Note: Students must use their U of C account for all course correspondence.

2. **Requisites:**

See section [3.5.C](#) in the Faculty of Science section of the online Calendar.

Prerequisite(s):

Computer Science 413 and one of Mathematics 311 or 313.

Antirequisite(s):

Credit for Computer Science 519 and Computer Science 619 will not be allowed.

3. **Grading:**

The University policy on grading and related matters is described in [F.1](#) and [F.2](#) of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Component(s)	Weighting %	Date
Mini-assignments	10	
Assignments	35	
Midterm	20	Thursday, October 17, 2019
Final Exam	35	Registrar Scheduled (TBA)

Each piece of work (reports, assignments, quizzes, midterm exam(s) or final examination) submitted by the student will be assigned a grade. The student's grade for each component listed above will be combined with the indicated weights to produce an overall percentage for the course, which will be used to determine the course letter grade.

The conversion between a percentage grade and letter grade is as follows.

	A+	A	A-	B+	B	B-	C+	C	C-	D+	D
Minimum % Required	97 %	90 %	85 %	80%	75%	70 %	65 %	60%	56%	53 %	50 %

Percentage grades will be assigned to the assignments, mini assignments, midterm and final. An overall percentage grade will then be computed, which is converted to a letter grade using the included conversions.

This course has a registrar scheduled final exam.

In order to obtain a final grade of C- or better, a student must achieve a **weighted average of C- or better on the midterm and final exams.**

4. **Missed Components Of Term Work:**

In the event that a student misses the midterm or any course work due to illness, supporting documentation, such as a medical note or a statutory declaration will be required (see [Section M.1](#); for more information regarding the use of statutory declaration/medical notes, see [FAQ](#)). Absences must be reported within 48 hrs.

The regulations of the Faculty of Science pertaining to this matter are found in the Faculty of Science area of the Calendar in [Section 3.6](#). It is the student's responsibility to familiarize themselves with these regulations. See also [Section E.3](#) of the University Calendar.
