Grade Determination and Final Examination Details:

There will be two assignments, two midterm exams, and a two-hour Registrar scheduled final examination, which will be held in a classroom. The weights of these in the course grade are as follows:

Assignments	20%
Midterms	40%
Final Examination	<u>40%</u>
	100%

Late work will not be accepted and there will be no make-up or deferred exams. Tests and final exams are marked on a numerical (percentage) basis, and then converted to letter grades. The course grade is then calculated using the weights indicated above. As a guide to determining standing, these letter grade equivalences will generally apply:

A+	96 – 100	B+	81 – 84	C+	68 – 71	D+	55 – 58
A	89 – 95	B	76 – 80	C	63 – 67	D	50 – 54
A-	85 – 88	B-	72 – 75	C-	59 – 62	F	0 – 49

Part marks of 0.5 or above will be rounded up; those below 0.5 will be rounded down.

A passing grade on any particular component of the course is not required for a student to pass the course as a whole.

Non-programmable calculators will be allowed during the writing of tests or final examinations.

Tests and exams WILL NOT involve multiple choice questions.

Blackboard:

This course will make use of Blackboard - students who are registered in the course can log on at <http://blackboard.ucalgary.ca/webapps/login>

Notes:

- Students should be aware of the importance of appropriate sequencing of their courses to meet all the graduation requirements, especially in the Honours program. Honours students should complete MATH 249 or 251, and MATH 211 no later than the second year. This is very important because these courses are prerequisites for ECON 387/389, which in turn are prerequisites for ECON 557/559. Also, STAT 213 should be completed no later than the third year because it is a prerequisite for ECON 315, which in turn is a prerequisite for ECON 419. We suggest that you consult the “Department of Economics Explicit Syllabus”, which is available at <http://econ.ucalgary.ca/programs/undergrad/ES.htm> , or the University of Calgary Calendar. If you want help in designing your program, you should speak with a Student Advisor in the Department of Economics.
- Students seeking reappraisal of a piece of graded term work (term paper, essay, etc.) should discuss their work with the Instructor *within fifteen days* of the work being returned to the class.
- Make-up examinations and deferred examinations will not be given except in cases of extreme personal emergencies. Also, examinations will not be given before the indicated examination dates.
- It is the student's responsibility to request academic accommodations. If you are a student with a documented disability who may require academic accommodation and have not registered with the Disability Resource Centre, please contact their office at 220-8237. Students who have not registered with the Disability Resource Centre are not eligible for formal academic accommodation. You are also required to discuss your needs with your instructor no later than fourteen (14) days after the start of this course.
