

CURRICULUM VITAE

I. BIOGRAPHICAL DATA

NAME: **REG STEWART SAUVE**

BUSINESS ADDRESS: Department of Community Health Sciences
Faculty of Medicine
University of Calgary
TRW Building, #3D14A
Calgary, Alberta T2N 4Z6
Telephone: (403) 220-4294

DATE OF BIRTH: February 13, 1945

CITIZENSHIP: Canadian

PRESENT RANK: Professor

DEPARTMENT: Paediatrics and Community Health Sciences

FACULTY: Medicine

II. ACADEMIC RECORD

Final Degree: MD
Date Completed: May 1969
Institution: University of Western Ontario
City/Country: London, Ontario, Canada

i. Undergraduate

Pre-medicine: The University of Western Ontario, London, 1963-1965

Medicine: University of Western Ontario, London, 1965-1969

ii. Special Professional

Rotating Internship
Foothills Hospital, Calgary, Alberta, 1969-70

Junior Resident, Medicine
Foothills Hospital, Calgary, Alberta, 1971-72

Resident in Paediatrics
Stanford University, Stanford, California, 1971-73

Fellow, Paediatrics
Foothills Hospital, Calgary, Alberta, 1974-75

Summer Program in Epidemiology
Tufts University, Medford, Mass., 1988

iii. Graduate and Post Doctoral

Fellow, Maternal and Child Health,
The University of California at Berkeley, 1973-1974
Degree: MPH

iv. Licensure and Boards

Licentiate: Medical Council of Canada, June 1970

Certification: American Board of Paediatrics, February 1976

Fellowship in Paediatrics. Royal College of Physicians and Surgeons of Canada, April 1976

III. AWARDS AND DISTINCTIONS

Alberta Medical Association, MD Committee Service Award 1988
Alberta Medical Association, MD Committee Service Award 1989
Gold Star Letter for Excellence in Teaching, Class of 1990
Grant Gall lectureship award, Alberta Children's Hospital, April 2001
Award for Long-Standing Service to the Alberta Medical Association and the Medical Profession in Alberta, September 2002
Award for supervisory and teaching contributions to the graduate students in the Department of Community Health Sciences, 2001/2002. Received October 2002
Paper done with S Liu was selected as one of the ten top papers of 2003 by the Center for Excellence in Child Development
Smith Award for Distinguished Achievement, Faculty of Medicine, 2004
Paper done with B Schmidt was selected as one of the top 10 papers of 2004 by the Center for Excellence in Child Development
Selected as one of Alberta's 100 "*Physicians of the Century*" August 2005
Alberta Centennial medal for service to the people and the province of Alberta, January 2006
Calgary Health Region "*People First Award*" 2006
2007 Neonatology Visiting Professorship, Dalhousie University, October 10-12, 2007
Alberta Medical Association Member Emeritus status awarded 2009
CMA Honorary Membership Award, 2010
Canadian Paediatric Society Distinguished Neonatologist award, June 15, 2011
Canadian Paediatric Society Geoffrey C Robinson Award, June 18, 2011

IV. ACADEMIC APPOINTMENTS

1976-1980 Assistant Professor
Paediatrics and Community Health Sciences

	University of Calgary
1980-1990	Associate Professor Paediatrics and Community Health Sciences University of Calgary
1993-1997	Chair, Child Health Research Unit Alberta Children's Hospital, Calgary
1994-1997	Chair, Health Care Research Group University of Calgary
1975-2010	Neonatologist Foothills Hospital, Calgary
1977-2014	Director, Perinatal Follow-Up Program Alberta Children's Hospital, Calgary
1990-present	Professor Paediatrics and Community Health Sciences University of Calgary
1998-2005	Graduate Education Co-ordinator, Department of Community Health Sciences, University of Calgary
1999-2003	Interim Chair, Child Health Research Centre Alberta Children's Hospital
1999- 2001	Regional Director, Division of Neonatology Calgary Regional Health Authority
2001-2007	Academic Director, Division of Neonatology Calgary Health Region
07/02-04/03	Acting Head, Dept of Community Health Sciences
2014-present	Scientist, Alberta Children's Hospital Foundation for Child and Maternal Health

V. EDUCATIONAL ACTIVITIES

i. Undergraduate

Chairman: Continuity Course "The Infant", 1981 to 1988

Co-ordinator: Paediatric Clerkship Program, 1975-81

Lecturer: Continuity Course, Behavioural Unit, 1977-1980
Continuity Course, Newborn Unit, 1977-1980
Continuity Course, Infant Unit, 1981-1999
Continuity Course, Preschool Unit, 1980-1981
Endocrine-Metabolic System, 1979-1988
Cardiorespiratory System, 1978
Ed Psych/SW 574, 1982-1990
Nursing 441, 1978-1979
Nursing 510, 1985-1992
Human Development Course, 2000-2010

Electives: Med 402, 1979-82, 1985-1988

Faculty Advisor: Deepa Francis
Rupesh Chawla
Developmental Interest Group (DIG)
Matt Hicks (MD/PhD Program)
Christy Lynn Cooke

Research Electives:

Supervised: Jessica Abraham
Ronik Kanani
Co-supervised: Sarah Waddock
Darlene Wong

ii. Graduate

Graduate Students Supervised:

Goodman, J: M.Sc., Community Health Sciences. 1980-1983
Thesis: *"High Risk Infant: Concerns of the Mother after Discharge"*

Hodges, M: M.Sc., Community Health Sciences. 1983-86
Thesis: *"The Impact of Jaundice Requiring Treatment on the Establishment of Breast-feeding in Infants"*

Waisman, MS: M.Sc., Community Health Sciences, 1985-1988
Thesis: *"A Description of the Self-Reported Nutrition Counselling Practices of Calgary Family Physicians and the Factors which Influence Them"*

Brown, K: M.Sc., Community Health Sciences. 1986-1989
Thesis: *"Evaluation of an Education Program for Parents of Infants Discharged Home in Oxygen"*

Fraser, W: M.Sc., Community Health Sciences. 1987-1989
Thesis: *"A Randomized Trial to Evaluate the Effects of Early Amniotomy on Labour Duration, the Risk of Dystocia and the Intensity of Maternal Pain in Labour"*

Morrison, D: M.Sc., Community Health Sciences. 1990-1991
Thesis: *"Rehospitalization and use of medical services by very low birth weight infants: Factors in the first year that modify risk"*

- Turner, D: M.Sc., Community Health Sciences. 1990-1991
Thesis: *"Personal and institutional factors affecting the prevalence and duration of breastfeeding"*
- Bischoff, C: M.Sc., Community Health Sciences. 1990-1992
Thesis: *"The detection of hearing loss in high risk infants"*
- Bischoff, C: Ph.D., Candidate. Community Health Sciences, 1993-1996
Thesis: *AA Population-Based Case Control Study of Environmental Tobacco Smoke and Middle Ear Disease in Pre-Schoolers*
- Howson, B: M.Sc., Community Health Sciences, 1991-1992
Thesis: *"Repeat pregnancy in adolescent women"*
- Ding, YM: M.Sc., Community Health Sciences, 1991-1993
Thesis: *"Development and outcome of Severe Retinopathy of prematurity in very low birth weight infants"*
- Wang, Z: Ph.D. Community Health Sciences, 1994-1997
Thesis: *Analysis of Patterns and Determinants of Postneonatal Growth in VLBW Infants Using Modelling Procedures*
- Wang, DM: Ph.D. Community Health Sciences, 1994-1998
Thesis: *Secular Trends of SIDS Mortality and Associated Risk Factors Between 1977 and 1995 in Alberta*
- Wood, S: M.Sc. Community Health Sciences. 1995-1998
Thesis: *Prediabetes and Infant Mortality*
- Wang, JL: Ph.D. Candidate. Community Health Sciences, 1998-2001
Thesis: *"Alcohol Consumption and Major Depression in the Canadian General Population"*
- Barker, C: M.Sc. Community Health Sciences, 2000-2002
Thesis: *Gastrointestinal and Hepatic Complications of Hematopoietic Cell Transplantation*
- Lim, A: M.Sc. Community Health Sciences, 2000-2005
Thesis: *Prevalence and Determinants of Myocardial Dysfunction associated with Severe Traumatic Brain Injury in Pediatrics*
- Yee, Wendy, M.Sc. Community Health Sciences, 2001-Sept 2004
Thesis: *Does the Antenatal Consultation Meet the Perceived Information Needs of the Patient in Preterm or Threatened Preterm Labour?*
- Naseem, Mohammed, MSc. Community Health Sciences, September 2002 – June 2004
Thesis: *Apneic Episodes of Equal to or Greater than 20 Seconds in Pre-term Neonates Exposed to Maternal Cigarette Smoking During Pregnancy*
- Ho, Josephine, MSc. Community Health Sciences, September 2004 – October 2006
Thesis: *Assessment of prevalence and associated risk factors for secondary diabetes in Canadian children*
- Hicks, M: Ph.D. Community Health Sciences, 2000- June 2007
Thesis: *Meconium alcohol and drug screening*
- McNeil, D: Ph.D. Community Health Sciences. 2000-June 2008
Thesis: *The Incidence and Correlates of Feeding Problems in Premature infants Post Neonatal Intensive Care*
- Brar, Sony. MSc Community Health Sciences, 2007-September 2008
Thesis: *Estimation of Cumulative Incidence in the Presence of Competing Risks: Application to Clinical Oncology*
- Zhang S. PhD candidate, Community Health Sciences 2007-2011 (Withdraw)

Thesis: *The Effects of Socioeconomic Status and Neighbourhood factors on perinatal outcomes.*

Soraisham A. MSc. Community Health Sciences 2007-December 2009

Thesis: *Chorioamnionitis and long term outcome of preterm infants*

Al-Hindi, M. MSc. Community Health Sciences 2007-2010

Thesis: *Severe Retinopathy of Prematurity in preterm infants*

Alshaikh, Belal. MSc. Community Health Sciences 2010-2013.

Thesis: *Neonatal and Neurodevelopmental outcome at 36 months in preterm infants who had CONS sepsis in the neonatal period.*

Alwassia Haydi. MSc. Co-supervisor, Community Health Sciences 2010-present

Thesis: *Prevalence and risk factors of hypophosphatemia among very low birth weight infants.*

Salmon Charleen MSc Co-supervisor, Community Health Sciences 2016 – present.

Thesis: *Maternal obesity and pregnancy outcomes*

Graduate Student Supervisory Committees:

Pain, K: M.Sc., Educational Psychology. 1981-1984

Thesis: *"High Risk Infants: A Follow-up Study"*

Parker-Loewen, D: Ph.D., Educational Psychology, 1983-1986

Thesis: *"Effects of Short-Term Interaction Coaching with Mothers of Preterm Infants"*

Sibbald, B: M.Sc. Community Health Sciences, 1993-1996

Thesis: *Perceptions of Health Status and Health Behaviours of Adults with Congenital Heart Disease*

Visser, N: Ph.D. Candidate. 1989-Sept '90. (Withdrew)

Thesis: *"Occupational Factors and Preterm Delivery"*

Craig, C: M.Sc. Community Health Sciences. 1995-1998

Thesis: *Relationship Between Bronchopulmonary Dysplasia in Children of Low Birth Weight and Parent Reported Asthma-Like Symptoms at 7 to 9 Years of Age*

Durant, C.: M.Sc. Community Health Sciences, 1996-1998

Thesis: *Practices of Chiropractors in Paediatric Care*

Xiao, LF: Ph.D. Community Health Sciences, 1995-1998

Thesis: *Congenital Heart Defects among Offspring of Firemen*

Kuhn, S: M.Sc. Community Health Sciences, 1994-1997

Thesis: *Pharyngeal Colonization with Respiratory Viruses and the Likelihood of Group A Streptococcus (GAS) Persistence After GAS Pharyngitis*

Zamora, S: M.Sc. Community Health Sciences, 1995-1997

Thesis: *Crohn's Disease: Investigation of Intestinal Permeability Across Families of Affected Children*

Kmet, Leanne M: MSc. Candidate Community Health Sciences, 1997-1999

Thesis: *"A Small Area Study of Motor Vehicle Crash Fatalities in Alberta"*

Izadnegahdar, Mona: MSc. Candidate Community Health Sciences, 1998-2001

Thesis: *"Antibiotic Use for Prolongation of Pregnancy in Women with Preterm Labour or Premature Rupture of Membrane"*

Raj, S: M.Sc. Community Health Sciences, 1999-2002

Thesis: *Economic Evaluation of 5 Strategies for the Prevention of Neonatal Group B Streptococcus Disease in Alberta*

- Humbke, K: (nee; Gibson, K): Ph.D. Psychology, 1999-2002
Thesis: *Social competence in VLBW Infants*
- Chen, Sophie: MSc candidate Community Health Sciences, 2002-2005
Thesis: *Maternal Risk Factors for Cesarean Delivery in Alberta*
- Fenton, Tanis: PhD. Community Health Sciences, September 2003 – July 2005
Thesis: *A prospective population-based cohort study of the association of urine measures of acid-base metabolism with bone loss and fractures in adults.*
- Graystone, Amber: MSc. Community Health Sciences, August 2005 – September 2006
Thesis: *Tetranucleotide repeat polymorphism in Aromatase and Endometrial Cancer Risk in Postmenopausal women.*
- Huang, Ling: MSc: University of Ottawa, September 2004 – September 2006. Thesis: *Impact of advanced maternal age on the risk of stillbirth.*
- Kostas, Xanthoula: MSc. Community Health Sciences, Sept 2002 – Aug 2008.
Thesis: *Parenting Stress, Well-Being, and Resiliency among Mothers of Multiple Births in Urban Alberta*
- Kingston, Dawn: PhD. McMaster University, 2006-2009.
Joint STIRRHS-PHAC fellow in Perinatal Health Care.
- Specogna, Adrian: PhD. Community Health Sciences, 2007-2012.
Thesis: *Defining Neurologic Changes in Acute Intracerebral Hemorrhage (ICH)*
- Soon, Ing: MSc: Community Health Sciences. 2010 – 2012
Thesis: *The colectomy outcome in childhood-onset ulcerative colitis: A population-based study*
- Zadunayski, A: MSc, Dept of Medical Bioethics, 2007-2012.
Thesis: *Legal and ethical implications of newborn screening for prenatal exposure to drugs and alcohol.*
- Mawji, Aliyah: PhD, Community Health Sciences. 2009-2011
Thesis: *The incidence of Plagiocephaly, referral mechanisms and patterns of health service utilization in Calgary.*
- Kim, J: MSc candidate, Community Health Sciences, 2010 – present.
Thesis: *Comprehensive strategy to decolonize methicillin resistant staphylococcus aureus in the outpatient setting: a Randomized Controlled Study.*
- Boffa, Jody: PhD candidate, Community Health Sciences 2012-present
Thesis: *Evaluating the effectiveness of 6-month Isoniazid preventive therapy amongst people living with HIV in KwaZulu-Natal, South Africa.*
- Lee, Yoonshin: MSc candidate, Community Health Sciences. 2013-present
Thesis: *The role of feeding practices in the relationship between Postpartum depression and child growth*
- Eveline Konje. PhD candidate, Co-supervisor, Community Health Sciences 2013-present. Thesis: *Relationship between place of delivery and maternal and infant health outcomes in NW Tanzania*

Premji, S.: Ph.D., McMaster University, 2000
Horta, B.L.: Ph.D., McGill University, 2001
Allen, V: MSc, University of Toronto, 2001
Pendlebury, J: MSc, University of Calgary, 2004
Whitehead, E: MSc, Dalhousie University, 2004
Jennifer Lowden: MSc, University of Calgary, 2006
Roy, Amitra: PhD, University of Calgary 2010.
Niven, Dan: PhD, University of Calgary 2015.

Course Chairman and Lecturer:

MDSC 755.36 (formerly 647.03, 649.04): Current Concepts in Epidemiology: Maternal and Child Health, renamed Perinatal Epidemiology, 1984-2004, 2007.

MDSC 647.03: Current Concepts of Epidemiology: Epidemiology and Prevention of Developmental Disabilities, 1991, 1993, 1995, 1998.

MDSC 647.01 Health Research Methods I: Fundamentals of Epidemiology, Chair 2000, Lecturer 2002-2004.

MDSC 709 Advanced Epidemiology, (Co-chair) 2000 - 2004

MDSC 659.02 Health Research Methods II (Chair) 2003

MDSC 755.84 Systematic Reviews and Meta-analysis 2005- present (Co-chair with W Ghali)

MDSC 647.15 Clinical Epidemiology 2007- 2013 (Co-chair with W Ghali, B Hemmelgarn, D Rabi)

Lecturer:

EDPS 544: Learning Problems, 1984-85

MDSC 751.08 (formerly 819): Current Concepts in Neonatology, 1984, 1986, 1988, 1989

MDSC 659.02 Health Research Methods II; Lecturer 2002

MDSC 645.16 Global Health and Development, 2001 – present

Epidemiology and Demography. (10 lectures) Bugando College of Health Sciences, Mwanza, Tanzania, 2010-present.
MDCH 647. Clinical Epidemiology (2 lectures). 2014, 2015, 2016

iii. Post-Graduate

Resident Teaching:

Clinical supervision of Residents (Pediatrics, Family Practice, Anaesthesia, Obstetrics) and Fellows (Neonatology), Neonatal Intensive Care Unit, Foothills Hospital and Special Care Nursing, Rockyview Hospital., 1977-2009.

Clinical supervision of Residents (Pediatrics and Family Practice) and Fellows (Neonatology, Obstetrics, Developmental Pediatrics), Perinatal Follow-up Program, Alberta Children's Hospital 1977-2014.

Critical Appraisal course for Neonatology fellows 2003-2014

Lecturer, Pediatric Resident Core Lecture Series

Community Medicine Resident Practice Examinations

Resident Research Course (1 lecture), 2009-2016

Post-doctoral Student Supervision:

Zhang Xue Ming, PhD. 1989-1990

Dayer-Zamora, Veronique, Research Mentor, 1996-1997

Wade, Terry, PhD. 1998-1999

Brown, David, PhD. 1998-2001

Kumar, Praveen, Research Mentor, 2001-2002

Premji, Shahirose, PhD. 2001-2002

iv. Continuing Medical Education

Presentations:

1. **Sauve, R.** High risk infants. Pediatric Refresher Course, February 1977.
2. **Sauve, R.** Parenteral Nutrition. Pediatric Refresher Course, March 1978.
3. **Sauve, R.** Infant Feeding Workshop. Pediatric Symposium: Back to the Basics. The University of Calgary, 1980.
4. **Sauve, R.** Infant Feeding. Presentation to Medical Staff. Fort McLeod Hospital, March 1980.

5. **Sauve, R.** Neonatal Follow-up. Intrapartum Refresher Course for Family Physicians. Foothills Hospital, October 1980.
6. **Sauve, R.** Drug Excretion in Breast Milk. Intrapartum Refresher Course for Family Physicians. Foothills Hospital, October 1980.
7. **Sauve, R.** Follow-up of High Risk Infants. Continuing Education Program on High Risk Infants. Foothills Hospital, November 1981.
8. **Sauve, R.** Introduction to Infant Feeding: The Rationale for Health Professionals. Continuing Education Session. The University of Calgary, February 1981.
9. **Sauve, R.** Breastfeeding Up-date. Perinatology Teleconference, April 1982.
10. **Sauve, R.** New Approaches to Aggressive Intervention in Neonates. Family Practice review and update, November 1983.
11. **Sauve, R.** Perinatal Asphyxia. Regional Perinatal Program Teleconference. Taber, Alberta, September 1984.
12. **Sauve, R.** Perinatal Morbidity Project Seminar. Department of Community Health Sciences, 1987.
13. **Sauve, R.** Office management of the high risk infant. Presentation at CME Conference on Pediatric, Obstetric and Newborn Care, Calgary, January 22, 1988.
14. **Sauve, R.** Neonatal problems: When will the NICU grad catch up? Presentation at Family Practice Review and Update course, Calgary, November 1988.
15. McMillan DD, **Sauve R.** The age of viability in the 1990's. Regional Perinatal Education Teleconference, March 13, 1990.
16. **Sauve, R.** Umbilical vessel catheterization. Pediatrics, Obstetrics and Newborn Care Conference, University of Calgary, March 15, 1990.
17. **Sauve, R.** The outcome of very low birthweight infants in Alberta. Continuing Care Conference, The University of Calgary, November 9, 1990.
18. **Sauve, R.** Infant Nutrition during the first six months. Pediatric Update. General Pediatrics in the 1990's. Calgary General Hospital. October 3, 1991.
19. **Sauve, R.** Growth and developmental review of the preterm, term and developmentally-handicapped child. Mount View Health Unit Home Care Staff, November 1991.
20. **Sauve, R.**, Foteau, D. Drugs and lactation. Calgary Therapeutics Course, April 1992.
21. **Sauve, R.** Discharge of low risk infants. Obstetrics and Neonatal Update, March 1992.

22. **Sauve, R.** Perinatal Clinical Trials. Neonatology Rounds, March 1992.
23. **Sauve, R.** Multicenter perinatal clinical trials. Health Care Research Seminars, The University of Calgary, January 1992.
24. **Sauve, R.** Long-term sequelae of NICU graduates. Kids with chronic diseases. Pediatric Update. Calgary General Hospital, November 1992.
25. **Sauve, R.** Physician's role in health information utilization and resource management. Hospital Medical Records Institute Regional seminar program, November 1992.
26. **Sauve, R.** The lowest birthweight infants: who beats the odds. Health Care Research Seminar. The University of Calgary, January 22, 1993.
27. Foulston C, **Sauve R.** Infant feeding for the first year. Southern Alberta Perinatal Education Teleconference, May 4, 1993.
28. Innis S, **Sauve R.** Infant Nutrition: Medical Management Conference on Breastfeeding: The gold standard for infant nutrition. The University of British Columbia and the BC Reproduction Care Program, December 1994.
29. Reed J, **Sauve R.** Breastfeeding and the preterm baby. Conference on Breastfeeding: Contemporary issues for physicians. The University of Calgary, September 1994.
30. Geggie, J, **Sauve R.** Feeding the child with complex needs. Conference on: Difficulties in feeding children: Challenges in practice. The University of Calgary and Alberta Children's Hospital, March 1994.
31. **Sauve R.** Critical appraisal skills for neonatologists. Neonatology seminars, January 1998.
32. **Sauve R.** Critical appraisal in child health. CHRU seminar; January 1998.
33. **Sauve R.** Preterm infants; long-term outcome. Therapeutics course for family physicians, February 1998.
34. **Sauve R.** Trends in outcomes of preterm infants. Presentation at Parents' Night. ACH, February 1998.
35. Dewey D, **Sauve R.** The 5-Year Outcomes of Infants Who Weighed Less Than 1000 g at Birth: A Study in Progress. Child Health Research Unit Seminar, June 1999.
36. **Sauve R,** Johnson D. Current Research Activities. Child Health Research Unit Seminar, February 2001.
37. **Sauve R.** Health Canada: Overview of the Perinatal Surveillance System. Community Health Sciences Seminar, February 2001.

38. **Sauve R.** Health Canada: Overview of the Perinatal Surveillance System. Child Health Research Unit Grand Rounds, May 2001.
39. Harder J, **Sauve R.** Long term outcomes of children with severe congenital heart disease. Paediatric Grand Rounds, September 10, 2003.
40. **Sauve R.** Clinical challenges in infant feeding and nutrition. Advances in Pediatric Medicine. University of Alberta, Edmonton, October 25, 2003.
41. **Sauve R.** National and Regional Neonatal Outcome Data: How are we doing? Neonatology Update, University of Calgary, Calgary Alberta, May 1, 2004.
42. **Sauve R.** Newborn Hearing Screening: Closing the Loop. Invited Grand Rounds, Sparrow Hospital, East Lansing Michigan, May 13, 2004.
43. **Sauve R.** Formulating Research Questions and CATS. NICU seminar. Sparrow Hospital, East Lansing Michigan, May 13, 2004.
44. **Sauve R.** The impact of long term follow-up results on neonatal/perinatal care. Presentation at 3rd Annual Research Day, Translational Research: Bench to Bedside. Department of Pediatrics and Human Development. Michigan State University. College of Human Medicine. East Lansing Mi. May 14, 2004.
45. **Sauve R.** Nutrition in the first year of life. Satellite Symposium, Canadian Paediatric Society Annual Meeting, Montreal PQ, June 19, 2004.
46. **Sauve R.** Regression analysis and clinical significance. Neonatal Grand Rounds, Calgary, January 2008.
47. Wood S, Ross S, **Sauve R.**, Chen S. Cesarean section and the risk of subsequent unexplained stillbirth. SOGC Meeting 2007.
48. **Sauve R.** Systematic Reviews in Clinical Practice. University of Calgary. Therapeutics Course. 2010.
49. **Sauve R.**, Akierman A. Current practices in preterm infant feeding before and after hospital discharge. Community Paediatrics Update. 2010.
50. **Sauve R.** Infant Feeding: Current Progress. Satellite Symposium. Canadian Paediatric Society, June 2010, Vancouver BC.
51. **Sauve R.** Maternal and Infant mortality: Current Issues. Community Health Sciences Seminar Series. November 2010.
52. **Sauve R.** The complex therapies registry. CME program in Neonatology, Hospital for Sick Children, Toronto. March 6, 2013.

53. **Sauve R.** Perinatal Surveillance in Canada. Presentation to Fellows in Neonatology, Hospital for Sick Children, Toronto. March 7, 2013.
54. **Sauve R** Clinical Epidemiology, Neonatology Grand Rounds. 2013.

v. Organizations:

Planning Group, Conference on Paediatric, Obstetric and Newborn Care, 1988
Planning Group, Conference on LBW Infant Outcomes, 1990
Planning Group, Heinz Paediatric Seminar, 1989
Planning Group, Focus in Health Research, 1996
Planning Committee, Ross Conference on the NICU Environment, Val David, Quebec, 1994
Chair, Neonatal Follow-Up Day, Child Health Research Symposium, 1996
Planning Committee, Annual Child Health Research Symposium, 1993-present
Planning Committee, Student Conference, Canadian Society of Epidemiology and Biostatistics, 1998; CSEB Conference planning 2007.
Abstract Selection Committee, Irish-American Paediatric Society, 1993
Abstract Selection Committee, Canadian Society of Epidemiology and Biostatistics Annual Meeting, 1999
Abstract Selection Committee, Canadian Society of Paediatrics, Nutrition Section 1984-90, Neonatal/Perinatal Section 1998-2000
Planning Committee, CPS Seminar on Alternate Health Care Providers in Neonatology, 1999
Planning Committee, CPS Seminar on Fetal Alcohol Syndrome, 2000
Planning Committee, CPS Seminar on Bioethics, 2001
Planning Committee, Canadian Cochrane conference, Edmonton, November 2001
Planning Committee, Consensus Conference on low birth weight, Calgary, 2007
Child and Youth Health Institute Advisory Board, CIHR, 2009-present
Abstract Selection Committee, Society for Perinatal Epidemiologic Research Annual Meeting, 2011

VI. ADMINISTRATIVE RESPONSIBILITIES

i. Departmental

Pediatrics:

Member, Department of Pediatrics, 1976-present
Member, Division of Neonatology, 1976-present
Member, Division of Developmental-Behavioral Pediatrics, 1987-1994
Acting Director Neonatology, Sept. 1987-Feb 1988
Regional Director, Division of Neonatology, 1998-2001
Academic Director, Division of Neonatology, 2001-2007.
Director Perinatal Follow-up Program, 1977-2014
Paediatric Executive Committee, 1998-2001

Child Health Advisory Committee, 1998-2001
Chair, Child Health Research Unit, 1993-1997
Member of Steering Committee, Child Health Research Group, 1998-2006
Interim Chair, Child Health Research Centre, 1998-2003

Community Health Sciences:

Member, Department of Community Health Sciences, 1976-present
Acting Head, Department of Community Health Sciences, 2002-2003
Research Committee, 1979-81, 85-87, 89-94
Member, Graduate Education Committee, 1993-95, 1998-2005
Coordinator, Graduate Education, 1998-2005
Member, Executive Committee, 1998-2003
Chair, Supervisory and Teaching Faculty Committee, 1998-2005
Council of Professors, Community Health Sciences, 2004-2011
Interim Graduate Program Director, 2015

ii. Faculty

Dean's Subcommittee on Objectives, April-July 1978
Search Committee, Chair, Department of Community Health Sciences, 1978
Nominating Committee, 1980-1981
Medical School applicant interviews, 1981-1983
Ad hoc group to review curriculum nutrition content, 1986
Student Appeals Committee, 1987-1988
Search Committee, Chair, Department of Paediatrics, 1992
Search Committee, Chair in Paediatric Research, 1991, 1999, 2001
Search Committee, Chair in Paediatric Gastroenterology, 1999
Headship Review Committee, Community Health Sciences, 1999
Faculty of Medicine Graduate Education Committee, 1998-present
Headship Selection Committee, Community Health Sciences, 2002
Headship Review Committee, Pediatrics, 2003

iii. University

Member, Council of Faculty of Graduate Studies, 2000-2007
Chair, Ad hoc. Faculty Appeals Committee: April 2003
MMI Medical School Applicant examinations February 2014 - present
SAM (Student Advisor for Maltreatment) February 2016 - present

iv. Hospital – Alberta Health Services

Foothills Hospital Site:

Member, Medical Staff, 1976-present
Pharmacy and Therapeutics Committee, 1976-1982
Nutrition Support Service, Member, 1976-77, 1994-1996, 1999-2001
Nutrition Support Service, Chairman, 1977-81, 1997

Nursery Management Committee, 1977-1997
Ad Hoc Planning Group, Obs/Neo Renovations, 1987-1988
Perinatal Mortality Committee, 1989-1990
Member, Perinatal Parents' Groups 1991-1993, 1998-present
PCOP Steering Group on early postpartum discharge, 1993-1996
Infection Control Committee, 2000-2001
Consultant to Breastfeeding Clinic, 1993-2002
Regional Director, Division of Neonatology, 1998-2001

Alberta Children's Hospital Site:

Member, Medical Staff, 1977-present
DAT Clinic Director's Group, 1984-1995
DAT Policy and Priorities Committee, 1991-1997
Health Records Committee, 1992-1997
Medical Advisory Committee, 1992-1997
ACH Research Committee, 1988-1992, 1994-1997
Travel Grants Subgroup, Research Committee, 1994-1997
Advisory Committee, Alberta Congenital Anomaly Surveillance System, 1997-present
Alberta Children's Hospital Research Institute. Grant Review Committee, 2013

Rockyview General Hospital Site:

Medical Planning Committee, 1987-1988
Calgary Health Services, Day Care Nutrition Advisory Group, 1991

v. Other

Chairman, Biannual Nutrition Committee Meetings, Canadian Paediatric Society, 1983-1990
Platform Session Chairman, Canadian Paediatric Society Annual Meeting, 1987-1990
Planning Group, Heinz Pediatric Seminars, 1989
AMA Liaison Member, Hospital Medical Records Institute, Alberta Users Group, 1989-1995
Day Care Nutrition Advisory Group, Calgary Health Services, 1991
Board of Directors, Vocational Research and Rehabilitation Institute, 1991-1996
Chairman, Annual Meeting of Follow-Up Interest Group, Neonatal-Perinatal Section, Canadian Pediatric Society, 1991, 1992, 1993
Abstract Selection Committee, Irish-American Pediatric Society, 1993
Planning Committee, Focus in Health Research, 1996
Chair, Session at CPS Annual Meeting, 2003

VII. PROFESSIONAL ACTIVITIES

i. Membership in Professional and Learned Societies

Pediatrics:

Alberta Pediatric Society

VII. Professional Activities

American Academy of Pediatrics
Canadian Paediatric Society
District VIII, Perinatal Section, American Academy of Pediatrics
Reproductive Care Committee, Alberta Medical Association 1982-1990, 1998-present

Community Health:

Alberta Public Health Association
American Public Health Association
Canadian Public Health Association
Canadian Association of Teachers of Preventive Medicine
Society of Medical Officers of Health
Canadian Society of Epidemiology and Biostatistics
Society of Pediatric and Perinatal Epidemiologic Research, 2006-present

General Medical/Faculty:

Alberta Medical Association
Canadian Medical Association
Canadian Medical Protective Association
University of Calgary Faculty Association

ii. Professional Service

Grant Panels:

Grant Review Committee #43 – NHRDP, 1988
Grant Review Committee #60 - NHRDP, 1989-1992
Grant Review Committee #403 – NHRDP, 1993-1995
Psychosocial and Behavioral Committee-MRC, 1998, 1999
Population Health, CIHR, 2000
Clinical Trials A, CIHR, 2002-2006
Clinical Research, CIHR, 2009 – present
CIHR Foundation Grant Reviews 2015-present

External Grant Reviews:

NHRDP - 1987-1993
Ministry of Health, Ontario, 1988-present
Alberta Children's Hospital Foundation, 1988-present
Alberta Foundation for Nursing Research, 1984
Canadian Institutes of Health Research, 1989-present
Joint Ethics Committee, Foothills Hospital and University of Calgary, 1988-present
Physicians Services, Inc. Foundation, Ontario, 1990-present
Sick Children's Hospital Foundation, 1990-present
Manitoba Health Services, 1990-present
Easter Seal Research Institute, 1990
Social Sciences and Humanities Research Council of Canada, 1991
Alberta Lung Association, 1998

VII. Professional Activities

Children's Hospital of Eastern Ontario Research Institute, 2002
Canadian Population Health Initiative Research Program, 2001
CLS Health Services Research Funding Competition, 2002
Physician's Services Incorporated Foundation, 2002, 2010
Canadian Foundation for Innovation, 2008, 2010.
NIH, 2010.

Journal Reviews:

Journal of Nutrition Research
National Institute of Nutrition Reviews
Infant Nutrition Institute (In Touch)
Pediatrics and Child Health (Member of Editorial Board, 2002-2006)
Canadian Dietetic Association Journal
Canadian Journal of Behavioural Sciences
Pediatrics
Pediatric Research
Canadian Medical Association Journal
Child
Journal of Pediatrics
Journal of Perinatology
BMC Pregnancy and Childbirth
Human Development
Journal of Psychosomatic Obstetrics and Gynecology

External Referee for promotion

Dr Geoffrey Dougherty
McGill University Montreal Quebec

Dr Linda Dodds
Dalhousie University, Halifax Nova Scotia

Dr Karen Campbell
University of Western Ontario, London Ontario

Dr Doris Yuen
University of Western Ontario, London Ontario

Dr Marilee Allen
Johns Hopkins University, Baltimore USA

Dr KS Joseph
Dalhousie University, Halifax Nova Scotia

Dr Elizabeth Asztolos
University of Toronto, Toronto Ontario

VII. Professional Activities

Dr Shi Wu Wen
University of Ottawa, Ottawa Ontario

Dr Horatio Oseowich
University of British Columbia, Vancouver BC.

Dr Sarah McDonald
McMaster University, Hamilton Ontario

Provincial Committees:

Southern Alberta Perinatal Advisory Committee, 1978-2003
Alberta Perinatal Program Advisory Committee, 1986-1995
Reproductive Care Committee, Alberta Medical Association, 1988-2005
Reproductive Care Committee, Alberta Perinatal Program, 2006 - present
Steering Committee for Complex Invasive Therapy Registry, 1998-present
Co-chair, Alberta Perinatal Program Advisory Committee, 2003-2009
Expert Advisory Committee on Newborn Metabolic Screening for Inborn Errors of Metabolism and Cystic Fibrosis, AHW, 2006
Expert Advisory Committee on Newborn Hearing Screening, AHW, 2007
Chair, Expert Advisory Committee on Assisted Reproductive Technology, AHW, 2007

National Committees:

Canadian Paediatric Society:
Nutrition Committee, Member, 1981-present, Chair 1984-1990, Consultant 1990- 2004
Section of Neonatal/Perinatal Medicine, 1989-present, Chair 1998-2000
Section Nominating Committee, 2000, Chair of Follow-Up Interest Group 1989-1996
CPS Nominating Committee, 1985
Task Force on Therapeutic Nutritional Products, 1987-1990
Quality Out-of-Home Child Care Project, 1988-1992
Fetus and Newborn Committee, 1996-1999
Committee on Clinical Testing of Preterm Infant Formulas, Health Canada, 1992-1996
Infant Nutrition Advisory Council, Member, 1985-1989
National Institute of Nutrition, Member, 1985-1996, Board of Trustees 1989-1996
Awards Committee, Canadian Dietetic Association, 1985
Hospital Medical Records Institute, Alberta User Group 1989-1994, National Policy Committee 1989-1994
Canadian Institute of Health Information, Physician Review Committee for ICD-10, 1999-2000, 2002
Canadian Institute of Health Information, Classification Advisory Consultant group, 2004-present, Chair 2015-present
Canadian Perinatal Clinical Trials Group, 1991-1996
Scientific Advisory Committee, Clinical Epidemiology Unit, Women's College Hospital and the University of Toronto, 1994-2000
Canadian Society of Epidemiology and Biostatistics, Member 1992-present, Vice-President 1995-99, Nominating Committee 2001

VII. Professional Activities

Ross/Abbott Laboratories Hospital Feeding System Advisory Board, 1999-present
Committee on Breastfeeding, 1995-1997

Canadian Perinatal Surveillance System:

Steering Committee Member, 1999-2001

Steering Committee Chair 2001-present

Fetal Infant Health Study Group, 1999-present

Abortions and Congenital Anomalies Study Group, 1999-2001

Maternal Health Study group, 2001-present

Maternal Experiences Survey Steering Committee, 2001-2009

Canadian Working Group on Childhood Hearing, 2000-2006

Joint CPSS-FNIHB Committee on First Nations, Inuit and Metis Infant Mortality
2006-present

Visiting Scientist, Bureau of Reproductive Health, Health Canada, 2001-2009

Chair, External Advisory Committee, CPSS, Public Health Agency of Canada, 2012-
present

Canadian Institute of Health Information. Early Child Development External Advisory
Committee, 2016

International Committees:

American Academy of Paediatrics, Committee on Nutrition, 1984-1990

American Public Health Association, Neonatal Follow-Up Committee, 1987-1991

Government Agencies:

Southern Alberta Perinatal Advisory Committee, 1978-1995

Alberta Perinatal Program Advisory Committee, 1986-1995

Chair, Clinical Testing of Preterm Formulas Committee, Health Canada, 1992-1996

VIII: Research Activities**GRANTS HELD**

<i>DATE</i>	<i>GRANTING AGENCY</i>	<i>AMOUNT</i>	<i>PROJECT</i>
Sept 1977	University of Calgary Endowment Fund	\$2,500	Initial Development of Follow-Up Program
Nov 1978	Alberta Children's Hospital Foundation	\$74,051	Monitoring the Process and Outcome of Perinatal Care
May 1979	Alberta Heritage Fund, Cancer	\$8,960	Nutritional Status of Children with Cancer
Sept 1979	Foothills Hospital Research Foundation	\$2,500	Breast Milk Banking Manual
Sept 1983	Alberta Children's Hospital Foundation	\$3,298	Pilot Project: Early Indication of Learning Disabilities
May 1984	Foothills Hospital Research Foundation	\$1,000	Cytomegalovirus in Expressed Breast Milk
Oct 1984	Bronfman Foundation Alberta Children's Hospital Foundation	\$24,722	Early Indication of Learning Disabilities
May 1986	Department of Hospitals and Medical Care, Province of Alberta	\$145,515	Monitoring Perinatal Morbidity: A Pilot Project
Aug 1987	*Medical Research Council of Canada	\$220,000	Canadian Multicentre Randomized Controlled Trial of the Treatment of Threatened Pre-Term Delivery: Infant Follow-Up
Nov 1987	Burroughs-Wellcome Co.	\$12,000	Multicenter Exosurf Trial: One-Year Infant Follow-Up
Feb 1989	Burroughs-Wellcome Co.	\$60,000	Multicenter Exosurf Trial: Two-Year Follow-Up
Apr 1989	Medical Services Inc.	\$6,846	Held with N. Singhal. Neonatal Apnea Study.
Nov 1989	Center for the Advancement of Health	\$10,000	Longitudinal Growth Patterns in Preterm Infants
Apr 1991	Burroughs-Wellcome Co.	\$89,208	3 yr. Exosurf Follow-Up
Nov 1993	NHRDP	\$70,590	Multicenter four-year outcome of neonates receiving Extracorporeal Membrane Oxygenation at the Western Canadian Regional ECMO Center: A Comparative Study. (PI: C. Robertson, University of Alberta)
July 1994	NHRDP	\$97,536	Surveillance to Assess the Impact of Expert Guidelines on Antenatal Surveillance, Intrapartum Prophylaxis and Incidence of Group B Streptococcal Disease. (PI: A. McGeer and H.D. Davies)

VIII: Research Activities

<i>DATE</i>	<i>GRANTING AGENCY</i>	<i>AMOUNT</i>	<i>PROJECT</i>
Oct 1994	Alberta Children's Hospital	\$25,697	Postneonatal Growth Model
Oct 1994	Alberta Children's Hospital Foundation	\$16,756	Environmental and Child Health
Oct 1994	NHRDP	\$362,495	Enhanced Postpartum Support and Early Discharge. (PI: S. Harvey)
Jan 1995	NHRDP	\$125,756	Information Processing in VLBW Infants (PI: D. Dewey)
Jan 1995	Health Services and Innovations Fund	\$90,000	Impact of Management Guidelines on Neonatal Group Streptococcal (PI: H.D. Davies)
Jul 1995	MRC/Royal Alexandra Hospital	\$5,000	Randomized Trial of Synthetic vs. Bovine Surfactant; Follow-Up Portion (PI: N. Finer)
Feb 1996	MRC/NIH	\$12,000	Nitric Oxide in Treatment of Pulmonary Hypertension; Follow-Up Portion (PI: C. Robertson)
Jun 1996	MSI Foundation	\$24,776	Growth and Feeding Problems
Jul 1996	Alberta Children's Hospital Foundation	\$16,250	Nephrocalcinosis
Jul 1996	Foothills Hospital Research Foundation	\$1,900	BDP and Long-Term Follow-Up
Jul 1996	MRC	\$250,000	Indomethacin Prophylaxis (PI: B. Schmidt)
1997-2002	Northern Alberta Children's Foundation	\$26,000	Outcome of Infants Following Cardiac Surgery (PI: C.M. Robertson)
1997-2002	Alberta Children's Hospital Foundation	\$10,376	BCP and Language (PI: S. Rvachew)
1998-2007	Alberta Lung Association: Alberta Health and Wellness (via Capital Health Authority)	\$11,851	Multicenter Eight Year Outcome of Neonates Receiving Extracorporeal Membrane Oxygenation (ECOM) at the Western Canadian Region ECMO Center: A comparative study. (PI: C.M. Robertson)
1998	Alberta Health	\$30,000	The Health of Alberta Children
1998-2001	IVF Study, CRHA	\$9,857	Outcomes of Infants Born Weighing Less Than 1250 g Who Were Conceived Through In-Vitro Fertilization. (PI: S. Tough)
1998-2009	CIHR	\$2,050,900	CAP Trial - Caffeine for Apnea of Prematurity Trial(PI: B. Schmidt)
1998-2003	CRHA	\$8,100	Neonatal Outcomes and HELLP Syndrome (PI: N. Singhal)
1998	Alberta Health	\$20,000	Outcome of Under 500 g Birthweight Infants

VIII: Research Activities

<i>DATE</i>	<i>GRANTING AGENCY</i>	<i>AMOUNT</i>	<i>PROJECT</i>
2001-2004	CRHA	\$40,119	Detection of Motor, Visual-Motor and Perceptual Problems in ELBW Infants at Age 5 (PI: D. Dewey)
1998-2003	CRHA	\$12,450	Evaluation of the Impact and Effectiveness of the Perinatal Feeding Team. (PI: J. Geggie)
Mar 1999	AHFMR	\$95,000	Low Birth Weight Study (PI: C. Newburn-Cooke)
1999-2003	Health Canada	\$26,000	Canadian Survey of Neonatal Hearing screening and Follow-Up Programs (PI: R. Sauve, D. Brown)
2000-2010	Alberta Health (via Capital Health Authority)	\$200,000	Registry and Follow-Up of Complex Invasive Pediatric Therapies: Pilot Phase (PI: C. Robertson)
1999-2003	CRHA	\$19,992	Peridontal Disease and Pre-Term Delivery. (PI: S. Wood)
1999-2005	CRHA	\$45,000	Selective Reduction in Multiples with IVF (PI: S. Tough)
1999-2002	AHFMR – Canadian Tobacco Research Initiative	\$29,350	Smoking Cessation in Pregnant Women (PI: S. Tough)
2000-2004	Alberta Health	\$1,463,315	Universal Newborn Hearing Screening Program in Alberta (PI: J. Dort)
2001-2004	ACH Foundation	\$2,000	Clinical Effect of Level of Protein Intake in Very Low Birthweight Infants (PI: R. Sauve)
2001-2006	CHR - Perinatal Funding Competition	\$13,800	Severity of Illness in Prediction of Neurodevelopmental, Pulmonary and Growth Outcomes at 8, 18 and 36 Months Corrected Age in Infants \leq 1250g at Birth (PI: R. Sauve)
2002-2006	CHR - Perinatal Funding Competition	\$18,289	Stability of Outcome Measures in Extreme Low Birth Weight Infants. (PI: R. Sauve)
2002-2008	CIHR	\$1,800,000	Strategic Training Initiatives in Research in Reproductive Health (PI: W. Fraser)
2002-2007	Ministry of Children's Services	\$10,000	Meconium, Alcohol and Drug Screening (PI: S Tough)
2003-2008	CIHR	\$935,000	Quality of Care ICE (QC-ICE) Team in Neonatal-Perinatal Care (PI: S. Lee)
1998-2009	CIHR (via McMaster University)	\$348,948 \$30,000* locally	Efficacy and safety of Methylxanthines (caffeine) in very low birthweight infants (PI: B. Schmidt)
2003-2007	CHR Perinatal Funding Competition	\$29,887	Incidence and Correlates of Feeding Problems in Premature Infants Post Neonatal Intensive Care (PI: R. Sauve)
2003-2006	ACH Foundation	\$18,663	Incidence and Correlates of Feeding Problems in Premature Infants Post Neonatal Intensive Care (PI: R. Sauve)
2008-2010	ACH Foundation	\$27,649	Incidence and Correlates of Feeding Problems in Premature Infants Post Neonatal Intensive Care (PI: R. Sauve)

VIII: Research Activities

<i>DATE</i>	<i>GRANTING AGENCY</i>	<i>AMOUNT</i>	<i>PROJECT</i>
2004-2007	CIHR	\$127,122	An alternative approach to the creation of fetal growth standards (PI: KS Joseph)
2003-2005	McMaster University	\$1,500	Trial of Indomethacin Prophylaxis in Preterm Infants: 7 Year Follow-Up
2005-2007	CHR Perinatal Funding Competition	\$29,699	Pilot Randomized Controlled Trial of Vaginal Progesterone to Prevent Preterm Birth in Multiple Pregnancy (PI: S Wood)
2006-2007	CIHR Randomized Controlled Trials	\$701,777	17-hydroxy progesterone caproate treatment in pregnant women screened for risk factors for prematurity: pilot randomized controlled trial (PI: S. Wood)
2006-2008	CHR Perinatal Funding Competition	\$21,190	Outcomes and Impact of School Age Extreme Low Birthweight in a Southern Alberta Regional Cohort (PI: D Creighton)
2006-2008	Calgary Health Region Department of Pediatrics Research Development Fund	\$10,000	Long Term Outcomes of Premature Infants with Chronic Lung Disease: A Prospective Cohort Study (PI: Lodha)
2007-2009	CIHR Institute of Human Development, Child and Youth Health (IHDCYH)	\$500,000	The World Health Organization Global Survey for Maternal and Perinatal Outcomes in Canada (PI: S. Lee)
2000-2010	Alberta Health	\$200,000	Registry and Follow-Up of Complex Invasive Pediatrics Therapies. (PI: C. Robertson)
2007-2012	CIHR	\$738,300	Canadian Oxygen Trial (COT) (PI: B. Schmidt)
2008-2015	CIHR	\$4,902,135	CIHR Team in Maternal-Infant Care – Translating knowledge into improved care (PI: S. Lee)
2009-2010	CIHR / AHFMR	\$450,000	Outcomes of Pandemic Influenza in Pregnancy
2010-2015	CIHR	\$407,627	CAP 11 years outcomes
2009-2015	AHFMR	\$5,000,000	Alberta Sepsis Network
2012-2013	AIHS	\$10,000	Optimizing Outcomes of Children who Require Live-saving Complex Interventions

*Jeannie – I need to add CIHR grant with N Auger and Health Innovation grant with M Hcks

* Held at McMaster University with Principal Investigator Dr. J.M. Moutquin. I was principal author of the follow-up proposal and supervised the conduct of the follow-up portion of the study.

2015-2019 CIHR 255,894 Extreme weather and maternal-child health: targeting future impacts of climate change

2015-2016 AHS Innovation Grant 25,000 The prediction of adverse neurological outcome in children who receive therapeutic hypothermia for hypoxic ischemic encephalopathy

2014-2016 Canadian Foundation for Dietetic Research 20,000 Validation of 2013

VIII: Research Activities

Fenton Growth chart

GRANTS HELD WITH GRADUATE STUDENTS

<i>DATE</i>	<i>GRANTING AGENCY</i>	<i>AMOUNT</i>	<i>PROJECT</i>
Sept 1981	NHRDP	\$6,183	J. Goodman: High Risk Infants: Mothers' Concerns
Mar 1984	AHFMR Summer Internship	\$3,000	S. Blyth: Cytomegalovirus in Breast Milk
Jan 1985	AHFMR	\$14,470	M. Hodges: Jaundice and Breastfeeding
Sept 1985	NHRDP	\$27,956	M-S. Waisman: Nutrition Education
May 1987	AHFMR	\$103,000	W. Fraiser: Routine Amniotomy Study
Mar 1988	Foothills Hospital Research Foundation	\$2,400	K. Brown: Home in Oxygen Study
June 1991	AHFMR	\$15,490	C. Bischoff: Hearing Screening Evaluation
June 1991	AHFMR	\$30,000	D. Dewey: Post-Doctoral Fellowship: Motor skills development
June 93-96	AHFMR	\$16,000.00/yr	C. Bischoff: PhD Student: Middle ear disease and parental smoking
Sept 1998	AHFMR	\$30,000	T. Wade: Post-Doctoral Fellowship : Socio-cultural analysis of ELBW children
Mar 1999	MRC	\$33,000	T. Wade: Post-Doctoral Fellowship (declined; topic as above)
May 2003	AHFMR	\$21,500	M Hicks: Studentship. Ethyl Esters and Alcohol Intake

CONTRACTS

Monenco Science and Technology Ltd.: Study of Radionuclides in Human Milk (1989-). On contract to Atomic Energy Canada.

VIII: Research Activities

IX. INVITED ADDRESSES

1. Outcome of Low Birth Weight Infants. Alberta Children's Hospital Pediatric Days, October 1977.
2. Follow-up of Low Birth Weight Infants. Annual Meeting, Respiratory Technology Association of Alberta, April 1978.
3. Nutrition: The First 18 Years. A panel on Breast Feeding. Alberta Children's Hospital, November 1979.
4. Long-term Follow-up of Asphyxiated Infants. McKidd Lecture. Calgary General Hospital, May 1979.
5. Perinatal Follow-up Clinics in the Primary Prevention of Handicapping Disorders in Childhood. First Symposium on the Prevention of Handicapping Disorders. Edmonton, June 1979.
6. Infant Nutrition. Alberta Dietetic Association, January 1979.
7. Epidemiologic Studies in Progress: Perinatal Follow-up Section. Dean's Seminar, January 1979.
8. Nutrition in Critically Ill Infants. Neonatal Nursing Workshop, February 1979.
9. Handicaps of Prematurity. Presentation to Medical Staff, Mineral Springs Hospital, Banff, November 1980.
10. Neonatal Jaundice. Childbirth Education Workshop. The University of Calgary, April 1980.
11. Breastfeeding in Special Situations. Alberta Dietetic Association Annual Meeting, Calgary, June 1980.
12. Nutrition in Children with Cancer. Oncology Nurse Workshop. Foothills Hospital, April 1980.
13. Nutrition in Children with Cancer. Oncology Nurse Workshop. Foothills Hospital. April 1980.
14. Follow-up of High Risk Neonates. Neonatal Neurology Nursing Workshop. Foothills Hospital, June 1981.
15. High Risk Infants: Growth and Feeding Problems. Presentation at Annual Meeting of the Society of Medical Officers of Health, September 1982.

X. PUBLICATIONS

16. The Long-term Follow-up of Ventilated Low Birth Weight Infants. Presentation to Respiratory Technology Group. Foothills Hospital, April 1982.
17. The High Risk Infant. University Forum on Disabilities. The University of Calgary, February 1983.
18. Prenatal and Perinatal Influences on Growth and Development. Canadian Physiotherapy Seminar, March 1983.
19. Changing Outcome of Very Low Birth Weight (< 1000 g) and Development. Annual Meeting, Canadian Gynaecological Society, September 1983.
20. Human Milk Banking. Alberta Perinatal Group Meeting. Calgary, January 1984.
21. Long-term Sequelae in the Mature Hypoxic Fetus. Labour and Newborn Care Conference. Calgary General Hospital, February 1984.
22. The Smallest Ones: The Long-term Outcome of Infants Weighing 1000 g or less at Birth. Annual Meeting, Canadian Association of Respiratory Technologists. Banff, May 1984.
23. Growth and Feeding Problems in High Risk Infants. Medical Staff Presentation. Regina General Hospital, June 1985.
24. Infants Discharged Home in Oxygen. Alberta Perinatology Group, April 1985.
