Note: Students must use their U of C account for all course correspondence.

2. **Requisites:**

See section [3.5.C](#) in the Faculty of Science section of the online Calendar.

3. **Grading:**

The University policy on grading and related matters is described in [F.1](#) and [F.2](#) of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Component(s)		
Paper Critique		20%
Research Project		65%
Proposal	5	
Extended Bibliography	15	
Presentation	15	
Final Report	30	
Participation		15%

Each piece of work (reports, assignments, quizzes, midterm exam(s) or final examination) submitted by the student will be assigned a grade. The student's grade for each component listed above will be combined with the indicated weights to produce an overall percentage for the course, which will be used to determine the course letter grade.

The conversion between a percentage grade and letter grade is as follows.

	A+	A	A-	B+	B	B-	C+	C	C-	D+	D
Minimum % Required	95 %	90 %	85 %	80%	75%	70 %	65 %	60%	55%	50 %	45 %

Detailed Grade Calculation Description: Project grades will be calculated by assigning a letter grade to each element of the project, which will be converted to a numeric grade using the University's grading system. Each project component's numeric value will be weighted according to the Component table and converted to its numeric percentage. Percentage scores attained on the Paper Critique, the Project components, and the Participation component will be aggregated to produce a total percentage score and a final letter grade assigned according to the grading method defined above.

This course has a registrar scheduled final exam.

4. **Missed Components Of Term Work:**

In the event that a student misses the midterm or any course work due to illness, supporting documentation, such as a medical note or a statutory declaration will be required (see [Section M.1](#); for more information regarding the use of statutory declaration/medical notes, see [FAQ](#)). Absences must be reported within 48 hrs.
