

# MATHEMATICS 353 ANNOUNCEMENTS

## April 20

### REVIEW

The review for the final exam takes place Thursday April 22, 18:30, in ST 141. It should last 1.5 - 2 hr.

Questions for the review should be posted, hopefully on Wednesday April 21. Since Dr Liao is travelling at that time it may only be possible to post the questions on the L02 website, but all students have access to that website.

Answers for the review questions be given at the review, but will not be posted.

### OFFICE HOURS

P. Zvengrowski will offer office hours on Friday, April 23, 12:00-14:00 (or by appointment). The office is MS 430.

### FINAL EXAM

Formula sheet is allowed, both sides of one sheet of paper or single sides of two sheets. As usual, calculators are not allowed. The seating at the final exam will be alphabetical and by lecture section. Look for an exam paper with your name on it. The final is Monday, April 26, 12:00-15:00, in SB 103.
