Office: SS 438
Office Hours: TR 8:30 – 9:30 Fall 2019

Course Description:

The course is designed to provide an introduction to the study of money, banking, and financial markets. In the context of a unifying, analytic framework, it organizes students' thinking about the structure of financial markets, the foreign exchange markets, financial institution management, and the role of monetary policy in the economy.

Course Outcomes:

The objective is to help students understand how financial markets (such as those for bonds, stocks, and foreign exchange) and financial institutions (banks, mortgage loan companies, credit unions, insurance companies, and mutual fund companies) work and affect their everyday life. Another objective is to provide a thoroughly up-to-date treatment of the latest developments in monetary policy.

Desire2Learn:

This course will make use of the Desire2Learn (D2L) platform. Students who are registered in the course can log on at <http://d2l.ucalgary.ca> through their student centre. Please note that D2L features a class e-mail list that may be used to distribute course-related information. These e-mails go to your University of Calgary e-mail addresses only.

Grade Determination and Final Examination Details:

There will be a midterm test and a two-hour Registrar scheduled final examination. The weights of these in the course grade are as follows:

Midterm (October 24)	50%
Final Examination	<u>50%</u>
	100%

The official grading system will be used. See <http://www.ucalgary.ca/pubs/calendar/current/f-1-1.html>.

Students must receive a passing grade on the final exam to pass the course.

If a student's letter grade on the final exam exceeds their midterm letter grade, the weight of the midterm is transferred to the final exam. The student must have written the midterm or provided supporting documentation for the absence such as a medical note or statutory declaration.

As per the Writing Across the Curriculum Statement in the Calendar, writing and grading thereof will be a factor in the evaluation of student work. See <https://www.ucalgary.ca/pubs/calendar/current/e-2.html>

Any student work that remains undistributed after the last day of classes will be available to students through the instructor's office during the instructor's office hours.

The final examination will be comprehensive, scheduled by the Registrar, held in a classroom, and last 2 hours. If a student cannot write their final exam on the date assigned by the Registrar's Office, they need to apply for a deferred exam www.ucalgary.ca/registrar/exams/deferred_final. Under no circumstance will this be accommodated by the Department.

Tests and exams will involve multiple-choice questions. Non-programmable calculators will be allowed during the writing of tests or final examinations.

Programmable calculators, cellphones, textbooks, course notes, and other electronic devices will not be allowed during the writing of tests or final examinations. Students are reminded that simply being able to access their cellphone during an exam is academic misconduct.

THERE WILL BE NO MAKEUP OR DEFERRED QUIZZES/TESTS/EXAMS under any circumstances, nor may the quizzes/tests/exams be written early. Students unable to write the quizzes/tests/exams because of documented illness, family emergency, religious observance, or university-sanctioned event will have the weight shifted to the final examination; otherwise a grade of zero will be assigned.

Reappraisal of Grades and Intellectual Honesty:
