2. **Prerequisites:** A grade of 70% or higher in Mathematics 30-1 or Pure Mathematics 30, and a grade of 50% or higher in Mathematics 31. Alternatives to Pure Mathematics 30 are presented in section C.1 Mathematics Diagnostic Test of the University Calendar. It is the student's responsibility to ensure that he/she has the above prerequisites.

3. **Grading:** The University policy on grading and related matters is described sections F.1 and F.2 of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Webwork Assignments (06)	12%	
Term Tests (02)	38%	(Feb 11 & Mar 17, 19:00-21:00)
Final Examination	50%	(To be scheduled by the Registrar)

The various components above will be assigned a percentage score and will be combined with the indicated weights to produce an overall percentage in the course. The conversion of the percentage grade to a letter grade is done according to the table below. A grade of 40% or higher in the final examination is essential for an overall grade of **C-**, or better. If the student's score in the final exam is less than 40%, a **D** grade or lower will result. This is to ensure that those students who receive a **C**- or better have a reasonable chance to succeed in courses that require this course as a prerequisite.

%	96-100	91-95	86-90	82-85	77-81	72-76	68-71	63-67	58-62	53-57	0-52
Letter Grade	A+	A	A-	B+	B	B-	C+	C	C-	D	F

4. **Missed Components of Term Work:** The regulations of the Faculty of Science pertaining to this matter are found in the Faculty of Science area of the Calendar in Section 3.6. It is the student's responsibility to familiarize himself/herself with these regulations. See also Section E.6 of the University Calendar. In the unlikely event of a health problem, the Physician/Counsellor Statement Form must be accompanied by either "Application for Deferred Final Examinations" or an "Application for Deferment of Term Work" in order to gain approval for such request. For all other missed term work such as quizzes, assignments or midterms, the Physician/Counsellor Form must be handed directly to your course instructor for approval.
