

There will be questions from all of the sections in the textbook covered in the course as well as the notes concerning definitions and statements of named theorems.

Proofs of theorems will be selected from the following list:

From the text book:

Theorem: 7.3.1, 7.4.2, 8.3.3, 9.6.3, 9.7.2, 10.3.4, 10.4.5, 10.6.1, 11.3.2, 11.1.5, 11.2.5, 11.6.2, 11.6.4, 11.6.7, 11.7.1.

From the notes on the web: Abel's theorem for power series. Lebesgue's theorem for Riemann integrability.
