## Grading Policies

Grades will be awarded as percentages as specified later in this document. Please note that HTST 200 uses a modified version of the History Department's percentage to letter grade formula.

Quizzes will be delivered via D2L's quiz function and will be comprised of 15 randomized multiple-choice questions drawn from a question bank. If these quizzes had been given in person, each would have been 20 minutes in length, but to account for possible technical difficulties, students will have 35 minutes to complete each quiz. Each quiz will be available to be taken over a 24-hour period, from 4:00 p.m. the day before it is due to 4:00 p.m. on the day it is due. Once the quiz is opened during that period, the 35 minutes of the actual exam begins. Students are responsible for starting the exam early enough that the 24-hour period doesn't end before the 35-minute exam ends.

The Midterm and the Final will be delivered via D2L's quiz function and will be comprised of 50 randomized multiple-choice questions drawn from a question bank. If these exams had been given in person, each would have been 50 minutes in length, but to account for possible technical difficulties, students will 75 minutes to complete the exam. Each exam will be available to be taken over a 24-hour period, from 4:00 p.m. the day before it is due to 4:00 p.m. on the day it is

due. Once the exam is opened during that period, the 75 minutes of the actual exam begins. Students are responsible for starting the exam early enough that the 24-hour period doesn't end before the 75-minute exam ends.

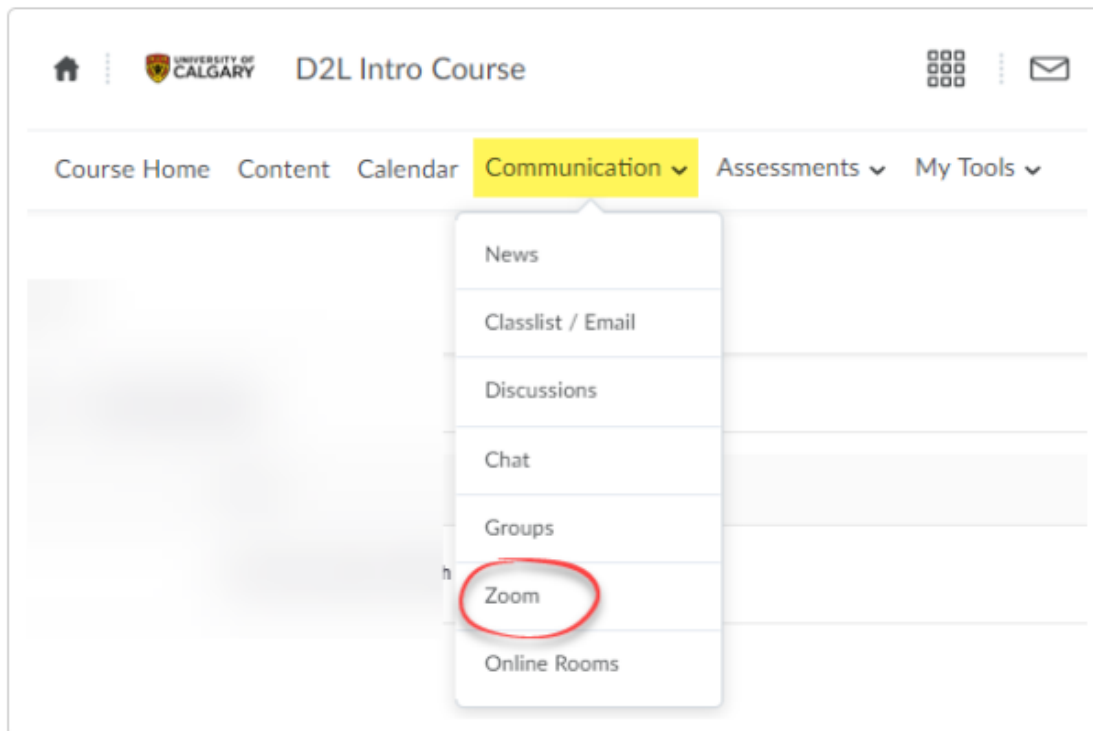

### Missed Assessment Policy

Students are expected to take exams and reading quizzes on the days that they are scheduled. If a student is unable to complete an exam due to illness or other emergency, a make-up exam can be scheduled. Because the lowest mark on the reading quizzes will be dropped, students are generally not offered makeups of the quizzes except in particularly difficult or unusual circumstances.

## Learning Technologies Requirements

There is a D2L site for this course which contains required readings and other relevant class resources and materials (see D2L.ucalgary.ca). In order to successfully engage in their learning

experiences at the University of Calgary, students in this course will need reliable access to the following technology: A computer, tablet, or smartphone with a supported operating system; a current and updated web browser; current antivirus and/or firewall software enabled; broadband internet connection. Optional material include a webcam; a microphone and speaker (built-in or external or headset).

Zoom is a video conferencing program that will allow us to meet at specific times for “live” sessions so that we can have the opportunity to meet each other virtually and discuss relevant course topics as a learning community. To help ensure Zoom sessions are private, do not share the Zoom link or password with others, or on any social media platforms. Zoom links and passwords are only intended for students registered in the course. Zoom recordings and materials presented in Zoom, including any teaching materials, must not be shared, distributed or published without the instructor’s permission. The use of video conferencing programs relies on participants to act ethically, honestly and with integrity; and in accordance with the principles of fairness, good faith, and respect (as per the Code of Conduct). When entering Zoom or other video conferencing sessions (such as MS Teams), you play a role in helping create an effective, safe and respectful learning environment. Please be mindful of how your behaviour in these sessions may affect others. Participants are required to use names officially associated with their UCID (legal or preferred names listed in the Student Centre) when engaging in these activities. Instructors/moderators can remove those whose names do not appear on class rosters. Non-compliance may be investigated under relevant University of Calgary conduct policies (e.g Student Non-Academic Misconduct Policy). If participants have difficulties complying with this requirement, they should email the instructor of the class explaining why, so the instructor may consider whether to grant an exception, and on what terms. For more information on how to get the most out of your zoom sessions visit: <https://elearn.ucalgary.ca/guidelines-for-zoom/> .

Please be prepared, as best as you are able, to join class in a quiet space that will allow you to be fully present and engaged in Zoom sessions.

### **Inclusiveness, Accommodation, and Classroom Conduct**

I am committed to creating an inclusive learning environment for all registered students. If you have conditions or circumstances that require accommodations, you are encouraged to contact Student Accessibility Services and to contact me by email or during office hours to discuss reasonable measures that will ensure your success in this course. Such accommodation may include disability (physical or mental wellness, whether visible or not), the need to nurse or occasionally bring a child to class, the wish to be called a different name or pronoun, assistance with writing, or adjusting deadlines because of personal circumstances.

Part of creating an inclusive learning environment involves respecting your fellow classmates. In meeting any university’s mandate of encouraging free and open inquiry, we will occasionally discuss topics about which you might be uncomfortable or have a set viewpoint. In such situations, it is essential that we understand that others share different experiences and perspectives, and that listening respectfully to and showing tolerance toward opposing viewpoints is part of the process of emerging as active, engaged citizens.

To protect the privacy of others, students may not record in any format any activity that occurs

within the classroom or online. Permission to record lectures will only be given to students registered with Student Accessibility Services. All material in this course, including but not limited to lectures, quizzes, worksheets, handouts, and the textbook, are under the protection of copyright and may not be distributed to third parties under any circumstances.

**Writing:**

All written assignments and written exam responses are assessed partly on writing skills. Writing skills include surface correctness (grammar, punctuation, sentence structure, etc.) and general clarity and organization. Research papers must be properly documented according to the format described in the History Student's Handbook.

D2L: Throughout the course, important material such as lecture outlines and study guides will be regularly posted on D2L. Students are advised to check this regularly.

**Plagiarism:**

Plagiarism occurs when one submits or presents one's work in a course, or ideas and/or passages in a written piece of work, as if it were one's own work done expressly for that particular course, when, in fact, it is not. Please see [The History Student's Handbook](#).

Plagiarism may take several forms:

- Failing to cite sources properly
- Submitting borrowed, purchased, and/or ghostwritten papers
- Submitting one's own work for more than one course without the permission of the instructor(s) involved
- Extensive paraphrasing of one or a few sources, even when referenced properly, unless the essay is a critical analysis of those works

Plagiarism is a serious academic offence, and written work that appears to contain plagiarized passages will not be graded. All such work will be reported to the Faculty of Art's associate deans of students who will apply the penalties specified in the *University of Calgary Calendar*, [Section K](#).

**Academic Accommodations:**

Students needing an accommodation because of a disability or medical condition should contact Student Accessibility Services (<https://www.ucalgary.ca/access/>) in accordance with the Procedure for Accommodations for Students with Disabilities [ucalgary.ca/policies/files/policies/student-accommodation-policy](https://www.ucalgary.ca/policies/files/policies/student-accommodation-policy).

Students needing an accommodation based on a protected ground other than disability should contact, preferably in writing, the course instructor.

**Copyright:**

The University of Calgary has opted out of the Access Copyright Interim Tariff proposed by the Copyright Board. Therefore, instructors in all University of Calgary courses will strictly adhere to Copyright Act regulations and the educational exceptions permitted by the Act for both print and digital course material. No copyrighted material may be placed on course D2L or web sites without the prior permission of the copyright holders.
