Desire 2 Learn (D2L) course name: MATH 265 L01 – L05 (Fall 2017) - University Calculus I

Department of Mathematics and Statistics – MS476 Telephone number – 403-220-5210

- Prerequisites:** A grade of 70% or higher in Mathematics 30-1 or Pure Mathematics 30, and a grade of 50% or higher in Mathematics 31. Alternatives to Pure Mathematics 30 are presented in section [C.1](#) Mathematics Diagnostic Test of the University Calendar. It is the student's responsibility to ensure that he/she has the above prerequisites.
- Grading:** The University policy on grading and related matters is described sections F.1 and F.2 of the online University Calendar. In determining the overall grade in the course the following weights will be used:

WileyPLUS Assignments (11)	20%	
Term Tests (2)	40%	(Oct. 19 and Nov 23 rd , 19:00-20:30)
Final Examination	40%	(To be scheduled by the Registrar)

The various components above will be assigned a percentage score and will be combined with the indicated weights to produce an overall percentage in the course. The conversion of the percentage grade to a letter grade is done according to the table below. **A passing grade on the final examination is essential for an overall grade of C- or better.** If the student fails the final examination, a grade of D+ or lower will result. This is to ensure that those students who receive a C- or better have a reasonable chance to succeed in courses that require this course as a prerequisite.

Letter Grade Conversions	
Letter Grade	% range

A+	>95
A	88–94.5
A-	84–87.5
B+	80–83.5
B	76–79.5
B-	72–75.5
C+	68–71.5
C	64–67.5
C-	60–63.5
D+	55–59.5
D	50–54.5
F	<50

3. Missed Components of Term Work: The regulations of the Faculty of Science pertaining to this matter are found in the Faculty of Science area of the Calendar in [Section 3.6](#). It is the student's responsibility to familiarize himself/herself with these regulations. See also Section E.6 of the University Calendar. For all other missed term work such as quizzes, assignments or midterms, the [Physician/Counsellor Form](#) must be handed directly to your course instructor for approval.

4. Scheduled out-of-class activities:

Midterms: October 19th 19:00-20:30 and November 23rd 19:00-20:30

REGULARLY SCHEDULED CLASSES HAVE PRECEDENCE OVER ANY OUT-OF-CLASS-TIME-ACTIVITY. If you have a conflict with any of the above tests, please inform your instructor as soon as possible so that alternative arrangements may be made for you.
