Grade Determination and Final Examination Details:

Midterm Examinations	20%
Term Project	40%
Final Examination	40%
	<hr/> 100%

Tests and final exams are marked on a numerical (percentage) basis, and then converted to letter grades. The course grade is then calculated using the weights indicated above. As a guide to determining standing, these letter grade equivalences will generally apply:

A+	95 – 100	B	73 - 76	C-	60 - 62
A	85 - 94	B-	70 - 72	D+	56 - 59
A-	80 - 84	C+	67 - 69	D	50 - 55
B+	77 - 79	C	63 - 66	F	0 - 49

Non-programmable calculators WILL be allowed for all exams.
Tests and exams will not involve multiple-choice questions.

There will be a Registrar scheduled final examination, which will be two hours in duration. It will be held in a classroom. The final examination will be comprehensive.
The exact date for the in-class midterm will be announced at least one week in advance.
In cases of documented illness or family emergency, extra weight will be given to the final examination.

Students must receive a passing grade on the final exam to pass the course. As per the Writing Across the Curriculum Statement in the Calendar, writing and grading thereof will be a factor in the evaluation of student work.

Students seeking reappraisal of a piece of graded term work (term paper, essay, etc.) should discuss their work with the Instructor within fifteen days of the work being returned to the class.

Notes:

It is the student's responsibility to request academic accommodations. If you are a student with a documented disability who may require academic accommodation and have not registered with the Disability Resource Centre, please contact their office at 220-8237. Students who have not registered with the Disability Resource Centre are not eligible for formal academic accommodation. You are also required to discuss your needs with your instructor no later than fourteen (14) days after the start of this course.
