2. **Prerequisites:** Geology 201, Mathematics 249 or 251 or 281 or Applied Mathematics 217, Mathematics 253 or 283 or Applied Mathematics 219, Physics 223. See also <http://www.ucalgary.ca/pubs/calendar/current/geophysics.html> .

3. **Grading:** The University policy on grading and related matters is described sections F.1 and F.2 of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Lab Assignments (12)	50%
Final Examination	50% (To be scheduled by the Registrar)

A mark of 30% or higher on the final exam is required in order to pass the course as a whole.

Each piece of work, e.g., assignment or exam(s), submitted by the student will be assigned a percentage score. The score for the exam(s) and the average score for the assignments will be combined with the weights indicated above to produce an overall percentage for the course, which will be used to determine the course letter grade (bearing in mind that an F grade will result if the student's final exam mark is below 30%, regardless of the lab grades). The conversion between course percentage and letter grade is given below. The lower number P in the percent range can be determined from the formula $P = 10 \cdot GPV + 45$, where GPV is the grade point value of the letter grade.

Letter Grade	GPV	Percent	Letter Grade	GPV	Percent
A+	4.0	95-100	C+	2.3	68-72
A	4.0	85-95	C	2.0	65-68
A-	3.7	82-85	C-	1.7	62-65
B+	3.3	78-82	D+	1.3	58-62
B	3.0	75-78	D	1.0	55-58
B-	2.7	72-75	F	0.0	0-55

Scores within 0.5% of the upper boundary of a Percent range (e.g., 77.5%) may or may not be rounded up at the discretion of the instructor (a decision will be made based on the student's performance in the course). For percent grades on a boundary, the higher grade will be chosen (e.g., 75% is a B, not a B-).

4. **Missed Components of Term Work:** The regulations of the Faculty of Science pertaining to this matter are found in the Faculty of Science area of the Calendar in Section 3.6. It is the student's responsibility to familiarize himself/herself with these regulations. See also Section E.6 of the University Calendar
