## Course Description

*An introduction to the history, theory and contemporary issues of landscape architecture. Develop a critical awareness of major conceptual frameworks, and the socio-political contexts in which they developed, both conceptually and in realized projects (<https://www.ucalgary.ca/pubs/calendar/current/landscape-architecture.html>).*

## Teaching Approach

The course is designed to provide a theoretical education in the field of Landscape Architecture, focusing on the analysis and interpretation of historic and contemporary theories and projects. The study of history is conceived as a fundamental tool to acquire critical knowledge and design skills that will be further developed in the landscape architecture studio sequence which follows in the Master's Program. The course is divided into the following two broad topic areas: (1) LANDSCAPE ARCHITECTURE HISTORY, and (2) MODERN LANDSCAPE ARCHITECTURE AND CONTEMPORARY VOICES. Each topic area will be the subject of Lectures, by the instructor or a guest lecturer, and of Assignment(s). For further detail, see Section Topic Areas & Detailed Class Schedule.

## Additional Classroom Conduct and Related Information

### Assessment Components

Assessment Method	Description	Weight	Aligned Course Learning Outcome
Assignment #1	<i>Standing on the shoulders of giants</i>	40	1 and 2
Assignment #2	Functions, forms, and meanings	25	1, 2 and 3
Assignment #3	Voices	35	4, 5 and 6

### Attendance and Participation Expectations

Students are expected to be in attendance for the entirety of each class period.

### Guidelines for Submitting Assignments

Students are expected to complete all course assignments on time, and submit a digital copy of the work on D2L by 9:00 AM on the day listed in the schedule unless otherwise directed by the instructor.

### Examinations

The course evaluation will be based on the assignments completed during the term. There will be no final examination.

### Late Assignments

Late submission of material to be presented is not acceptable (grades will be deducted for work submitted later than the deadline specified in the course/assignment brief or as discussed in class).

### Expectations for Writing (<https://www.ucalgary.ca/pubs/calendar/current/e-2.html>):

*Assignment #1* and *Assignment#3* include writing components; the writing quality will be a relevant factor in the evaluation of student work.

### Criteria that must be met to pass

Students must obtain an overall passing grade (i.e. minimum B-) to pass this course, however, if a student fails any phase of the course worth 30% or more they will fail the course. A student who feels that a piece of graded term work (term paper, essay, test, drawings, etc.) has been unfairly graded may have the work re-graded. The student shall discuss the work with the instructor within fifteen days of being notified about the mark or of the item's return to the class. More information can be found in the Graduate Calendar:

<http://www.ucalgary.ca/pubs/calendar/grad/current/gs-o.html>

### Group work

Work will be assigned individually or in groups. Normally, students will receive a common grade for work done in groups; but the instructor reserves the right to evaluate students individually if it appears that the work has been distributed unequally. In this case, the instructor will have a conversation with the group to discuss the distribution of work.

## Grading Scale

Grade	Grade Point Value	4-Point Range	Percent	Description
A+	4.00	4.00	95-100	Outstanding - evaluated by instructor
A	4.00	3.85-4.00	90-94.99	Excellent - superior performance showing comprehensive understanding of the subject matter
A-	3.70	3.50-3.84	85-89.99	Very good performance

B+	3.30	3.15-3.49	80-84.99	Good performance
B	3.00	2.85-3.14	75-79.99	Satisfactory performance
B-	2.70	2.50-2.84	70-74.99	Minimum pass for students in the Faculty of Graduate Studies
C+	2.30	2.15-2.49	65-69.99	All final grades below B- are indicative of failure at the graduate level and cannot be counted toward Faculty of Graduate Studies course requirements.
C	2.00	1.85-2.14	60-64.99	
C-	1.70	1.50-1.84	55-59.99

D	1.00	0.50-1.14	45-49.99	
F	0.00	0-0.49	0-44.99	

A student who receives a "C+" or lower in any one course will be required to withdraw regardless of their grade point average (GPA) unless the program recommends otherwise. If the program permits the student to retake a failed course, the second grade will replace the initial grade in the calculation of the GPA, and both grades will appear on the transcript.

## Guidelines for Zoom Sessions

Zoom is a video conferencing program that will allow us to meet at specific times for a “live” video conference, so that we can have the opportunity to meet each other virtually and discuss relevant course topics as a learning community.

To help ensure Zoom sessions are private, do not share the Zoom link or password with others, or on any social media platforms. Zoom links and passwords are only intended for students registered in the course. Zoom recordings and materials presented in Zoom, including any teaching materials, must not be shared, distributed or published without the instructor's permission.

The use of video conferencing programs relies on participants to act ethically, honestly and with integrity; and in accordance with the principles of fairness, good faith, and respect (as per the [Code of Conduct](#)). When entering Zoom or other video conferencing sessions (such as MS Teams), you play a role in helping create an effective, safe and respectful learning environment. Please be mindful of how your behaviour in these sessions may affect others. Participants are required to use names officially associated with their UCID (legal or preferred names listed in the Student Centre) when engaging in these activities. Instructors/moderators can remove those whose names do not appear on class rosters. Non-compliance may be investigated under relevant University of Calgary conduct policies (e.g [Student Non-Academic Misconduct Policy](#)). If participants have difficulties complying with this requirement, they should email the instructor of the class explaining why, so the instructor may consider whether to grant an exception, and on what terms. For more information on how to get the most out of your zoom sessions visit: <https://elearn.ucalgary.ca/guidelines-for-zoom/>

If you are unable to attend a Zoom session, please contact your instructor in advance to arrange an alternative activity for the missed session (e.g., to review the recorded session). Please be prepared, as best as you are able, to join class in a quiet space that will allow you to be fully present and engaged in Zoom sessions. Students will be advised by their instructor when they are expected to turn on their webcam (for group work, presentations, etc.).

The instructor may record online Zoom class sessions for the purposes of supporting student learning in this class – such as making the recording available for review of the session or for students who miss a session. Students will be advised before the instructor initiates a recording of a Zoom session. These recordings will be used to support student learning only and will not be shared or used for any other purpose.
