### Grade Determination and Final Examination Details:

Your grade will be based on two midterm exams (25% each), a final exam (25%), and assignments (7 assignments for a total of 25%). Late assignments will not be accepted; there will be no deferred exams.

Tests and final exams are marked on a numerical (percentage) basis, then converted to letter grades. The course grade is then calculated using the weights indicated above. As a guide to determining standing, these letter grade equivalences will generally apply:

A+	97-100	B	83-86	C-	70-72
A	93-96	B-	80-82	D+	67-69
A-	90-92	C+	77-79	D	60-66
B+	87-89	C	73-76	F	0-59

A passing grade on any particular component of the course is not required for a student to pass the course as a whole.

Non-programmable calculators will be allowed during the writing of tests or final examinations.

There will be a scheduled final examination, lasting **2** hours.

Tests and exams will not involve multiple choice questions.
