Grade Determination and Final Examination Details:

This course will have **two closed book midterms**, each worth 25%, and a two (2) hour **Registrar scheduled closed book final examination** worth 50% that will be held during the final examination period in a gymnasium. No aids, such as textbooks, calculators, or laptops are permitted. It is not essential to pass all examination in order to receive a passing grade in the course. Students are ***strenuously*** advised not to make travel plans until they know their examination schedule.

The midterm and final examinations will be marked on a numerical (percentage) basis. The course grade is calculated by using the weights indicated above and then converted into a letter grade. As a guide to determining standing, these letter grade equivalences will generally apply:

A+ 100, **A** 90 to 99, **A-** 85 to 89, **B+** 80 to 84, **B** 75 to 79,
B- 70 to 74, **C+** 65 to 69, **C** 60 to 64, **C-** 55 to 59, **D+** 50 to
54, **D** 45 to 49, **F** 0 to 44

For additional detailed course information posted by the Instructor Desire2Learn at <https://d2l.ucalgary.ca/d2l/home>

If, for some reason, the distribution of grades determined using the aforementioned conversion chart appears to be abnormal the instructor reserves the right to change the grade conversion chart if the instructor, ***at the instructor's discretion***, feels it is necessary to more fairly represent student achievement.

Dates for the midterms and assignments will be announced during the first week of classes.

The midterm examinations will involve written questions and the final examination will also involve written questions.

Students must comply with the University regulations concerning "Intellectual Honesty," "Examinations," "Plagiarism," etc., which are published in the University Calendar.

The midterm examinations will be held in class on dates to be announced. **THERE WILL BE NO MAKEUP OR DEFERRED EXAMINATIONS** under any circumstances, nor may the examinations be written early. Students unable to write the examination because of documented illness; family emergency or religious

observance will have the weight shifted to the final examination.

Students seeking reappraisal of a piece of graded term work **cannot** discuss their work with the Instructor within the first 48 hours after the grade has been returned in class and **must** discuss their work within 14 days after the grade has been returned in class. Unclaimed work will be available from the instructor during office hours.

Should the writing of a midterm examination for an entire lecture section become impossible due to events beyond the control of the instructor (such as, and not exclusively consisting of; inclement weather, instructor's illness, unavailable facilities, or other "acts of fate") the midterm examination will be written one week later.

WARNING: THIS IS NOT A CORRESPONDENCE COURSE! It is your responsibility to ensure that you attend class. It is not my responsibility to "fill you in" on what you miss if you are absent from a class. I will not answer questions that, in my opinion, are the result of nonattendance or lack of attention in class.

If you are taking this course in expectation of a high grade so as to facilitate dentistry school, law school, medical school or veterinary school admission, please take something else. This course may be "only an option" for you, it is not "only an option" for the instructor.

Examinations will be returned in class. Grades will not be posted on D2L nor will they available in the Geography Office.

USRI

At the University of Calgary, feedback provided by students through the Universal Student Ratings of Instruction (USRI) survey provides valuable information to help with evaluating instruction, enhancing learning and teaching, and selecting courses (www.ucalgary.ca/usri). Your responses make a difference - please participate in USRI Surveys.

Writing across the Curriculum

Writing skills are not exclusive to English courses and, in fact, should cross all disciplines. The University supports the belief that throughout their University careers, students should be taught how to write well so that when they graduate their writing abilities will be far above the minimal standards required at entrance. Consistent with this belief, students are expected to do a substantial amount of writing in their University courses and, where appropriate, members of faculty can and should use writing and the grading thereof as a factor in the evaluation of student work. The services provided by the Writing Support Services can be utilized by all undergraduate and graduate students who feel they require further assistance.

Principles of Conduct

The University of Calgary Calendar includes a statement on the Principles of conduct expected of all members of the University community (including students, faculty, administrators, any category of staff, practicum supervisors and volunteers) whether on or off the University's property. This statement applies in all situations where the members of the University community are acting in their University capacities. All Members of the University Community have a responsibility to familiarize themselves with this statement which is available at: <http://www.ucalgary.ca/pubs/calendar/current/j-2.html>

Plagiarism

Academic dishonesty is not an acceptable activity at the University of Calgary and students are **strongly advised** to read the Student Misconduct section in the University Calendar. Quite often, students are unaware of what constitutes academic dishonesty or plagiarism. The most common are 1) presenting another student's work as your own 2) presenting an author's work or ideas as your own without proper referencing and 3) using work completed for another course. This activity will not be tolerated in this course and students conducting themselves in this manner will be dealt with according to the procedures outlined in the calendar. <http://www.ucalgary.ca/honesty/plagiarism>

Academic Accommodations:

It is the student's responsibility to request academic accommodations according to the university policies and procedures listed below. The student accommodation policy can be found at: www.ucalgary.ca/policies/files/policies/student-accommodation-policy.pdf

Students needing an accommodation because of a Disability or medical condition should communicate this need to Student Accessibility Services in accordance with the Procedure for Accommodations for Students with Disabilities. The procedure can be found at: www.ucalgary.ca/policies/files/policies/procedure-for-accommodations-for-students-with-disabilities_0.pdf

Students needing an accommodation based on a Protected Ground other than Disability, should communicate this need, in writing, to the Instructor.

Freedom of Information and Protection of Privacy

FOIP: The Freedom of Information and Protection of Privacy (FOIP) legislation disallows the practice of having students retrieve assignments from a public place, e.g., outside instructor's office, the department office, etc. Term assignments will be returned to students individually, during class or during the instructor's office hours; if students are unable to pick up their assignments from the instructor, they provide the instructor with a stamped, self-addressed envelope to be used for the return of the assignment.

Re: Posting of Grades and Picking-up of Assignments

- All assignments will be handled personally.
- Grades will **not** be available at Geography's main office.
