Book(s) on Reserve:

A list of specific topics and required readings, including a list of Books on Reserve, will be provided in the first week of lectures.

Course Content:

The course will examine the theoretical basis for social cost-benefit analysis, appraisal techniques for investment projects and public policies, and selected applications.

Grade Determination and Final Examination Details:

The final grade that each student receives will be based on the following weighting scheme:

In-class quizzes	20%
Midterm Examination	15%
Assignments (two)	30%
Final Examination	<u>35%</u>
	100%

(a) In-Class Quizzes

There will be 6 in-class quizzes, the best 4 of which will count toward your course score. Most of these quizzes will use multiple choice format questions.

(b) Assignments

There will be two assignments, each of which is to be submitted at the *beginning* of class on the date due. In exceptional cases they may be handed in *before* that date to the instructor personally. Answers to assignments will be discussed in class shortly after each assignment falls due. For this reason late assignments will be given a score of zero, although you may still wish to have the work corrected and returned without a score being recorded.

Students are encouraged to discuss the assignments with their classmates, but each must write up his or her own answers in his or her own words. Copying or misrepresenting someone else's work as your own is a serious offence which will *not* be tolerated. Your attention is directed to the "Statement of Intellectual Honesty" in the *2011-2012 Calendar*.

(c) Examinations

The midterm examination will be held in class on a date to be announced. The final examination will be scheduled by the Registrar and will last two hours. It will be a comprehensive examination of all material covered in the course. All examinations will be closed-book. Students will *not* be allowed the use of calculators or other aids during any examination.

(d) Course Grades

A numerical score will be determined for each item of work submitted and a final (weighted) percentage score will be determined. A course letter grade will be assigned based upon the following conversion chart for final percentage scores:

A+	90 – 100	B	73 – 76	C-	60 – 62
A	85 – 89	B-	70 – 72	D+	57 – 59
A-	80 – 84	C+	67 – 69	D	50 – 56
B+	77 – 79	C	63 – 66	F	0 – 49

A passing grade on any particular component of the course is not required for a student to pass the course as a whole.

Students seeking reappraisal of a piece of graded term work (including the midterm exam) should discuss their work with the instructor *within fifteen days* of it being returned to class. Re-graded work stands an equal chance of having a higher or lower score assigned. Any term work which is not returned during regular class time may be collected from the instructor during office hours.

(e) Absence from Examinations:

Make-up examinations and deferred examinations will not be given *except in the case of the Final Examination, where this possibility is provided for in the university's Academic Regulations*. Examinations will not be given *before* the indicated examination date. For further information see the *2011-2012 Calendar*.

(f) Academic Accommodations:

It is the student's responsibility to request academic accommodations. If you are a student with a documented disability who may require academic accommodation and have not registered with the Disability Resource Centre, please contact their office at 403-220-8237. Students who have not registered with the Disability Resource Centre are not eligible for formal academic accommodation. You are also required to discuss your needs with your instructor no later than fourteen (14) days after the start of this course.

(g) Blackboard website

This course will make use of *Blackboard*. Students who are registered in the course can log on at <http://blackboard.ucalgary.ca/>

I welcome any comments you may have about the course during the term. When something is not clear during a lecture, do not hesitate to ask questions or to come see me during office hours.
