NOTES ON MAPLE COMPUTER ASSIGNMENT

(A) WHERE CAN I DO MY ASSIGNMENT?

1. If you are an Engineering student you can do your Maple Assignment in computer labs at EN C 124 on a drop in basis except for the times posted on the door for scheduled classes.

You may also use your own PC if you have Maple installed.

Further information about Printing etc. is available from the web site :

www.eng.ucalgary.ca

2. If you are not an Engineering student and have an IT computer account you can do your Maple Assignment in MS 515 and MS 521 (5 th. floor of the Mathematical Sciences Building) on a drop in basis.

Check the time table posted outside these rooms for availability.

If you don't have an account apply at the 7 th. floor of the Math Sciences Building.

(B) IMPORTANT INSTRUCTIONS:

Your assignment must be done on letter size paper. It must also be stapled and you must have:

a cover sheet clearly displaying:

I. Your U of C ID Number

II. Your Lec and Lab Number

III. Name of your Lab Instructor

Also you must **print** your name on the first page of your assignment (not on the cover sheet).

A copy of a cover sheet you can use is available on the course webpage.
