### Course Description:

This is the first of the two intermediate-level macro theory courses (the second being ECON 359) required to major in Economics. This course introduces a basic macroeconomic model known as the IS-LM-AD-AS model. The model has numerous applications, some of which we shall discuss in this course. We will also use the model to study the effects of various macroeconomic shocks and policies on the economy.

### Course Outcomes:

After completing this course, students will be familiar with the IS-LM-AD-AS model in both closed and open-economy settings. They will also know how to use the model to study the effects of various macroeconomic shocks and policies on important macroeconomic variables.

4. Medium-Run Equilibrium: AD-AS Model

**Grade Determination and Final Examination Details:**

Assignment 1	10%	Monday, October 7 at the beginning of class
Midterm Test	30%	Monday October 21 in class
Assignment 2	10%	Monday November 4 at the beginning of class
Final Exam	50%	Scheduled by Registrar

The official grading system will be used. See <http://www.ucalgary.ca/pubs/calendar/current/f-1-1.html>.

A passing grade on any particular component of the course is not required for a student to pass the course as a whole.

If a student's letter grade on the final exam exceeds their midterm(s) letter grade, the weight of the midterm(s) is (are) transferred to the final exam. The student must have written the midterm(s) or provided supporting documentation for the absence(s) such as a medical note or statutory declaration.

As per the Writing Across the Curriculum Statement in the Calendar, writing and grading thereof will be a factor in the evaluation of student work. See <https://www.ucalgary.ca/pubs/calendar/current/e-2.html>.

Any student work which remains undistributed after the last day of classes will be available to students through the instructor's office during the instructor's office hours.

The final examination will be comprehensive, scheduled by the Registrar, held in a classroom, and last 2 hours. If a student cannot write their final exam on the date assigned by the Registrar's Office, they need to apply for a deferred exam [www.ucalgary.ca/registrar/exams/deferred final](http://www.ucalgary.ca/registrar/exams/deferred_final). Under no circumstance will this be accommodated by the Department.

Tests and exams **WILL NOT** involve multiple choice questions.

Graphing calculators, cellphones, textbooks, course notes, and other electronic devices will not be allowed during the writing of tests or final examinations. Students are reminded that simply being able to access their cellphone during an exam is academic misconduct.

THERE WILL BE NO MAKEUP OR DEFERRED QUIZZES/TESTS/EXAMS under any circumstances, nor may the quizzes/tests/exams be written early. Students unable to write the quizzes/tests/exams because of documented illness, family emergency, religious observance, or university-sanctioned event will have the weight shifted to the final examination; otherwise a grade of zero will be assigned.
