Course description: This course offers an introduction to the art and architecture of ancient Italy and its expansive Roman Empire from approximately 900 BCE to 330 CE. This chronological time frame sets the stage for an examination of early Roman art and architecture through the lenses of Greek and Etruscan influences. We will then move into the era of the Roman Republic, when Italy was unified under Roman rule and the armies of Rome began to make their presence felt in other Mediterranean cultures. The course continues with an analysis of the art and architecture of Imperial Rome under the reigns of Roman emperors from Augustus to Constantine.
