User Profile

Disciplines Trained In: Biology and Related Sciences, Epidemiology and Biostatistics, Internal Medicine, Rheumatology

Research Disciplines: Epidemiology and Biostatistics, Rheumatology

Areas of Research: Arthritis / Osteo-Arthritis, Auto-Immune Diseases, Cultural and Health, Health Services

Fields of Application: Biomedical Aspects of Human Health, Culture, Pathogenesis and Treatment of Diseases

Research Specialization Keywords: Clinical Epidemiology, Early Arthritis, Health Services Research, Imaging Techniques, Indigenous Health, Rheumatoid Arthritis, Rheumatology

Degrees

2008/9 - 2011/11	Master's Thesis, Science - Masters, Clinical Epidemiology, The University of Calgary Degree Status: Completed
2006/7 - 2008/9	Doctorate Equivalent, Rheumatology, The University of Calgary Degree Status: Completed
2003/7 - 2006/6	Doctorate Equivalent, Internal Medicine, The University of Manitoba Degree Status: Completed
2000/5 - 2003/5	Bachelor's, Bachelor of Science in Medicine, The University of Manitoba Degree Status: Completed
1999/8 - 2003/5	Doctorate, Medical Doctor - M.D., The University of Manitoba Degree Status: Completed
1996/9 - 1999/10	Bachelor's, Science, The University of Manitoba Degree Status: Completed

Credentials

2017/5	Quality Graduate Supervision miniMOOC, The University of Calgary
2017/5	Advanced Cardiac Life Support (ACLS) Provider, Heart and Stroke Foundation of Canada

2017/4	Basic Life Support Provider, Heart and Stroke Foundation of Canada
2015/5	Indigenous Cultural Competency Online Course, Provincial Health Services Authority (BC)
2008/9	Subspecialty Certificate, Royal College of Physicians and Surgeons of Canada
2007/8	Fellow, Royal College of Physicians and Surgeons of Canada

Recognitions

2017/11	Peak Scholar The University of Calgary Honor
2017/5	Jeffrey Shiroky Award - 1,000 (Canadian dollar) Laurentian Conference of Rheumatology Prize / Award
2016/11	Outstanding (top 5%) Reviewer for Arthritis Care & Research Arthritis Care & Research Honor
2016/6	Emerging Research Leader Award, O'Brien Institute for Public Health - 2,000 (Canadian dollar) The University of Calgary Prize / Award
2016/2	Young Faculty Award for Excellence in Research (Epidemiology and Health Services Research) - 1,250 (Canadian dollar) Canadian Rheumatology Association Prize / Award
2016/1	Honour Roll (Teaching Award), Cumming School of Medicine Class of 2017 University of Calgary Honor
2015/11	Avenue Magazine Top 40 Under 40 Avenue Magazine Distinction
2015/3 - 2020/2	CIHR New Investigator, Community-Based Primary Health Care Canadian Institutes of Health Research Prize / Award
2015/2	Canadian Rheumatology Association/Arthritis Research Foundation Young Faculty Award for Excellence in Research (Epidemiology and Health Services Research) - 1,250 (Canadian dollar) Canadian Rheumatology Association Prize / Award
2014/10	Academic Alternative Relationship Plan Merit Award Department of Medicine, University of Calgary Prize / Award
2014/2 - 2015/2	Canadian Rheumatology Association Young Investigator Award Canadian Rheumatology Association Distinction

2014/2	Young Faculty Award for Excellence in Research (Epidemiology and Health Services Research) - 1,250 (Canadian dollar) Canadian Rheumatology Association Prize / Award
2013/9 - 2015/8	Canadian Rheumatology Association (Canadian Initiative for Outcomes in Rheumatology Care) and The Arthritis Society Clinician Investigator Award - 120,000 (Canadian dollar) Canadian Rheumatology Association Prize / Award
2013/3	Associate Dean's Letter of Excellence, Undergraduate Medical Education Teaching The University of Calgary Honor
2013/2	Young Faculty Award for Excellence in Research (Epidemiology and Health Services Research) - 1,250 (Canadian dollar) Canadian Rheumatology Association Prize / Award
2012/8 - 2012/12	Alternative Relationship Plan Merit Award - 5,000 (Canadian dollar) Alberta Health Services Prize / Award
2010/2 - 2013/2	Mentorship Program Participant Future Leaders in Rheumatology Training Distinction

Employment

2016/7	Associate Professor Medicine, Cumming School of Medicine, The University of Calgary
2016/7	Associate Professor Community Health Sciences, Cumming School of Medicine, The University of Calgary
2012/4 - 2016/6	Assistant Professor Community Health Sciences, Cumming School of Medicine, The University of Calgary
2012/1 - 2016/6	Assistant Professor Medicine, Cumming School of Medicine, The University of Calgary
2008/7 - 2011/12	Clinician Scholar Medicine, Faculty of Medicine, The University of Calgary

Affiliations

The primary affiliation is denoted by (*)

2017/6	Senior Scientist, Arthritis Research Canada
2016/7	Associate Professor, Community Health Sciences, The University of Calgary
(*) 2016/7	Associate Professor, Medicine, The University of Calgary
2012/3 - 2017/6	Scientist, Arthritis Research Canada

Research Funding History

Awarded [n=15]

2017/7 - 2022/6	SPOR REACH Network
-----------------	--------------------

- Co-investigator Principal Investigator : A Abou-Setta; A LeBlanc; Andrea Tricco; C Godfrey; D Moher; F Clement; H Colquhoun; J Curran; L Li; P Moffitt; S Straus; W Isaranuwachai
- Funding Sources:**
2017/7 - 2022/6 Canadian Institutes of Health Research (CIHR)
SPOR - Guidelines and Systematic Reviews
Total Funding - 4,997,000 (Canadian dollar)
Funding Competitive?: Yes
- 2017/4 - 2022/3
Principal Investigator Alberta Indigenous Mentorship for Health Innovation (AIM-HI) Network
Principal Investigator : Cheryl Currie; Cora Voyageur; Karlee Fellner; Lynden Crowshoe; Robert Henry
- Funding Sources:**
2017/4 - 2022/3 Canadian Institutes of Health Research (CIHR)
Indigenous Mentorship Network Program
Total Funding - 1,000,000 (Canadian dollar)
Funding Competitive?: Yes
- 2015/7 - 2020/6
Principal Investigator Arthritis Care for Indigenous Populations
Principal Investigator : Cheryl Barnabe
- Funding Sources:**
2015/7 - 2020/6 Canadian Institutes of Health Research (CIHR)
Foundation Scheme
Total Funding - 575,209 (Canadian dollar)
Funding Competitive?: Yes
- 2015/3 - 2020/2
Principal Applicant New Investigator Salary Award. Community-Based Primary Health Care
- Funding Sources:**
2014/7 - 2019/6 Canadian Institutes of Health Research (CIHR)
New Investigator Salary Award, Community-Based Primary Health Care
Total Funding - 300,000 (Canadian dollar)
Funding Competitive?: Yes
- 2014/7 - 2019/6
Co-investigator Brain Dysfunction in Chronic Inflammatory Disease: Reciprocal Effects of CNS and Periphery Crosstalk.
Principal Investigator : Mark Swain
- Funding Sources:**
2014/4 - 2019/3 Canadian Institutes of Health Research (CIHR)
Team Grant: Chronic Inflammation Initiative
Total Funding - 2,292,479 (Canadian dollar)
Funding Competitive?: Yes
- 2014/7 - 2019/6
Co-investigator A Multidisciplinary Approach to Target Chronic Inflammation of the Gut, Liver and Joint.
Principal Investigator : Johannes Eksteen
- Funding Sources:**
2014/4 - 2019/3 Canadian Institutes of Health Research (CIHR)
Team Grant: Chronic Inflammation Initiative
Total Funding - 2,443,500 (Canadian dollar)
Funding Competitive?: Yes

- 2014/7 - 2019/6
Co-investigator
- PRECISION: Preventing Complications from Inflammatory Skin, Joint and Bowel Conditions.
- Principal Investigator : John Esdaile
- Funding Sources:**
- 2014/4 - 2019/3 Canadian Institutes of Health Research (CIHR)
Team Grant: Chronic Inflammation Initiative
Total Funding - 2,422,690 (Canadian dollar)
Funding Competitive?: Yes
- 2016/6 - 2019/6
Co-investigator
- Coordinated Care Team for Vulnerable Patients with Complex Care Needs
- Principal Investigator : Eddy Lang; Gabriel Fabreau; Kerry McBrien; Van Nguyen
- Funding Sources:**
- 2016/6 - 2019/6 Alberta Innovates- Health Solutions
Partnership for Research and Innovation in the Health System (PRIHS)
Total Funding - 1,800,000 (Canadian dollar)
Funding Competitive?: Yes
- 2017/5 - 2019/4
Co-investigator
- Development of a patient-centered balanced scorecard approach to improve quality of care in rheumatoid arthritis patients in Canada
- Co-investigator : Deborah Marshall; Dianne Mosher; Glen Hazlewood; James Rankin; Joanne Homik; Karen Then; Linda Li; Paul MacMullan;
- Principal Investigator : Claire Barber; Diane Lacaille
- Funding Sources:**
- 2017/5 - 2019/4 Canadian Institutes of Health Research (CIHR)
Project Scheme
Total Funding - 183,600 (Canadian dollar)
Funding Competitive?: Yes
- 2014/7 - 2018/12
Principal Investigator
- Case Managers to Improve the Management of Inflammatory Arthritis and Associated Comorbidities with First Nations Communities: A Proof of Concept Study
- Co-investigator : Charles Goldsmith; Helen Brown; Linda Li; Lynden Crowshoe;
- Principal Investigator : Cheryl Barnabe; Diane Lacaille
- Funding Sources:**
- 2014/7 - 2016/6 Canadian Initiative for Outcomes in Rheumatoid Arthritis (Canada)
Open Competition
Total Funding - 120,000 (Canadian dollar)
Funding Competitive?: Yes
- 2014/10 - 2018/12
Principal Investigator
- Case Managers to Improve Management of Arthritis and Associated Comorbidities with First Nations Communities: A Proof of Concept Study
- Co-investigator : Charles Goldsmith; Helen Brown; Linda Li; Lynden Crowshoe;
- Principal Investigator : Cheryl Barnabe; Diane Lacaille
- Funding Sources:**
- 2014/10 - 2017/9 The Arthritis Society
Strategic Operating Grant
Total Funding - 359,000 (Canadian dollar)
Funding Competitive?: Yes

- 2017/4 - 2018/10
Co-investigator
- Inflammation and Bone Damage in Rheumatoid Arthritis
Principal Investigator : Sarah Manske
- Funding Sources:**
2017/4 - 2018/10 McCaig Institute for Bone and Joint Health
 Encore Catalyst Award
 Total Funding - 30,000 (Canadian dollar)
 Funding Competitive?: Yes
- 2016/6 - 2018/6
Co-investigator
- Needs and Barriers to Pregnancy Counseling in Women with Rheumatoid Arthritis
Principal Investigator : Evelyne Vinet
- Funding Sources:**
2016/6 - 2018/6 Canadian Rheumatology Association (CRA)
 Canadian Initiative for Outcomes in Rheumatology Care (CIORA)
 Total Funding - 110,000 (Canadian dollar)
 Funding Competitive?: Yes
- 2017/4 - 2018/3
Co-investigator
- Establishing the foundation for a patient-centered pragmatic registry-randomized trial of treatment tapering in rheumatoid arthritis
Principal Investigator : Glen Hazlewood
- Funding Sources:**
2017/4 - 2017/3 Canadian Institutes of Health Research (CIHR)
 Catalyst Grant: SPOR Innovative Clinical Trials
 Total Funding - 99,724 (Canadian dollar)
 Funding Competitive?: Yes
- 2015/3 - 2018/2
Co-investigator
- Bridging the Evidence Gap: Understanding Patient and Physician Choices for Treatment in Early Rheumatoid Arthritis
Principal Investigator : Glen Hazlewood
- Funding Sources:**
2015/3 - 2018/2 Canadian Institutes of Health Research (CIHR)
 Open Operating Grant
 Total Funding - 258,170 (Canadian dollar)
 Funding Competitive?: Yes
- Completed [n=26]**
- 2013/11 - 2017/10
Collaborator
- Our Health Counts Toronto: Developing a Population Based Urban Aboriginal Cohort to Assess and Enhance Individual, Family, and Community Health and Wellbeing.
Principal Investigator : Janet Smylie; Sara Wolfe
- Funding Sources:**
2013/11 - 2017/10 Canadian Institutes of Health Research (CIHR)
 Open Operating Grant
 Total Funding - 992,000 (Canadian dollar)
 Funding Competitive?: Yes
- 2015/7 - 2017/9
Principal Investigator
- Indigenous Patient Preferences for Rheumatoid Arthritis Pharmacotherapy
Principal Investigator : Cheryl Barnabe; Glen Hazlewood

Funding Sources:

2015/7 - 2016/6 Arthritis Research Canada
 Outcomes Grant
 Total Funding - 45,217 (Canadian dollar)
 Funding Competitive?: Yes

2016/6 - 2017/6
 Co-investigator

Incorporating Patients' Preferences into Canadian Rheumatology Association Treatment Recommendations for Rheumatoid Arthritis

Principal Investigator : Glen Hazlewood

Funding Sources:

2016/6 - 2017/6 Canadian Rheumatology Association (CRA)
 Canadian Initiative for Outcomes in Rheumatology Care (CIORA)
 Total Funding - 50,000 (Canadian dollar)
 Funding Competitive?: Yes

2015/5 - 2017/4
 Co-investigator

Testing of System-Level Performance Measures for Inflammatory Arthritis

Principal Investigator : Claire Barber

Funding Sources:

2015/5 - 2017/4 Canadian Initiative for Outcomes in Rheumatoid Arthritis (Canada)
 Total Funding - 110,000 (Canadian dollar)
 Funding Competitive?: Yes

2013/10 - 2017/3
 Principal Investigator

Erosion Healing and Restoration of Function in Rheumatoid Arthritis

Principal Investigator : Cheryl Barnabe; Steven Boyd

Funding Sources:

2013/10 - 2016/9 Arthritis Society (The)
 Strategic Operating Grant
 Total Funding - 333,989 (Canadian dollar)
 Funding Competitive?: Yes

2016/3 - 2017/2
 Co-investigator

Western Indigenous Mentorship Network Program

Principal Applicant : Charlotte Loppie Reading

Funding Sources:

2016/3 - 2017/2 Canadian Institutes of Health Research (CIHR)
 Training Grant: Indigenous Mentorship Network
 Total Funding - 25,000 (Canadian dollar)
 Funding Competitive?: Yes

2014/3 - 2017/2
 Co-investigator

Optimizing Centralized Intake to Improve Arthritis Care for Albertans

Principal Investigator : Deborah Marshall;

Principal Knowledge User : Linda Woodhouse

Funding Sources:

2014/1 - 2016/12 Alberta Innovates- Health Solutions
 Partnership for Research and Innovation in the Health System
 Total Funding - 750,000 (Canadian dollar)
 Funding Competitive?: Yes

2016/1 - 2016/12
 Co-investigator

Planning for the collaborative implementation of a peer-support shared decision making strategy by and with Aboriginal populations: building foundations for a program of research in health systems that treat chronic disease

Principal Investigator : Janet Jull

Funding Sources:

2016/1 - 2016/12 Canadian Institutes of Health Research (CIHR)
 Planning and Dissemination Grant
 Total Funding - 25,000 (Canadian dollar)
 Funding Competitive?: Yes

2013/4 - 2016/3
 Co-investigator

Developing an innovative evidence-based decision support tool to improve osteoarthritis care planning and health service management for diverse patient populations in Alberta, Saskatchewan and Manitoba

Co-investigator : Christine Peschken; Cy Frank; Dianne Mosher; Lisa Lix; Michael Carter; Tom Noseworthy;

Principal Investigator : Deborah Marshall; Sonia Vanderby

Funding Sources:

2013/4 - 2016/3 Canadian Institutes of Health Research (CIHR)
 Open Operating Grant
 Total Funding - 429,713 (Canadian dollar)
 Funding Competitive?: Yes

2014/6 - 2015/12
 Co-investigator

Development and usability testing of a personalized risk communication tool to facilitate the shared decision of methotrexate treatment options in early rheumatoid arthritis

Principal Applicant : Glen Hazlewood

Funding Sources:

2014/5 - 2016/4 Canadian Initiative for Outcomes in Rheumatoid Arthritis (Canada)
 Open Competition
 Total Funding - 23,195 (Canadian dollar)
 Funding Competitive?: Yes

2015/4 - 2015/10
 Principal Applicant

Planning Meeting: Aboriginal Community Summer Research Training Institute

Funding Sources:

2015/3 - 2015/10 Alberta Innovates- Health Solutions
 Conference Grant
 Total Funding - 3,000 (Canadian dollar)
 Funding Competitive?: Yes

2013/9 - 2015/8
 Principal Applicant

Canadian Rheumatology Association (CRA) - The Arthritis Society (TAS) Clinician Investigator Award

Funding Sources:

2013/9 - 2015/8 Canadian Rheumatology Association (CRA)
 Clinician Investigator Award
 Total Funding - 120,000 (Canadian dollar)
 Funding Competitive?: Yes

2012/1 - 2015/8
 Principal Investigator

"The Window of Opportunity": Seizing the Opportunity for Positive Lifestyle Modifications in Early Inflammatory Arthritis

Co-investigator : Caitlin Creaser; Carolyn Johns; Liam Martin; Tanis Fenton

Funding Sources:

2012/1 - 2013/8 Canadian Initiative for Outcomes in Rheumatoid Arthritis (Canada)
Open Competition
Total Funding - 48,716 (Canadian dollar)
Funding Competitive?: Yes

2014/11 - 2014/11 American College of Rheumatology Study Group
Principal Applicant

Funding Sources:

2014/11 - 2014/11 American College of Rheumatology (Atlanta, GA)
Study Group
Total Funding - 750 (United States dollar)
Funding Competitive?: Yes

2013/10 - 2014/9 Creating an optimal model of care for the efficient delivery of appropriate and effective
Co-investigator arthritis care.

Principal Investigator : Deborah Marshall

Funding Sources:

2013/10 - 2014/9 Arthritis Society (The)
Models of Care Catalyst Grant
Total Funding - 54,112 (Canadian dollar)
Funding Competitive?: Yes

2013/10 - 2014/9 Urban Aboriginal Arthritis Detection and Management Strategy
Principal Investigator
Principal Investigator : Cheryl Barnabe; Lynden Crowshoe

Funding Sources:

2013/10 - 2014/9 Arthritis Society (The)
Models of Care Catalyst Grant
Total Funding - 55,000 (Canadian dollar)
Funding Competitive?: Yes

2012/8 - 2014/7 Rheumatoid Arthritis Management in Alberta's Aboriginal Population
Principal Investigator
Co-investigator : Brenda Hemmelgarn; Liam Martin; Walter Maksymowych

Funding Sources:

2012/8 - 2014/7 MSI Foundation
Health Services and Population Health Research Competition
Total Funding - 94,000 (Canadian dollar)
Funding Competitive?: Yes

2013/6 - 2014/6 Cardiovascular Quality Indicators for Rheumatoid Arthritis
Co-investigator

Co-investigator : Deborah Marshall; John Esdaile;

Principal Investigator : Claire Barber

Funding Sources:

2013/6 - 2014/6 Canadian Institutes of Health Research (CIHR)
Planning Grant
Total Funding - 15,000 (Canadian dollar)
Funding Competitive?: Yes

2014/6 - 2014/6 European League Against Rheumatism Annual Meeting Travel Bursary
Principal Applicant

Funding Sources:

2014/6 - 2014/6 European League against Rheumatism (EULAR)
Travel Grant
Total Funding - 1,050 (Euro)
Funding Competitive?: Yes

2013/3 - 2014/3
Co-investigator

Administrative Data in Rheumatic Disease Research and Surveillance

Co-investigator : Christine Peschken; Larry Svensson; Sonia Jean;

Principal Investigator : Antonio Avina-Zubieta; Diane Lacaille; Lisa Lix; Sasha Bernatsky

Funding Sources:

2013/3 - 2014/3 Canadian Institutes of Health Research (CIHR)
Planning Grant
Total Funding - 24,847 (Canadian dollar)
Funding Competitive?: Yes

2012/1 - 2013/12
Principal Investigator

Start Up Funds

Funding Sources:

2012/1 - 2013/12 University of Calgary
Start Up Funds
Total Funding - 60,000 (Canadian dollar)
Funding Competitive?: No

2011/10 - 2013/9
Principal Investigator

Arthritis in First Nations People in Alberta: Prevalence and Health Care Utilization

Co-investigator : Charles Goldsmith; Christine Peschken; John Esdaile; Joseph Lawrence;
Sasha Bernatsky;

Principal Investigator : Brenda Hemmelgarn; Cheryl Barnabe

Funding Sources:

2011/10 - 2013/9 Canadian Institutes of Health Research (CIHR)
Secondary Analysis of Databases
Total Funding - 99,200 (Canadian dollar)
Funding Competitive?: Yes

2012/1 - 2013/8
Principal Investigator

Access and Utilization of Healthcare for Rheumatoid Arthritis in Aboriginal People in Alberta

Co-investigator : Don Voaklander; Joanne Homik; Lynden Crowshoe; W. E. Thurston;

Principal Investigator : Allyson Jones; Cheryl Barnabe

Funding Sources:

2012/1 - 2013/8 Canadian Initiative for Outcomes in Rheumatoid Arthritis (Canada)
Open Competition
Total Funding - 58,513 (Canadian dollar)
Funding Competitive?: Yes

2013/2 - 2013/2
Principal Investigator

Faculty Travel Grant Awards

Funding Sources:

2013/2 - 2013/2 University of Calgary
Faculty Travel Grant Awards
Total Funding - 1,800 (Canadian dollar)
Funding Competitive?: Yes

- 2012/1 - 2012/12
Principal Investigator Aboriginal Albertans' Perceptions of Health Service Delivery for Osteoarthritis and Total Joint Replacement
Co-investigator : Deborah Marshall; Joanne Homik; W. E. Thurston;
Principal Investigator : Allyson Jones; Cheryl Barnabe
- Funding Sources:**
2012/1 - 2012/12 Alberta Innovates- Health Solutions
Osteoarthritis Alberta Team Grant
Total Funding - 14,750 (Canadian dollar)
Funding Competitive?: Yes
- 2012/11 - 2012/11
Principal Investigator University of Calgary Starter Grant
- Funding Sources:**
2012/11 - 2012/11 University of Calgary
Starter Grants
Total Funding - 5,000 (Canadian dollar)
Funding Competitive?: Yes

Student/Postdoctoral Supervision

Bachelor's [n=1]

- Academic Advisor Amber Cox (In Progress) , University of Calgary
Student Degree Start Date: 2017/9
Project Description: Pathways to Medicine Scholarship Program Faculty Mentor

Bachelor's Equivalent [n=11]

- Principal Supervisor Sujay Nagaraj (Completed) , Queen's University
Student Degree Start Date: 2017/5
Project Description: Clinical Outcomes of the Siksika Arthritis Clinic (funded by the McCaig Institute R.R. Singleton Summer Studentship)
- Principal Supervisor Aaron Lin (Completed) , Queen's University
Student Degree Start Date: 2017/5
Project Description: Community Engagement Recommendations in Rheumatology (supported by a CIHR Undergraduate Summer Studentship)
- Principal Supervisor Aaron Lin (Completed) , Queen's University
Student Degree Start Date: 2016/5
Project Description: Systematic Review on Community Engagement in the Rheumatology Literature - supported by the McCaig Institute R. R. Singleton Summer Studentship
- Principal Supervisor Sujay Nagaraj (Completed) , Queen's University
Student Degree Start Date: 2016/5
Project Description: Aboriginal Outcomes in the CATCH Cohort - supported by the McCaig Institute R.R. Singleton Summer Studentship
- Principal Supervisor Ryan Lewinson (Completed) , University of Calgary
Student Degree Start Date: 2015/11
Project Description: Is Major Depressive Disorder on the Causal Pathway Between Psoriasis and Psoriatic Arthritis? Supported by the CIHR-Leo Studentship in Psoriatic Research

- Principal Supervisor Sujay Nagaraj (Completed) , Queen's University
Student Degree Start Date: 2015/5
Project Description: HR-pQCT in Arthritis Systematic Review - supported by the Alberta Innovates - Health Solutions Summer Studentship
- Principal Supervisor Linda Liu (Completed) , University of Calgary
Student Degree Start Date: 2014/10
Project Description: Systematic review and meta-analysis of the impact of obesity on achieving remission in rheumatoid arthritis.
Present Position: Medical Student
- Principal Supervisor Kelle Hurd (Completed) , University of Calgary
Student Degree Start Date: 2014/3
Project Description: Systematic review of clinical outcomes in arthritis conditions for Indigenous populations of Canada, USA, New Zealand and Australia.
Present Position: Medical Student
- Co-Supervisor Linda Wang (Completed) , University of Alberta
Student Degree Start Date: 2013/5
Project Description: Systematic review of opportunistic infections in patients with lupus.
- Principal Supervisor Jeffrey Lee (Completed) , University of Calgary
Student Degree Start Date: 2011/12
Project Description: Analysis of sex differences in rheumatoid arthritis outcomes in the ABioPharm Registry.
- Co-Supervisor Rebecca Iwanicki (Completed) , University of Alberta
Student Degree Start Date: 2011/5
Project Description: Chart audit of adherence to rheumatoid arthritis treatment guidelines.

Bachelor's Honours [n=1]

- Principal Supervisor Erin Bell (Completed) , University of Calgary
Student Degree Start Date: 2013/9

Master's Equivalent [n=8]

- Principal Supervisor Ryan Lewinson (In Progress) , University of Calgary
Student Degree Start Date: 2017/5
Project Description: Population-Based Risk Estimate of Orthopaedic Complications of Psoriatic Arthritis (funded by the CIHR-CAPP Studentship in Psoriatic Research)
- Principal Supervisor Isabelle Vallerand (In Progress) , University of Calgary
Student Degree Start Date: 2017/5
Project Description: Depression as a risk factor for the development of rheumatoid arthritis: a population-based cohort study. (Funded by the Canadian Rheumatology Association Research Summer Studentship)
- Principal Supervisor Kelle Hurd (Completed) , University of Calgary
Student Degree Start Date: 2016/7
Project Description: Systematic review of mortality rates in Indigenous Peoples with rheumatic diseases
- Principal Supervisor Cairistin McDougall (Completed) , University of Calgary
Student Degree Start Date: 2015/11
Project Description: Epidemiology of Rheumatic Diseases in Indigenous Populations of Canada, U.S.A., Australia and New Zealand

- Principal Supervisor Gavin Sun (Completed) , University of Calgary
Student Degree Start Date: 2014/12
Project Description: Systematic review and meta-analysis of the association between air pollution and rheumatic disease development.
- Principal Supervisor Stephanie Garner (Completed) , University of Calgary
Student Degree Start Date: 2014/5
Project Description: Analysis of sex differences in treatment outcomes and treatment escalation in the CATCH Cohort.
- Principal Supervisor Stephanie Tom (Completed) , University of Calgary
Student Degree Start Date: 2012/5
Project Description: Analysis of bone microarchitecture and density changes in early inflammatory arthritis using high-resolution peripheral quantitative computed tomography.
- Co-Supervisor Ranjani Somayaji (Completed) , University of Calgary
Student Degree Start Date: 2011/3
Project Description: Predictors of infected arthroplasties in rheumatoid arthritis.

Master's Thesis [n=1]

- Co-Supervisor Kelsey Chomistek (In Progress) , University of Calgary
Student Degree Start Date: 2017/9

Doctorate [n=6]

- Principal Supervisor Kara Irwin (In Progress) , University of Calgary
Student Degree Start Date: 2017/9
- Co-Supervisor Deepala Ubadhyaya (In Progress) , University of Calgary
Student Degree Start Date: 2016/9
Project Description: Midwifery program educational needs for Indigenous communities
- Principal Supervisor Nancy Bedingfield (In Progress) , University of Calgary
Student Degree Start Date: 2016/9
Project Description: Enhancing HPV Vaccination Rates in First Nations Communities (Supported by Alberta Innovates, Alberta SPOR Graduate Studentship)
- Co-Supervisor Ellen Kuenzig (Completed) , University of Calgary
Student Degree Start Date: 2012/8
Student Degree Received Date: 2016/11
Project Description: Gene-Smoking Interactions and Surgery in Crohn's Disease
- Co-Supervisor Claire Barber (Completed) , University of Calgary
Student Degree Start Date: 2011/7
Student Degree Received Date: 2016/5
- Academic Advisor Taryn Ludwig (Completed) , University of Calgary
Student Degree Start Date: 2009/9
Student Degree Received Date: 2017/5
Project Description: The role of proteoglycan 4 in boundary lubricating and biophysical properties of osteoarthritis human synovial fluid
Present Position: MD-PhD Program

Post-doctorate [n=1]

Principal Supervisor Adalberto Loyola-Sanchez (In Progress) , University of Calgary
 Student Degree Start Date: 2015/8
 Project Description: Sustainability framework of arthritis health services interventions to address health inequities in First Nations and Indigenous Mexican communities. Supported by the Eyes High Postdoctoral Scholarship (August 2015-March 2016; Banting Postdoctoral Scholarship April 2016-March 2018)

Mentoring Activities

2016/3 Academic Mentor, The University of Calgary
 Number of Mentorees: 1
 Mentoring a new clinician scientist (Dr. Prism Schneider) at the request of the Dean of Medicine.

2012/12 Faculty Chair, The University of Calgary
 Number of Mentorees: 200
 Group for Research With Indigenous Peoples

Community and Volunteer Activities

2016/5 Core Committee Member, Alberta Health Services
 Population, Public and Indigenous Health Strategic Clinical Network

2016/3 Executive Committee, The University of Calgary
 McCaig Institute for Bone and Joint Health Executive Committee

2016/1 Member, Royal College of Physicians and Surgeons of Canada
 Comprehensive Objective Examination in Rheumatology Examination Committee

2016/1 Chair, Canadian Rheumatology Association
 Optimal Care Committee

2015/10 Medical Advisory Committee Member, The Arthritis Society

2015/9 Faculty Leads Advisory Group, Indigenous Health Dialogue, Cumming School of Medicine, University of Calgary
 Indigenous Health Dialogue

2014/9 Volunteer, Ecole Banff Trail, Calgary Board of Education

2014/4 Member, The University of Calgary
 Diversity and Equity Network Committee; Office of Diversity, Equity and Protected Disclosure, University of Calgary

2013/10 Member, Royal College of Physicians and Surgeons of Canada
 Indigenous Health Advisory Committee

2013/9 Organizing Committee, Western Alliance for Rheumatology
 Annual meeting planning committee

2010/11 Member, Canadian Rheumatology Association
 Optimal Care Committee

2017/9 - 2018/3 Volunteer, Calgary Northwest Ringette
 U10 Step 1 Team 2 Manager and On-Ice Assistant; U10 Step 3 Team 2 Social Coordinator and On-Ice Assistant

2014/12 - 2017/10	Member, Gairdner Lecture Planning Committee, Cumming School of Medicine, University of Calgary
2017/4 - 2017/7	Volunteer, Hornets Lacrosse
2017/1 - 2017/7	Member, The University of Calgary Diversity in Action Working Group, Equity and Professionalism Office, Cumming School of Medicine
2013/7 - 2016/6	Member, Alberta Health Services Arthritis Working Group, Bone and Joint Health Strategic Clinical Network
2015/4 - 2016/4	Member, Communications Committee, McCaig Institute for Bone and Joint Health
2014/6 - 2016/2	Member, The University of Calgary Diversity and Professionalism Accreditation Sub-Committee, Cumming School of Medicine, University of Calgary
2011/6 - 2014/11	Executive Board of Directors, Indigenous Physicians Association of Canada

Knowledge and Technology Translation

2017/5	Chair, Community Engagement Target Stakeholder: General Public Outcome / Deliverable: Dissemination of Indigenous health research being conducted at the University of Calgary Evidence of Uptake/Impact: Panel discussion on urban Indigenous health with six key opinion leaders, followed by four oral presentations, poster session and keynote presenter on Truth, Reconciliation and Research in the Cumming School of Medicine attended by >100 participants at the GRIP Annual Research Forum Activity Description: Group for Research with Indigenous Peoples (GRIP), O'Brien Institute for Public Health, annual research forum
2017/2	Presenter, Citizen Engagement Group/Organization/Business Served: The Arthritis Society Target Stakeholder: General Public Outcome / Deliverable: Session on recognition and treatment of psoriatic arthritis Evidence of Uptake/Impact: Presentation to >30 telehealth sites on psoriatic arthritis Activity Description: Telehealth Information Session - I was invited by The Arthritis Society to present to over 30 First Nations communities.
2016/10	Presenter, Policy/Regulation Development Group/Organization/Business Served: Assembly of First Nations Target Stakeholder: Policy Maker/Regulator Outcome / Deliverable: Keynote presenter to the Assembly of First Nations Non-Insured Health Benefits Service Provider forum on the gaps in care created by policies for Treaty First Nations with rheumatic diseases. Evidence of Uptake/Impact: Inclusion of the rheumatology example as a case study in the final recommendations presented to the Assembly of First Nations leadership. Activity Description: Arthritis Care for Non-Insured Health Benefits Clients: A Presentation to the Assembly of First Nations - NIHB Joint Review Process Service Provider Forum. Representing the Canadian Rheumatology Association, I presented data on gaps in service for Registered First Nations persons with arthritis. This was to inform the AFN's review process for NIHB reforms to better serve population needs.

- 2016/5
Chair, Community Engagement
Target Stakeholder: General Public
Outcome / Deliverable: Dissemination of Indigenous health research being conducted at the University of Calgary.
Evidence of Uptake/Impact: Four keynote speakers, two oral presentations and a poster session attended by 60 attendees at the GRIP annual research forum.
Activity Description: Group for Research with Indigenous Peoples (GRIP), O'Brien Institute for Public Health, annual research forum
- 2016/4
Presenter, Citizen Engagement
Group/Organization/Business Served: The Arthritis Society
Target Stakeholder: General Public
Outcome / Deliverable: Discussed different types of arthritis, how they are diagnosed, and treatment options.
Evidence of Uptake/Impact: Over 20 sites participated in the session, and the question period was extended by an additional 1/2 hour at the request of participants.
Activity Description: Telehealth Information Session - I was invited by The Arthritis Society to present to over 40 First Nations communities on Arthritis Management.
- 2015/5
Chair, Community Engagement
Target Stakeholder: General Public
Outcome / Deliverable: Dissemination of Indigenous health research being conducted at the University of Calgary.
Evidence of Uptake/Impact: Six oral presentations and 12 posters presented to approximately 30 attendees at the GRIP annual research forum.
Activity Description: Group for Research with Indigenous Peoples (GRIP), O'Brien Institute for Public Health, annual research forum
- 2015/2
Presenter, Research Uptake Strategies
Target Stakeholder: Elders
Activity Description: Workshop leader for the "First Nations Story telling through Data Workshop Series", co-hosted by the First Nations Health and Social Secretariat of Manitoba, the Federation of Saskatchewan Indian Nations and the Alberta First Nations Information Governance Centre. The workshop topic is on the use of the Non-Insured Health Benefits database to demonstrate prevalence of use of inflammatory arthritis therapies by Status First Nations, and advocacy for changes to the formulary to improve access to medications.
- 2014/1
Principal Investigator, Community Engagement
Target Stakeholder: Elders
Activity Description: Through a Lunch 'n Learn presentation to healthcare staff and Elders, research results on the prevalence of arthritis in First Nations people of Alberta and of the Siksika Arthritis Screening Program were presented. This was followed by a ceremony to launch the new arthritis screening program at the Elbow River Healing Lodge in Calgary.

- 2012/9
 Chair, Community Engagement
 Target Stakeholder: General Public
 Outcome / Deliverable: Strategic planning report, keynote lecture and oral and poster research presentations
 Evidence of Uptake/Impact: Attendance was 19 stakeholders, 75 at keynote lecture and 30 at research presentations
 Activity Description: As Faculty Chair for the 'Group for Research with Aboriginal Peoples for Health' at the University of Calgary, I hosted a stakeholder engagement meeting for strategic planning of future directions for the research group. I organized the keynote presentation, and adjudicated dissemination of trainee and faculty research by oral and poster presentations. This was attended by stakeholders from the major universities/ colleges in southern Alberta, Alberta Health Services, representatives from various Faculties at the University of Calgary, and an Elder.
- 2011/11
 Lead Author, Standards Development
 Target Stakeholder: Academic Personnel
 Activity Description: In November 2011, I hosted an international research meeting at the University of Calgary for investigators involved in high-resolution peripheral quantitative computed tomography research in rheumatology, which was my Masters thesis topic. At the time, each lab had its own method to acquire and interpret images. We gained consensus on the methodology which was subsequently published in the Journal of Rheumatology (2012), and is now the international standard.
- 2011/5
 Principal Investigator, Community Engagement
 Target Stakeholder: General Public
 Activity Description: Annual booth at the Siksika Health Fair to increase awareness of the arthritis clinic held on-reserve, disseminate results of the arthritis screening program, and network with other healthcare services.

International Collaboration Activities

- 2014/5
 Member, Canada
 Member of the OMERACT (Outcome Measures in Rheumatology) Health Equity Special Interest Group. We provide input on incorporation of health equity considerations in rheumatology outcome measures.
- 2011/11 - 2017/1
 Co-Chair, Canada
 SPECTRA (Study group for x-trEme CT in Rheumatoid Arthritis) was founded at the University of Calgary in November 2011. I served as the North American co-chair from 2011-2017. SPECTRA is a collaboration of laboratories from North America, South America, Europe and Asia that conduct validation studies for the use of high-resolution peripheral quantitative computed tomography (HR-pQCT) as an outcome tool in inflammatory arthritis. We have been invited to participate in consecutive American College of Rheumatology Annual Scientific Meetings, as well as OMERACT (Outcome Measures in Rheumatology) which is the rheumatology international standards panel for new outcome measures, as a Special Interest Group.

Presentations

- (2017). Responding to Care Gaps in Rheumatology in Canada: Indigenous Populations. Laurentian Conference of Rheumatology, Montreal, Canada
 Main Audience: Researcher

2. Vimal Prajapati. (2017). Skin, Joints, Entheses and Tendons: Psoriasis and Psoriatic Arthritis Affect Them All!. Tele-Health Session, First Nations and Inuit Health Branch and The Arthritis Society, Calgary, Canada
Main Audience: Knowledge User
3. (2017). Inflammatory Arthritis Care in Indigenous Populations. Society of Rural Physicians of Canada, Calgary, Canada
Main Audience: Knowledge User
4. (2017). Inflammatory Arthritis Treatment in 2017. Society of Rural Physicians of Canada, Calgary, Canada
Main Audience: Knowledge User
5. (2017). Arthritis Care in Indigenous Populations. Indigenous Wellness Program Implementation Management Committee, Alberta Health Services, Red Deer, Canada
Main Audience: Knowledge User
6. (2017). Healthcare Panel. Leadership Exchange, Calgary, Canada
Main Audience: General Public
7. (2017). Responding to Care Gaps in Rheumatology in Canada: Indigenous Populations. University of British Columbia, Division of Rheumatology Rounds, Vancouver, Canada
Main Audience: Knowledge User
8. (2017). Indigenous Health for the Rheumatologist. Basic Skills Course for the Rheumatology Trainee, Vancouver, Canada
Main Audience: Knowledge User
9. (2017). Responding to Care Gaps in Rheumatology in Canada: Indigenous Populations. University of British Columbia Division of Rheumatology Rounds, Vancouver, Canada
Main Audience: Knowledge User
10. (2016). Biologic Therapy Treatment Complications in the Alberta Aboriginal Population with Rheumatoid Arthritis. Canadian Rheumatology Association Annual Scientific Meeting, Lake Louise, Canada
Main Audience: Researcher
11. (2016). Rheumatoid Arthritis: Early Recognition and Treatment. University of Calgary Continuing Medical Education Rural Videoconference, Calgary, Canada
Main Audience: Knowledge User
12. (2016). Healthcare Panel. Leadership Exchange, Calgary, Canada
Main Audience: General Public
13. Dr. A. Loyola-Sanchez. (2016). Learning About the Common Types of Arthritis and Their Treatments. Telehealth Session, First Nations and Inuit Health Branch and The Arthritis Society, Calgary, Canada
Main Audience: General Public
14. (2016). Support for Treatment Decisions in Rheumatoid Arthritis for Indigenous Patients. Peer-support shared decision making as a strategy to support the health of First Nations, Inuit and Metis people, Ottawa, Canada
Main Audience: Researcher
15. (2016). How Can You as a Researcher Respond to the Truth and Reconciliation Commission's Calls for Action?. Arthritis Research Canada Annual Retreat, Vancouver, Canada
Main Audience: Researcher
