3. Grading:

The University policy on grading and related matters is described in F.1 and F.2 of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Table with 2 columns: Component(s), Weighting %. Rows: Assignments (10%), Quizzes (30%), Project (30%), Final Exam (30%)

Quizzes:

All quizzes will take place during the class time on the specific days in the course schedule.

Assignments:

- Assignments are due on the specified date by 3:59 PM.
The late policy for assignments is as follows:
- 20% grade penalty for 1 calendar days of lateness
- 40% grade penalty for 2 calendar day of lateness
- A grade of zero for more than 2 days of lateness
Students may submit assignments late without penalty if the student has discussed the timelines with course instructor in advance of the due date and the course instructor has granted an extension. Extensions are only granted for medical or other serious reasons and must be supported by documentation.

Each piece of work (reports, assignments, quizzes, midterm exam(s) or final examination) submitted by the student will be assigned a grade. The student's grade for each component listed above will be combined with the indicated weights to produce an overall percentage for the course, which will be used to determine the course letter grade.

The conversion between a percentage grade and letter grade is as follows.

	A+	A	A-	B+	B	B-	C+	C	C-	D+	D
<b>Minimum % Required</b>	95 %	90 %	85 %	80%	75%	70 %	65 %	60%	55%	50 %	45 %
