**Winter 2004**

## **Review for Final Examination**

The final examination takes place Friday, April 23, ENA201, at 15:30-18:30. Seating will be assigned. A standard size formula sheet (both sides) is allowed, no other aids.

A review for the final examination will take place Thursday, April 15, 18:30-20:00, in ICT 121. Students from both L01 and L02 are invited. Sample questions for the review will be given out April 14, and will also be available in an envelope marked AMAT 309 outside my office (MS 430). A little later a sheet with solutions for the sample questions will also be available. - PZ
