Geoff Norman Education Research Day in June 2018 in Hamilton, Ontario, Canada.
10. **Brown A**, Grierson L. Is pre-clerkship the PRIME time for learning quality improvement? A mixed-methods study of early applications of quality in medical education to improve medical education quality. Poster presentation at the Faculty of Health Sciences Research Plenary in May 2017 in Hamilton, Ontario, Canada.
11. **Brown A**, Greenway M, Stobbe K, Koh J, Grierson L. Is pre-clerkship the PRIME time for learning quality improvement? A mixed-methods study of early applications of quality in medical education to improve medical education quality. Poster presentation at the Canadian Conference on Medical Education (CCME) in May 2017 in Winnipeg, Manitoba, Canada.
12. **Brown A**, Walmsley L, Fortune M, Miller F, Sneath P. Elevating the pre-clerkship IPE curriculum: The Horizontal Elective for Interprofessional Growth & Healthcare Team Enhancement (HEIGHTEN). Presented at the Canadian Conference on Medical Education (CCME) Research in Distributed Medical Education symposium in April 2017 in Winnipeg, Manitoba, Canada.
13. **Brown A**, Ramsay N, Milo M, Moore M, Hossain R., Health and Equity through Advocacy, Research, and Theatre (HEART): Healthcare for the Homeless. Presented at the Canadian Conference on Medical Education (CCME) Research in Distributed Medical Education symposium in April 2017 in Winnipeg, Manitoba, Canada.
14. Daza Vargas J, Tan C, Fielding R, **Brown A**, Yang I. Endoscopist- versus anesthesiologist-administered propofol in gastrointestinal endoscopy procedures: A systematic review of patient safety
