(See Section 3.5C of Faculty of Science www.ucalgary.ca/pubs/calendar/current/sc-3-5.html and Course Descriptions: www.ucalgary.ca/pubs/calendar/current/course-desc-main.html)

3. **Grading:** The University policy on grading and related matters is described sections F.1 and F.2 of the online University Calendar. In determining the overall grade in the course the following weights will be used:

Midterm test (1)	30%	(Out of Class: Nov. 4 th 18:00-19:30)

A passing grade in the Final Examination is essential for an overall grade of D or better in the course. The final grade for the course will be a weighted grade point average of the individual letter grades, using the weighting factors in the table above.

It is the student's responsibility to familiarize himself/herself with these regulations. See also Section E.6 of the University Calendar.
