Desire 2 Learn (D2L) course name: Math 211 L01 - (Fall 2016) – Linear Methods

Department of Mathematics and Statistics – MS476 Telephone number – 403-220-5210

- Prerequisites:** A grade of 70 per cent or higher in Mathematics 30-1 or Pure Mathematics 30. (Alternatives are presented in C.1 Mathematics Diagnostic Test in the Academic Regulations section of the Calendar). Antirequisite(s): Credit for Mathematics 211 and either 213 or 221 will not be allowed.

URL: <http://www.ucalgary.ca/pubs/calendar/current/mathematics.html>

- Grading:** The University policy on grading and related matters is described sections F.1 and F.2 of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Assignments (10)	15%
Midterm test (1)	35% (Oct. 21 17:30-19:30)
Final Examination	50% (To be scheduled by the Registrar)

A passing grade on the final is required for a student to pass the course.

Each piece of work (assignment, midterm tests or final examination submitted by the student will be assigned a percentage score. The student's average percentage score for the various components listed above will be combined with the indicated weights to produce an overall percentage for the course, which will be used to determine the course letter grade [bearing in

mind that an F grade will result if the student does not pass the final exam], The conversion between the course percentage x and the letter grade is given below:

Letter Grade Conversions	
Letter Grade	% range
A+	>95
A	>88
A-	>84
B+	>80
B	>76
B-	>72
C+	>68
C	>64
C-	>60
D+	>55
D	> = 50
F	< 50

- 3. Missed Components of Term Work:** The regulations of the Faculty of Science pertaining to this matter are found in the Faculty of Science area of the Calendar in [Section 3.6](#). It is the student's responsibility to familiarize himself/herself with these regulations. See also Section E.6 of the University Calendar. In the unlikely event of a health problem, the [Physician/Counsellor Statement Form](#) must be accompanied by either "[Application for Deferred Final Examinations](#)" or an "[Application for Deferment of Term Work](#)" in order to gain approval for such request. For all other missed term work such as quizzes, assignments or midterms, the [Physician/Counsellor Form](#) must be handed directly to your course instructor for approval.
- 4. Scheduled out-of-class activities:** Dates and times of approved class activities held outside of class hours.
