

Continuous Tutorial

Please make use of the Continuous Tutorial for extra help on the course materials, webwork, quizzes and exams. It is running daily starting Jan 15 at MS 365: M, T, W, R, and F 11:00-15:00. There are special days *M, W and F from 11:00-14:00* when students have the opportunity to work one-on-one with the instructor in the room as well in groups using the blackboard to discuss calculus topics based on their needs in a FRIENDLY and FUN atmosphere. No line up whatsoever!
