Grade Determination and Final Examination Details:

Course grades will be determined as follows:

Four Assignments	20%
Midterm Exam - June 7 th (Tentative)	30%
Final Exam – Scheduled by the Registrar (June 28-30)	50%

You will have at least one week to complete each of the four assignments. Assignments must be turned in at the **start** of class on the day that they are due. Late assignments will not be accepted. I encourage you to work together on assignments, but each person must write up and submit their **own** answers.

Tests and final exams are marked on a numerical (percentage) basis, and converted to letter grades. The course grade is then calculated using the weights indicated above. As a guide to determining standing, these letter grade equivalences will generally apply:

A+	90-100	B	72-75	C-	56-59
A	85-89	B-	68-71	D+	53-55
A-	80-84	C+	64-67	D	50-52
B+	76-79	C	60-63	F	0-49

A passing grade on any particular component of the course is not required for a student to pass the course as a whole.

Non-programmable calculators **WILL** be allowed during the writing of tests or final examinations.

There will be a Registrar scheduled final examination, lasting **2** hours.

Tests and exams WILL NOT involve multiple-choice questions.
