

KENNETH JAMES CORBET

I. CONTACT INFORMATION

Kenneth Corbet Professional Corporation
12 Colleen Crescent SW, Calgary, AB
T2V 2R3
cell: (403) 220-3362 e-mail: kcorbet@ucalgary.ca

II. ACADEMIC AND CLINICAL CERTIFICATIONS

Undergraduate

1976 B.Sc. The University of British Columbia
1981 M.D. The University of Calgary

Professional

1981 Medical Council of Canada (LMCC)
1983 Canadian College of Family Practice (CCFP)
1983 U.S. Federal Licensing Examinations (FLEX)
1989 Royal College of Physicians and Surgeons of Canada (FRCPC) – Specialist in Occupational Medicine
1997 American Board of Independent Medical Examiners (CIME)
1994-1999 Maintenance of Competence (MOCOMP) Royal College of Physicians and Surgeons of Canada
2000-present Maintenance of Certification (MOC) Royal College of Physicians and Surgeons of Canada

Licensure and Current Appointments

1983-1989 College of Physicians and Surgeons of Alberta (Family Medicine)
1989-present College of Physicians and Surgeons of Alberta (Occupational Medicine)

Clinical Associate Professor
Department of Community Health Sciences
Cumming School of Medicine
University of Calgary

Adjunct Associate Professor
Department of Medicine
Faculty of Medicine and Dentistry
University of Alberta

- Active Staff (Consulting) Respiratory Division, Alberta Health Services
- Consultant (Occupational Medicine) University of Calgary Medical Group

III. AWARDS AND DISTINCTIONS

1972 Honours Matriculation Scholarship - Government of Alberta
1991 Memorial Lectureship - Canadian Board of Occupational Medicine
1999-2001 Letters of Excellence in Teaching - Calgary Medical Students' Association
2001 Great Teachers at the University of Calgary - University of Calgary
2004 Memorial Lectureship - Canadian Board of Occupational Medicine
2007 Annual Orator - Cunningham Society
2009 Excellence in Responsible Care Award - NOVA Chemicals
2011-2014 Member, Transportation Appeals Tribunal of Canada
2015 Meritorious Service Award – Occupational and Environmental Medical Association of Canada

IV. EDUCATION

1990-2010 - Responsible for teaching (lectures, small groups) curriculum and learning resources development in occupational medicine in undergraduate, graduate medical sciences, graduate clinical, and continuing medical education.

Undergraduate Medicine and Health Sciences

- Lecturer, preceptor, and course committee - Principles of Medicine, Healthy Populations , Blood, Musculoskeletal & Skin, Respiratory, Human Development, Neurosciences and Aging, Medical Skills, Continuity, Clerkship Elective
- Lecturer - Health and Society (HSOC 311) Bachelor of Health Sciences: 2003-2010

Graduate Medical Sciences

Course Chair

MDSC 645.06:	Health Protection (1991, 1992, 1994, 1995, 1997, 2000, 2002, 2004)
MDSC 645.07:	Introduction to Occupational Health (1991, 1993, 1993, 1994, 1996, 1998, 2001)
MDSC 645.11:	Seminars in Occupational Health & Medicine (1990, 1996, 1999, 2001, 2003, 2006, 2008, 2010)
MDSC 645.03	Environmental Health (2008, 2009, 2010)
MDSC 755.49:	Directed Studies in Health Protection (1995)
MDSC 755.28:	Directed Studies in Toxicology (1998)
MDSC 755.76	Environmental Toxicology (1999)
MDSC 755.76	Environmental Toxicology (2000)

Graduate Student Supervisor

1992	MSc (CHSc)	Ms. C. Scott-Taplin
1992-1993	MSc (CHSc)	Dr. Yan Li
1993-1996	MSc (CHSc)	Mr. David Willoughby
1993-1997	MSc (CHSc)	Ms. Julie Dergal

Member of Supervisory Committees

1990-1992	MSc (CHSc)	Ms. R. Gingrich
1991-1993	MSc (CHSc)	Ms. L. Kowalsky
1991-1993	MSc (CHSc)	Ms. S. Sommer
1992-1993	MSc (CHSc)	Ms. C. Scott-Taplin
1991-1992	MES	Ms. J. Sekiya
1994	MSc	Mr. J. Liu
1994	MSc	Ms. T. Tamaoki-Carty
1996-1998	M Nursing	Ms. Lynn Rogers
1996-1999	MSc (CHSc)	Mr. Paul Leong
1998-2000	MSc	Ms. Nadine Gall
2007-2009	MSc	Ms. Michelle Fry

Graduate Clinical Education

- Lecturer and Preceptor - Community Medicine, Family Medicine, Emergency Medicine Pulmonary Medicine, Physical Medicine and Rehabilitation and Surgery Residency Training Programs (University of Calgary)
- Preceptor and Examiner - Occupational Medicine Residency Training Program (University of Alberta)
- Mentor - Canadian Board of Occupational Medicine

Continuing Professional Development

Planning Committee Chair

1998	Repetitive Strain Injuries
1999	Third Party Medical Examinations
2000	Annual Scientific Conference - Occupational & Environmental Medical Association of Canada
2000	Cunningham Society Annual Meeting
2004	The Determination of Work-relatedness in Claims for Occupational Disease, Center for Health and Policy Studies & Workers' Compensation Alberta
2006	Seminars in Occupational Health and Medicine
2008	Seminars in Occupational Health and Medicine
2010	Seminars in Occupational Health and Medicine
2014	Annual Scientific Conference - Occupational & Environmental Medical Association of Canada

V. ADMINISTRATION

1989-1991	Acting Laser Safety Officer, Foothills Provincial General Hospital
1989-1995	Laser Safety Committee, Foothills Provincial General Hospital
1990-1992	University Health and Safety Committee
1990-2009	Executive Committee, University of Calgary Medical Group
1991-1993	Student Appeals Committee, Undergraduate Medical Education
1994-1998	Nominating Committee
1994-1995	Community Health Sciences Head Search Committee
1994-1996	Tripartite Agreement Review Committee, UCMG
1995-1999	Faculty Council Representative, Environmental Design
1997-1998	Ad Hoc Committee on Disabilities, Faculty of Medicine
1998-1999	Ad Hoc Committee on Ceilings Guidelines, UCMG
2000	Ad Hoc Committee on Professional Development Fund, UCMG
2002-2004	General Faculty Council, Faculty of Medicine

VI. PROFESSIONAL

Membership in Professional Societies

1981-present	Alberta Medical Association (Section of Occupational Medicine)
1981-present	Canadian Medical Association
1986-present	Alberta Occupational Medicine Association (Third Thursday Club)
1987-1989	Human Factors Association of Canada
1989-1995	Alberta Occupational Health Society
1989-present	Royal College of Physicians and Surgeons of Canada
1991-present	Occupational and Environment Medical Association of Canada
1994-1997	International Commission on Occupational Health
1997-present	Cunningham Society
1998-2010	Association of Occupational and Environmental Clinics
2012-present	Occupational Medicine Specialists of Canada
2014-present	International Societies of Occupational Medicine Collaborative

Professional Service

Olympic Winter Games – Calgary 1988

1987-1988 Medical Control Chief (Speedskating)

University of Calgary Medical Group

1989 – 2008 Occupational and Environmental Medicine Clinic

1990-2009 Executive Committee

1996–present Consulting Privileges, Division of Respiratory Medicine, Alberta Health Services

Alberta Medical Association (AMA)

1991-1995 Fees Representative, Section of Occupational Medicine

1993-1994 Chair, ad hoc Committee on Return to Work after Illness or Injury

2010 – 2014 President, Section of Occupational Medicine

Canadian Association of Petroleum Producers (CAPP)

2011-2013 Consultant, Medical Working Group, Medical Assessment for Fitness to Work Offshore

Canadian Standards Association (CSA)

1991-1998 Member, Technical Committee on the Use of Lasers in Health Care Facilities

1998-2001 Associate Member, Technical Committee on the Use of Lasers in Health Care Facilities

1994-1996 Associate Member, Technical Committee on Work Injuries

National Health Research Development Program

1994 External grant reviewer

1995 External grant reviewer

Occupational and Environmental Medicine Association of Canada

1992-1996 Secretary-Treasurer

1993-2006 Chair, Continuing Professional Development Committee

Occupational Medicine Specialists of Canada (OMSOC)

2014 – present President

2014 – present Member, Undergraduate Medical Education Committee

Royal College of Physicians and Surgeons of Canada (RCPS)

1991-1997 Examining Committee, Occupational Medicine

1997-1999 Chair, Examining Committee, Occupational Medicine

2000-2003 Member of Specialty Committee, Occupational Medicine

1993-2001 Maintenance of Competence Program Accreditor

2002-2006 Maintenance of Certification Program Accreditor

Workers' Compensation Board Alberta

2001-2008 Scientific Advisory Group, Research Grant Committee

Columbia Rehabilitation Centre, Calgary

1991-2000 Consultant, Occupational Medicine

Canadian Pacific Railway, Calgary

2000-2010 Consultant, Occupational Medicine

Imperial Oil Limited, Calgary

1989 – present Consultant, Occupational Medicine

Nova Chemicals Ltd., Calgary
2005 – present Consultant, Occupational Medicine

Alberta Public Health Association
1986-1988 Chair, Environmental and Occupational Health Committee

Alberta Occupational Health Society
1989-1990 President
1990-1993 Director

Alberta Occupational Medicine Association (Third Thursday Club)
1992-1996 Secretary
1995-present Treasurer

Workers' Compensation Board Alberta
1997 Proctor, American Board of Independent Medical Examiners, Certifying Examination
1998 Diagnostic Guideline Committee for Occupational Asthma
1999 Causation Models Workshop Participant
2001-2008 Scientific Advisory Group, Research Grant Committee
2006 External Reviewer: "Research on Occupational Causation of Primary Site Cancers in Part-time Firefighters"
2004 Determination of Work-relatedness in Claims for Occupational Disease

Medical Panel Office of Alberta
2010-present Consultant and Panel Chair

College of Physicians and Surgeons of Alberta
2000 External Reviewer: Policy on Medical Examinations by Non-Treating Physicians

Southern Occupational Health and Safety Resource Program
1990-1995 Advisory Committee

Shell Caroline Baseline Community Health Survey
1992-1994 Advisory Committee

Optimal Asthma Care Program
1998 Advisory Committee

The Arctic Institute of North America
1992 External reviewer

Alberta Occupational Medicine Newsletter
1994-2001 Editor,
2004-2007 Editor

Alberta Cancer Board
2003-2006 Editorial Committee - Occupational Carcinogens

VII. RESEARCH FUNDING

1992	Tri-Council Green Plan Program: A Multidisciplinary Study of the Western Sedimentary Basin Atmospheric Ecosystem (proposal development grant).
1992-1993	University Research Grants Committee: A Descriptive Study of Visits to the Occupational and Environmental Health Clinic 1986-1991.
1993-1994	Workers' Compensation Board Alberta: Performance of Non-occupational Tasks as a basis for Return to Work Recommendations.
1997-1998	Occupational and Environmental Medical Association of Canada: Practice Profile Membership Survey
2000-2010	Workers' Compensation Board Alberta: Medical Education Grant in Occupational Health and Workers' Compensation.
2001-2002	Occupational and Environmental Medical Association of Canada (OEMAC): Practice Profile Survey
2004-2007	Workers' Compensation Board Alberta: The Determination of Work-relatedness in Claims for Occupational Diseases (Workshop and Proceedings)
2005-2006	Occupational and Environmental Medical Association of Canada (OEMAC): Practice Profile Survey
2005	Railway Association of Canada: Medical Advisory Group: Pre-employment Medical Examinations for Safety Critical Railway Positions
2015	Occupational Medicine Specialists of Canada (OMSOC) – Practice Profile Survey

VIII. PUBLICATIONS

Symposium Proceedings

- 1993 Principles of Laser Safety. Proceedings of the Joint Conference of the Canadian Medical and Biological Engineering and the Canadian Organization of Medical Physicists.
- 2007 The Determination of Work-relatedness in Claims for Occupational Disease - Centre for Health and Policy Studies, University of Calgary, and Workers' Compensation Board Alberta.

Peer-reviewed Journals

- Whitelaw W.A., McBride B., Amar J., and Corbet, K. (1981) "Respiratory Neuromuscular Output during Breathholding." *Journal of Applied Physiology* 50:435-43.
- Corbet, K. (1989) "Workers' Compensation Claims: the Hidden Agendas." *Canadian Family Physician* 35:2291-95.
- Holness, L. House, R. Corbet, K. Kosnik, R. (1997) "Characteristics of Occupational Medicine Practitioners and Practice in Canada" *Journal of Occupational and Environmental Medicine* 39:895-900.
- (2000) "The Principles and Practice of Return to Work Assessments." *Canadian Journal of Continuing Medical Education*.

Books and Book Chapters

Canadian Standards Association (as member of technical committee) (1992) "Laser Safety in Health Care Facilities" Canadian Standards Association CAN/CSA-Z386-92.

Occupational Carcinogens: a primer for occupational health and safety coordinators, employers, and employees, Alberta Cancer Board, 2003, Kenneth Corbet, Phillip Karpluk, Munira Lalji, Edmonton, Refereed

Book Reviews

Corbet, K. (1991) Book Review of "Improving Consensus Development for Health Technology Assessment: An International Perspective." *Hospimedica* Jan/Feb 1992.

Abstracts

Whitelaw W.A., McBride B., Amar J., and Corbet K. (1978) "Respiratory Centre Output During Breathholding" (abstract) Proceedings of the Annual Meeting of the Canadian Thoracic Society.

Corbet, K., Wardell R., Kirker, K. (1995) "Performance of non-Occupational Tasks as a Measure of Disability" Second International Scientific Conference of Work-related Musculoskeletal Disorders: International Commission on Occupational Health

Cutbill, J and Corbet K. (2005) "Safety-Critical positions in the Canadian railway industry: medical issues on pre-placement assessment and during the initial six months of employment." Canadian Association for Research on Work and Health, Vancouver, BC.

Posters

Corbet K. (1994) "Monitoring of Exposure to Inorganic Lead" Annual Scientific Assembly, College of Family Physicians of Canada.

Cutbill, J and Corbet K. (2005) "Safety-Critical positions in the Canadian railway industry: medical issues on pre-placement assessment and during the initial six months of employment." Canadian Association for Research on Work and Health.

Corbet K. (2013) "Fitness to Work: Principles and Practice" Annual Scientific Conference, Occupational & Environmental Medical Association of Canada.
