ACADEMIC RECORD

1991-1992	SSHRC Post Doctoral Fellowship Department of Sociology University of Calgary	Family
1991 – PhD	University of Calgary Department of Sociology Calgary, Alberta, Canada	Family / Gender
1986 – MA	University of Hawaii, Manoa Department of Sociology Honolulu, Hawaii, USA	Social Control
1984 – BA	University of Calgary Department of Sociology Calgary, Alberta, Canada	Criminology

AWARDS AND DISTINCTIONS

2003-2008	Shoppers Drug Mart Professorship in Women's Health Research (\$250,000)
2000-2003	Senior Population Health Investigator Award Renewal (~\$300,000) Alberta Heritage Foundation for Medical Research
2000-2003	Research Prize (\$10,000 per annum) Alberta Heritage Foundation for Medical Research
2000	Travel Grant, NAPCRG Conference (\$1,350) Alberta Heritage Foundation for Medical Research

28/10/2016

1999 Travel Grant, NAPCRG Conference (\$1,000)
 Alberta Heritage Foundation for Medical Research

1996-1999 Population Health Investigator Award (~\$280,000)
 Alberta Heritage Foundation for Medical Research

1996 Special Travel Grant, University of Alberta (\$750)
 Alberta Heritage Foundation for Medical Research

1996 Travel Grant, IAC, University of Alberta (\$750)
 Alberta Heritage Foundation for Medical Research

1996 Travel Grant, (\$750)
 University of Alberta, Office of the Dean, Faculty of Medicine

1991-1993 Post-Doctoral Fellowship (\$54,000)
 Social Sciences & Humanities Research Council of Canada

1990-1991 Province of Alberta Graduate Fellowship

1990-1991 University of Calgary Fee Scholarship

1990 The Donald L. Mills Sociology Graduate Scholarship, University of Calgary

1989-1990 Province of Alberta Graduate Fellowship

1989-1990 University of Calgary Fee Scholarship

1987-1988 Graduate Teaching Assistantship Award, Department of Sociology
 (Sociology 312, Undergraduate Statistics)

1987 Nominated to Membership in Phi Kappa Phi Honor Society

1986-1988 Graduate Assistantship, Research

ACADEMIC APPOINTMENTS

Present Rank: Adjunct Associate Professor (2010-)
 Department of Community Health Sciences
 Cumming School of Medicine
 University of Calgary

Associate Professor (2001-2010)
 Department of Community Health Sciences
 Faculty of Medicine
 University of Calgary

Other Affiliations: Adjunct Professor (1997-2010)
 International Institute of Qualitative Methodology
 University of Alberta

Adjunct Professor (1996-2010)
 Family Medicine, Medicine & Dentistry
 University of Alberta

Adjunct Associate Professor (2002-2009)
 Department of Sociology, Social Sciences
 University of Calgary

Assistant Professor (1996-2001)
Departments of Family Medicine & Community Health Sciences
University of Calgary

Adjunct Assistant Professor (1994-2002)
Department of Sociology
University of Calgary

Assistant Professor (1993-1996)
Department of Family Medicine
University of Alberta

Adjunct Assistant Professor (1993-1996)
Department of Family Medicine
University of Calgary

EDUCATIONAL ACTIVITIES

Undergraduate Student Committees

1. Guest Lecturer HSOC 401 Health Promotion **2013**
2. Guest Lecturer HSOC 301 Introduction to qualitative methods Fall **2012**
3. Faculty Advisor, Jonathon Ross, Class of 2004.
4. Faculty Advisor, Sarah Robbins, Class of 2003.
5. Faculty Advisor, Krista Simon, Class of 2003.
6. Faculty Advisor, Rachel Henry, Class of 2002.
7. Supervisor, Anna Franca, Horizontal Elective, University of Calgary Medical School, Women's Health at the Alexandra Centre, 1997-1999.
8. Supervisor, Patti Anderson, Horizontal Elective, University of Calgary Medical School, Adult Abuse, 1994-1996.
9. Committee Member, Family Section, Undergraduate Education Instructor, 1996 (18 hours).
10. Supervisor, Sarah Scarfe, Summer Student, Alberta Heritage Foundation for Medical Research, 1995.
11. Supervisor, Mike Cotterill, Resident Research Project, Family Medicine, University of Calgary, Violence in Teenage Relationships, 1995.
12. Research seminars for family medicine residents, University of Calgary, 1996-1998 (3 per rotation, 3 rotations per year, 6 hours/rotation).
13. Lectures to undergraduate students, Women's Health and Aging, Mount Royal College, 1997.

Graduate Activities

1. Guest Lecturer, MDSH 622, Qualitative Health Research Methods. Qualitative Observation Strategies. March 2015.
2. Course Chair, MDSC 644 Block Week Intro to Community Health Sciences, University of Calgary, Fall 2009.
3. Course Chair, MDSC 659.05 Qualitative Methods in Health Research, University of Calgary, Spring 2008.
4. Course Chair, MDSC 659.05 Qualitative Methods in Health Research, University of Calgary, Spring 2007.
5. Course Chair, MDSC 645.02 Determinants of Health, University of Calgary, Fall 2006.
6. Course Chair, MDSC 659.05 Qualitative Methods in Health Research, University of Calgary, Spring 2006.
7. Course Chair, Qualitative Research in CME, Department of Family Medicine, Geisel School of Medicine, Dartmouth College (Hanover, New Hampshire), March 2006.
8. Course Chair, MDSC 659.05 Qualitative Methods in Health Research, University of Calgary, Spring 2005.
9. Course Chair, MDSC 645.02 - Determinants of Health, University of Calgary, Winter 2005.
10. Course Chair, MDSC 659.05 Qualitative Methods in Health Research, University of Calgary, Spring 2004.
11. Course Chair, MDSC 659.05 Qualitative Methods in Health Research, University of Calgary, Spring 2003.
12. Course Chair, MDSC 645.02 Determinants of Health, University of Calgary, Winter 2003.
13. Course Chair, MDSC 659.05 Qualitative Methods in Health Research, University of Calgary, Spring 2002.
14. Community Health Sciences Seminar, Using Case Studies to Explore Seniors' Acute Illness Events, University of Calgary, December 7, 2001. (1 hour)
15. Course Chair, MDSC 645.02 Determinants of Health, University of Calgary, Fall 2000.
16. Invited Presentation: Data Analysis and Interpretation. Thinking Qualitatively, International Institute for Qualitative Methodology, October 4, 2000. (6 hours)
17. Course Chair, MDSC 645.04 Introduction to Community Health Sciences, Health Research Block Course, University of Calgary, September 2000. (3 hours)
18. Course Chair, MDSC 645.02 Determinants of Health, University of Calgary, Fall 1999.
19. Qualitative Data Analysis Using Software, Health Research Methods Course, University of Calgary, Calgary, April 1999 (3 hours)
20. Guest Lecturer, EDER 603.10 – NUD*IST software seminar. Graduate seminar on Conducting Qualitative Research, Conceptual & Practical Issues, February 1999.
21. Guest Lecturer, SOWK 605 – NUD*IST software seminar, 1997.
22. Guest Lecturer, EDPS 629.01 – NUD*IST software seminar, 1997.
23. Guest Lecturer, EDER 699.81 – Immigrant Women and Health, 1997.

Graduate Student Committees

1. External Examiner, Sarah Rudrum, PhD, Faculty of Graduate and Postdoctoral Studies (Gender, Race, Sexuality, and Social Justice), University of British Columbia, **2014** (two examinations – first was a fail).
2. Supervisory Committee, Tina Strudsholm, MSc, Department of Community Health Sciences, University of Calgary, 2009. Thesis Topic: Academic women's transitions to retirement.
3. Supervisor, Heather Ann Rowe, MSc, Department of Community Health Sciences, University of Calgary, 2009. Thesis Topic: Exploring social support in young-old community-dwelling senior volunteers.
4. Supervisory Committee, Josephine Mazonde, MSc, Department of Community Health Sciences, University of Calgary, 2008. Thesis Topic: Experiences of women who are HIV Positive and experiencing IPV.
5. Co-Supervisor, Jane Stewart, MKin, Department of Kinesiology, University of Calgary, 2008. Thesis Topic: Learning from physically active women with knee osteoarthritis.
6. Supervisor, Karen Parker, MSc, Department of Community Health Sciences, University of Calgary, 2008. Thesis Topic: Understanding the early recovery period experience of ACS patients treated with PCI: A grounded theory approach.
7. Co-Supervisor, Jennie Peterson, MSc, Department of Community Health Sciences, University of Calgary, 2008. Thesis Topic: Evaluation of changes in physical activity outcomes associated with a community wide physical activity initiative in Calgary, Alberta.
8. Co-Supervisor, Paola Aparicio, MSc, Department of Community Health Sciences, University of Calgary, 2006. Thesis Topic: Perceived issues of mental health and well-being of mid-life immigrant women.
9. Co-Supervisor, Kimberley Petersen, PhD, Interdisciplinary Doctoral Studies, Specialization Resources and the Environment, University of Calgary, 2006. Dissertation Topic: Dietary calcium intake of young adolescents.
10. Supervisor, Gwen Healey, MSc, Department of Community Health Sciences, University of Calgary, 2006. Thesis Topic: Inuit women and bone health. (Director Arctic Health Research Network (Nunavut)).
11. Supervisor, Seanne Wilkins, PhD Visiting Scholar, International Institute of Qualitative Methodology, Faculty of Nursing, University of Alberta, 2005. Dissertation Topic: Bone fracture rehabilitation.
12. Supervisory Committee, Pin Cai, MSc, Department of Community Health Sciences, University of Calgary, 2005. Thesis Topic: Can home telehealth technology support disease management in teens with asthma?
13. Supervisory Committee, Melissa Hyman, MSc, Department of Community Health Sciences, University of Calgary, 2005. Thesis Topic: Environmental scan of research and services for Aboriginal Women in Alberta.
14. Supervisory Committee, Pertice Moffitt, PhD, Faculty of Nursing, University of Calgary, 2007. Dissertation Topic: Keep myself well. Perinatal health beliefs and health promotion practices among Tlicho women.

15. Supervisory Committee, Jennifer Graham, MSc, Department of Community Health Sciences, University of Calgary, 2003. Thesis Topic: The interplay of gender, neighbourhood, socio-economics and migration on the health of immigrant women.
16. Research Preceptor, Laurie Lemieux, MD, Department of Family Medicine, University of Calgary, 2003. Topic: Sexuality in Palliative Care.
17. Research Preceptor, Simon Pulfrey, MD, Department of Family Medicine, University of Calgary, 2002. Topic: Pain management in emergency departments. (Winner of the Murray Stalker Memorial Lecture Award, 2002 recognizing and promoting scholarly achievement of family medicine residents.)
18. Oral Examination Committee, "Internal" External Examiner, Maria Rosario Talavera, MSc, Department of Medical Science, University of Calgary, 2002. Topic: "It's my way of life." Perceptions of patients with type 2 diabetes regarding self-management and community resources.
19. Supervisory Committee, Andora Jackson, PhD, Department of Community Health Sciences, University of Calgary, 2002-2003. Withdrew from program to pursue MD.
20. Co-Preceptor, Jonathan Ross, MDCN 340 & 440, Undergraduate Medical Education, Faculty of Medicine, University of Calgary, 2004. Research Project: HIV risk perception among Aboriginal youth.
21. Supervisory Committee, Nelly Oelke, MSN, Faculty of Nursing, University of Calgary, 2002. Thesis Topic: Cervical screening of Sikh women.
22. Oral Examination Committee, External Examiner, Maryann Kusmirski, MSN, Faculty of Nursing, University of Calgary, 2000.
23. Oral Candidacy Committee, External Examiner, Susan Loretta Rich, MSN, Faculty of Nursing, University of Calgary, 2000.
24. Supervisory Committee, Erin Rutherford, MSc, Department of Community Health Sciences, University of Calgary, 2000. Thesis Topic: The influence of the agreement between the Calgary Regional Health Authority and the Salvation Army on women's participation in health policy.
25. Oral Examination Committee, Linda Joan Henderson, PhD, Department of Sociology, University of Calgary, 1999.
26. Supervisory Committee, Michele Nanchoff-Glatt, PhD, Department of Education Psychology, University of Calgary, 1999. Dissertation Topic: Referral patterns among family physicians, psychologists and psychiatrists.
27. Oral Examination Committee, Sabine Moritz, PhD, Department of Community Health Sciences, University of Calgary, 1998.
28. Thesis Defense, External Examiner, Corrine Ferguson, MSc, Department of Sociology, University of Calgary, 1998.
29. Oral Examination Committee, Charlene Barva, MSc, Department of Educational Psychology, University of Calgary, 1998.

Continuing Medical Education

1. Workshop and Grand Rounds, Department of Family Medicine, Geisel School of Medicine, Dartmouth College (Hanover, New Hampshire), Fall 2006.
2. Research Seminar, A Program of Research in Bone Health, Department of Community Health Sciences, University of Calgary, February 2003.

3. Research Rounds, Continuing Care or Continuity of Care? Family Physicians Experiences when Seniors have Acute Illnesses, Department of Family Medicine, University of Calgary, March 2002.
4. Research Rounds, Women and Prevention: Messages for Midlife Women, Department of Family Medicine, University of Calgary, November, 2000.
5. Proposal Writing for Qualitative Studies, 5th Annual Health Research Methods Course, University of Calgary, May 2000. (3 hours)
6. Components of a Qualitative Proposal, Health Research Methods Course, University of Calgary, April 1999.
7. Advanced Qualitative Methods, Health Research Methods Course, University of Calgary, April 1998.
8. Faculty Forum, Using Computers in Qualitative Research, Department of Family Medicine, University of Alberta, 1997.
9. Establishing Research Collaborations, Health Methods Research Course, Department of Community Health Sciences, University of Calgary, June 11, 1996.
10. Qualitative Methods of Health Service Research: A Brief Overview, Healthcare Quality and Outcomes Research Centre, University of Alberta, March 1995.
11. Reading the Literature, Family Practice Update, Faculty of Medicine, University of Calgary, November 1994.

ADMINISTRATIVE RESPONSIBILITIES

Department

1. Population and Public Health Specialization Member **2010 -**
2. Graduate Studies Coordinator, Department of Community Health Sciences, University of Calgary, June-November 2009.
3. Member, Research Committee, Department of Family Medicine, University of Calgary, 1994-2008.
4. Coordinator and Chair, Health Research Cluster, Department of Community Health Sciences, University of Calgary, 2000-2004.
5. Representative, Health Research Cluster, Graduate Education Committee, Department of Community Health Sciences, University of Calgary, 2000-2004.
6. Member, Research Committee, Department of Family Medicine, University of Alberta, 1993-1998.

Faculty

1. Dean's Appointee, Faculty of Medicine Promotions Committee, University of Calgary, 2003-2004.
2. Member, Search and Select Committee (Research Position), Department of Family Medicine, University of Calgary, 1999-2000.
3. Member, Student Appeals Committee, Faculty of Medicine, University of Calgary, 1996-1998.

4. Department Representative, General Faculties Council, Faculty of Medicine, University of Calgary.

University

1. Co-Chair, Women's Health Research Group, University of Calgary, 2000-2008.
2. Chair, Older Women Subsection, Women's Health Research Group, University of Calgary, 2002-2008.
3. Member, Health Promotion Research Group, University of Calgary, 1999-2008.

PROFESSIONAL ACTIVITIES

Professional and Learned Societies (Current Membership)

1. Canadian Public Health Association, **2006-present**
2. North American Primary Care Research Group, 1997-2010; **2010+** Lifetime Award membership.

Professional Service

Grant Panels

1. Primary Health Care Strategic Clinical Network (SCN), Scientific Advisory Committee, **2015-**
2. Alberta Heritage Foundation for Medical Research, Health Research Fund Advisory Committee, 2002-2004.
3. Canadian Institutes of Health Research (CIHR), External Referee, Operating Grants, 2002.
4. Canadian Institutes of Health Research (CIHR), External Referee, Personnel Award, 2001.
5. Regional Centre for Health Promotion and Community Studies, University of Lethbridge, Board Member and Member, Research Advisory Committee, Centre of Excellence on Well-Being, 1996-1999.

Grant Reviews

1. National Health Research & Development Program, External Referee (2-3 grants per year).
2. Social Sciences and Humanities Research Council (2 grants/ year).
3. Medical Research Council, External Referee (1 grant per year).
4. Alberta Heritage Foundation for Medical Research, Community Travel Grants, 1998-2001 (200+ grants per year).
5. Alberta Heritage Foundation for Medical Research, Awards Committee – Visiting Scholars and Travel Grants, 1996-2001 (5x per year, approximately 50-60 grants per meeting reviewed, ranked and discussed).

6. Centre for the Advancement of Health, Scientific Review Committee, 1996-2001 (monthly, responsible for reviewing an average 10 grants per meeting).
7. Primary Care Health Innovation Fund, Scientific Review Committee Special Review, Health Innovation Fund Awards, 1998 (10 grants).

Internal (Peer) Grant Reviews

1. Montesanti S, School of Public Health, University of Alberta. CIHR Project Scheme Proposal, **2016**, Grant Title: The Policy Impact of Primary Health Care Improvement in Alberta: A Retrospective Case Study Analysis.
2. Sale J, Institute of Health Policy, Management and Evaluation, University of Toronto; Li Ka Shing Institute of St. Michael's Hospital. CIHR **XXX 2016**, **Grant Title:**

Commented [KJD1]: Need to fill in details

Internal Peer Reviewed Manuscripts

Yanicki, S. Community Development and Social Inclusion/Exclusion: Supporting the Participation of Low-Income and Aboriginal Parents and Grandparents in a Rural Alberta Community. PhD Dissertation Manuscript 3. (Faculty of Nursing, University of Alberta) Targeted journal: Journal of Rural and Community Development. Successful PhD defence: Nov **2015** Manuscript will be submitted for publication early 2017.

Lagendyk, Laura E., and Wilfreda E. Thurston. "A case study of volunteers providing labour and childbirth support in hospitals in Canada." *Midwifery* 21.1 (2005): 14-22. MSc Department of Community Health Sciences, University of Calgary.

Refereed Conference and Abstract Reviews

1. Canadian Public Health Association (CPHA), Annual Meeting Abstract Reviews, **2014-**
2. North American Primary Research Group (NAPCRG), Annual Meeting Abstract Reviewer, **2015-**

Journal Reviews

1. BMJ Open, **2016-**
2. Journal of Interpersonal Violence, **2016-**
3. Patient Education and Counselling, **2015-**
4. Current Osteoporosis Reports, **2015-**
5. Canadian Journal of Public Health, **2015-**
6. The Journal of Rheumatology **2014-**
7. Journal of the American Geriatric Society, **2013-**
8. Annals of Family Medicine, **2011-**
9. Reviewer, Osteoporosis International **2009 -**

10. Reviewer, Journal of the American Medical Women's Association
11. Expert Review, *Canadian Women's Health Network*
12. Editorial Board, *International Journal of Qualitative Methods*
13. Reviewer, *Annals of Family Practice*
14. Reviewer, *Social Science and Medicine*
15. Reviewer, *Qualitative Health Research*
16. Reviewer & Board Member, *Journal of Comparative Family Studies* (2 per year)
17. Reviewer, *Canadian Journal of Ethnic Studies* (2 per year)
18. Reviewer, *Canadian Family Physician* (1996-1997)
19. Reviewer, *Canadian Journal of Diabetes*

Research Committees

1. Group for Research with Aboriginal Peoples (GRIP), Committee Member (January-September) and Community Consultation Workshop Facilitator (May), **2015**.
2. Kerby Centre of Excellence for Research and Applied Gerontology, Member, 2000-2007.

Provincial Committees

1. Toward Optimized Practice (TOP), Scientific Panel, 2004 (Inaugural year).

National and International Committees

1. Assessment & Evaluation Workgroup, Building Research Capacity (BRC). Joint project of the North American Primary Care Research Group and American Departments of Family Medicine, **2016-**
2. Research and Scholarship Fellowship for Very Important Persons (RSVP Fellowship) Taskforce. Joint project of North American Primary Care Research Group and American Departments of Family Medicine, **2015**.
3. Membership Committee, North American Primary Care Research Group (NAPCRG), 2008-2010.
4. Expert Review and Advisory Committee, Canadian Women's Health Network (CWHN), 2004-2010. National consultation on information needs of older women.

RESEARCH SUPPORT

Grants: Principal Investigator

- | | |
|-----------|--|
| 2006-2011 | Centre for Advancement of Health, Calgary Health Region, Cohort Study of Midlife Women with Fragility Fractures (\$5,000) |
| 2006 | Prairie Centre of Excellence for Research on Immigration and Integration, Travel Grant, International Metropolis, Lisbon (\$800) |
| 2005-2008 | Canadian Institutes of Health Research, The Role of Family Physicians in Secondary Fracture Prevention (\$126,696) |

2005-2008 Alberta Heritage Foundation for Medical Research (AHFMR), The Social and Cultural Contexts of Bone Health and Secondary Fractures Prevention of Aboriginal Women (\$150,524)

2005-2006 Canadian Institutes of Health Research, Developing Linkages to Increase Capacity for Inuit Women's Health (\$40,075)

2005-2006 Calgary Health Region, Perspectives of Inuit Women on Health and Well-Being in a Nunavut Community (\$2,140)

2005 Canadian Institutes of Health Research, Development funds for successful LOI: Enhancing Interdisciplinary Capacity to Reduce Health Disparities through the Calgary Urban Projects Society (CUPS) Women's Health Program (\$5,000)

2005 Government of Canada, Health Canada, Alberta Women's Health: Identifying and Prioritizing the Agenda through Practice, Research and Community Consultations (\$80,249)

2004-2005 University of Calgary, University Research Grants Committee (URGC), Exploring Fracture Experiences Among Aboriginal Women (Pilot Project) (\$9,998)

2004 AHFMR, Visiting Lecturer, Dr. Benjamin F. Crabtree (\$1,500)

2003 Calgary Health Region, Urban HIV Positive Aboriginal Women's Reproductive Health and Peri-natal Experiences (\$2500)

2003 Health Canada, Women's Health Contributions Program, Environmental Scan of Women's Health in Alberta (\$52,295)

2002-2004 AHFMR, Health Research Fund, Midlife Women and Bone Health: Exploring Social and Cultural Contexts (\$100,000)

2002 Calgary Health Region, Aboriginal Youth and the HIV/AIDS Epidemic (\$2,844)

2002 AHFMR, Annual Distinguished Lecturer, Dr. Benjamin F. Crabtree (\$1,500)

2002 AHFMR, Visiting Scholar, Dr. Janice M. Morse (\$950)

2000 AHFMR, Travel Grant, North American Primary Care Research Group Annual Conference, Florida (\$1,350)

2000 Centre for Advancement of Health, Midlife Women and Frailty Fractures: Exploring Connections to Osteoporosis (\$5,841)

2000 University of Calgary, Faculty of Medicine Endowment Fund, Geriatrics Research, Osteoporosis: Experiences of Midlife Women (\$7,546)

2000 AHFMR, Visiting Scholar, Dr. Benjamin F. Crabtree (\$1,400)

1999-2001 AHFMR, Health Research Fund, Aboriginal Midlife Women and WHEALTH (\$71,250)

1999 AHFMR, Travel Grant, North American Primary Care Research Group Annual Conference, New Orleans (\$1,000).

1998-2000 AHFMR, Health Research Fund, Senior's Health (ACES Project) (\$81,000)

1998-2000 AHFMR, Health Research Fund, WHEALTH Stage 2 (\$69,937)

1998-1999 University of Calgary, Faculty of Medicine Endowment Fund, Geriatrics Research Endowment, Community Dwelling Frail Elderly Quality of Life (FREQL) Study (\$4,922)

- 1998 AHFMR, Visiting Scholar, Dr. Lorraine Ferris (\$1,350)
- 1998 AHFMR, Travel Grant, North American Primary Care Research Group Annual Conference, Montreal (\$1,000)
- 1997-1998 Social Sciences and Humanities Research Council (SSHRC) through the Prairie Centre of Excellence for Research on Immigration and Integration, Immigrant Women' Health (\$10,000).
- 1997-1998 University of Calgary, Faculty of Medicine Endowment Fund, Alberta Midlife Women's Health (\$12,500).
- 1997 AHFMR, Visiting Scholar, Dr. Eleanor Maticka-Tyndale (\$1,350)
- 1997 University of Calgary, Research Excellence Envelope Award, Equipment Grant (\$8,750)
- 1997 Government of Alberta, Summer Temporary Employment Program (\$3,069)
- 1996-1999 AHFMR, Implementation Grant, Support for research in role as AHMFR Population Health Investigator, WHEALTH: The Alberta Women's Health Study (\$90,000).
- 1996 Calgary Regional Health Authority through Government of Alberta Support, Summer Temporary Employment Program (\$3,069)
- 1995-1996 National Health Research and Development Program, with N. Radomsky, Facilitating Domestic Abuse Disclosure in Family Medicine Practices (\$24,610).
- 1995 Government of Alberta, Summer Temporary Employment Program (\$2,500)
- 1994 University of Calgary, Faculty of Medicine Endowment Fund (\$2,500)
- 1994 Government of Alberta, Summer Temporary Employment Program (\$5,354)
- 1994 Medical Research Council, Pilot Grant, Family Physicians and Family Violence (\$1,840).
- 1993 Board of Alberta Primary Care Research Unit, Patient Experiences of Irritable Bowel Syndrome (\$2,500).

Grants: Co-Investigator

- 2012-2017 Canadian Institutes of Health Research, Improving quality of care for Canadians at high risk for fractures: A knowledge to action approach (\$2,469,271). Principal Investigators: SE Jaglal, GA Hawker, SR Majumdar, SM Cadarette, SE Straus.
- 2011-2012 Canadian Institutes of Health Research, Team Grant: Bone Health (LOI), Improving quality of care for Canadians at high risk for fractures: A knowledge-to-action approach (\$10,000). Principal Applicants: SB Jaglal, SM Cadarette, GA Hawker, SR Majumdar, SE Straus.
- 2010-2012 Canadian Institutes of Health Research, Operating Grant: Priority Announcement, What is the fracture patient's role in receipt of osteoporosis investigation and treatment? (\$60,000). Principle Investigator: JE Sale.

- 2009-2010 Canadian Institutes of Health Research, Catalyst Grant: Mobility in Aging, Bridging the gap between identified need and adherence to osteoporosis care after a fragility fracture (\$88,193). Principle Investigator: JE Sale.
- 2009-2010 Canadian Institutes of Health Research, Institute of Aging, What is the fracture patient's role in receipt of osteoporosis investigation and treatment? (\$60,000). Principle Investigator: JE Sale.
- 2008-2009 Canadian Institutes of Health Research, Bridging the gap between identified need and adherence to osteoporosis care after a fragility fracture (\$86,641). Principle Investigator: JE Sale.
- 2008-2009 The J.P. Bickell Foundation, Bridging the gap between identified need and adherence to osteoporosis care after a fragility fracture (\$64,903). Principle Investigator: JE Sale. (Declined when received CIHR funding.)
- 2008-2009 Canadian Tobacco Control Research Initiative, Smoking and cessation among pregnant women in the Baffin region of Nunavut (\$50,000), Principal Investigator: R Reid, University of Ottawa Heart Institute.
- 2007-2008 Ontario Ministry of Health and Long-Term Care Osteoporosis Strategy and Toronto Rehabilitation Institute, Regional Osteoporosis Coordinator Knowledge Exchange Trial (ROCKET) (\$320 983)
- 2007-2008 Canadian Institutes for Health Research, Developing and evaluating an Urban Aboriginal Health Research Network (\$50,000). Principal Investigator: WE Thurston.
- 2006-2008 Alberta Prion Research Institute – Alberta Ingenuity, A cohort study of the impact of prion disease on farm family community health (\$200,000). Principal Investigator: WE Thurston.
- 2006-2008 PrioNet Canada – Networks of Centres of Excellence, A cohort study of the impact of prion disease on farm family community health (\$400,000). Principal Investigator: WE Thurston.
- 2006-2008 AHFMR Health Research Fund, The Healing Journey: Aboriginal women and intimate partner abuse in Alberta (\$100,000). Principal Investigator: WE Thurston.
- 2006-2007 Centre for Advancement of Health, Calgary Health Region, Cohort study of midlife women with fragility fractures (\$5,000)
- 2006-2007 Canadian Institutes for Health Research, Societal determinants of trauma and risk outcome (Team Planning and Development), (\$99,980)
- 2005-2008 SSHRC, Using decision-tree modeling to examine how ethnocultural affiliation and gender influence cardiovascular disease risk management behavior (\$160,930)
- 2004-2007 Canadian Institutes for Health Research, Health Services and Policy Research: Integrating and maintaining domestic violence screening protocols in emergent care settings (\$226,550)
- 2004-2005 Canadian Institutes for Health Research: Sites and Sources Resilience among Calgary seniors, Kerby Centre of Excellence (\$50,000)
- 2003-2009 Canadian Institutes of Health Research, A training program to Enhance Qualitative Understanding of Illness Processes and Prevention (EQUIPP) (\$1,800,000)

- 2003-2004 Canadian Institutes for Health Research, Health Services Research: Near misses and adverse effects in community primary care practice (\$90,027)
- 2003-2004 Canadian Institutes for Health Research, Global Health Research Development and Planning Grant, Women's participation in domestic violence health policy development (\$74,695)
- 2002-2003 Canadian Institutes for Health Research, Participation of immigrant women in health policy development: The role of advocacy coalitions and policy networks (\$48,078)
- 2002-2003 University International Grants Committee, Internationalization of women's health and gender analysis training in health: A teaching and research partnership between the University of Calgary and Edith Cowan University of Western Australia (\$9,410)
- 2002 Faculty of Medicine Endowment Grant, Pilot Project, The interplay of gender, migration, socio-economics and health (\$9,213)
- 2001-2002 Crime Prevention Partners of Justice Canada, Developing a resource manual of evidence-based best practices in gendered school-based violence prevention programs (\$68,000)
- 2000 Alberta Health & Wellness, Unlicensed international medical graduates survey 2000 (\$15,000)
- 2000 Division of Orthopaedic Research Section, University of Calgary, Osteoporotic Fractures: A needs assessment proposal (\$7,830)
- 1999-2000 Hip Hip Hooray (Canadian Orthopaedic Foundation), Osteoporotic fractures: A needs assessment proposal (\$4,500)
- 1996-1998 Alberta Health, Health Transition Fund, Evaluation of the Alexandra Community Health Centre as a model of primary health (\$260,100)
- 1996-1998 Network for Health Research, Smoking cessation in dental offices (\$3,000). Principal Investigator: S Campbell.
- 1995-1998 National Cancer Institute of Canada, Smoking cessation in dental offices (\$289,918). Principal Investigator: S Campbell.
- 1995 National Cancer Institute of Canada, Behavioral Research Satellite Centre, Smoking cessation through dental offices (\$5,000)
- 1995 Astra Pharmaceuticals and Boehringer Ingelheim, Effects of pharmaceutical detailing on prescription choices for family medicine resident (\$4,500). Principal Investigator: A Cave.

Contracts

- 2013-2014 Community Health Nurses of Canada, Leadership Competencies for Public Health Practice in Canada: Environmental Scan. Qualitative research consultant, subcontracted by Robinson Vollman Inc., Calgary (\$10,350).
- 2012 Nutrition Project: Children's Perceptions of Fun Foods. Qualitative research analysis for Charlene Elliot, Communication Studies, University of Calgary (\$5000).

- 2011-2013 Community Action Teams for Cardiovascular Health (CHAMP): Focus on Community Dwelling Low Income Seniors. Evaluator. Dr. C. Jones, Libin Cardiovascular Institute, University of Calgary. (\$7,600)
- 2009 United Way of Calgary and Area, Analysis of Employment Legislation in Alberta using a gender lens: Legislation: Employment Code and Regulations and Workers' Compensation. Research analyst for Poverty Reduction Coalition, (\$10,000).
- 2008-2009 Alberta Health and Wellness, Knowledge and Education Project: Assessing the breadth and depth of knowledge and education of Registered Nurses, Licensed Practical Nurses and Registered Psychiatric Nurses in Alberta. External Auditor, contracted by Robinson Vollman Inc., Calgary (\$17,500).
- 2000-2001 Alberta Health & Wellness, Unlicensed International Medical Graduates Survey 2000. AJ Cave, P Jagasia, O Szafran, L Meadows, K Kyeremanteng (Jun 2000-Mar 2001) (In-kind contribution from salary with University of Alberta Department of Family Medicine).
- 2000 Department of Justice Canada, National Crime Prevention Centre, The Crime Prevention Partnership Program. Resource Manual for School-based Gendered Violence Prevention Program (\$55,000)
- 1998-1999 Prairie Partners Community Foundation, A Review of Best Practices in Prevention of Domestic Violence (\$33,000)
- 1998 Calgary Regional Health Authority, Best Practices in School Based Tobacco and Injury Prevention: A Review (\$37,850)
- 1996-1998 SEARLE Canada (\$4,000)

CONSULTATIONS

Grants and Data Management

- 2003 Apr RESOLVE Manitoba, preparation of CIHR Grant Proposal: Longitudinal Study of Women's Recovery from Intimate Partner Abuse
- 2002 Nov Dr. K. Grant, Winnipeg, MB
- 2002 Sep Dr. T. Zink, Cincinnati, OH
- 2002 Jul Dr. R. Williams, Albuquerque, NM
- 2002 Jun Dr. E. Maticka-Tyndale, Windsor, ON
- 2001 Jul Dr. W. Adams, Omaha, NB
- 2001 May Dr. K. Griswold, Buffalo, NY

INVITED ADDRESSES/PRESENTATIONS

Sale JEM, Frankel L, Inrig T, Bogoch E, Gignac M, Beaton D, Jaglal S, Hawker G, **Meadows LM**, Jain R. BMD reporting underestimates fracture risk in Ontario. Accepted for Poster Presentation. Breakfast of Our Champions, St. Michael's Hospital, Toronto, Ontario, July 15, 2014. (Principal Author)

Sale JEM, Frankel L, Inrig T, Bogoch E, Gignac M, Beaton D, Jaglal S, Hawker G, **Meadows LM**, Jain R. BMD reporting underestimates fracture risk in Ontario. Accepted for Oral Presentation. Selected for the Plenary Poster Session Top 15 Poster Presentations. The 2nd Fragility Fracture Network Global Congress, Berlin, Germany, August 29-31, **2013**. (Principal Author)

Sale JEM, Frankel L, Inrig T, Bogoch E, Gignac M, Beaton D, Jaglal S, Hawker G, **Meadows LM**, Jain R. BMD reporting underestimates fracture risk in Ontario. Accepted for Poster Presentation. Also selected for the Plenary Poster Session Top 15 Poster Presentations (Top-08). The 2nd Fragility Fracture Network Global Congress, Berlin, Germany, August 29-31, **2013**. (Principal Author)

Rowe HA, Meadows LM, Mrkonjic L, Thurston WE. Midlife women and low-trauma fractures: A longitudinal understanding the risk perception and risk mitigation of osteoporosis. International Osteoporosis Foundation World Congress on Osteoporosis & 10th European Congress on Clinical and Economic Aspects of Osteoporosis and Osteoarthritis, Florence, Italy, May 5-8, 2010.

Stewart JK, Doyle-Baker PK, Meadows LM. Understanding the lived experiences of physically active women with knee osteoarthritis. IIQM Qualitative Health Research Conference, Vancouver, BC, October 2009.

Rowe HA, Meadows LM. Midlife women and bone health: The use of a longitudinal cohort design in fracture and bone density loss prevention [oral presentation]. Canadian Public Health Association Annual Conference, Public Health in Canada: Strengthening Connections, Winnipeg, MB, June 7-10, 2009.

Invited Keynote Speaker, National Consultation on Information Needs of Older Women. Canadian Women's Health Network (CWHN), Winnipeg, MB, 2004. Subsequently appointed to Expert Review and Advisory Committee.

Invited in-Conference Keynote, *Case Studies: "Seeing" Process and Interaction in Care When Observation Isn't an Option*, Advances in Qualitative Methods, Banff, Alberta, May 3, 2003.

Invited Panel Member, *Evidence-based decisions vs. research-based decisions: Is there a difference? Which are better?*, Canadian Research Transfer Network Inaugural Meeting, Calgary, Alberta, October 2002.

Keynote Address, *Healthy Nurses in a Healthy Alberta*, Certified Licensed Practical Nurses of Alberta Annual Meeting, Edmonton, Alberta, April 2002.

Keynote Address, *Conceptualizing Wellness: Insight from the WHEALTH Study*, 8th Annual Qualitative Health Research Conference, Banff, Alberta, April 2002.

Workshop, *Dealing with Data: Techniques of Management and Analysis to Aid Interpretation*, 8th Annual Qualitative Health Research Conference, Banff, Alberta, April 2002.

Computer Assisted Qualitative Research: Uses in Primary Care Research, Omaha, Nebraska, July 2001.

Challenges to Health in Immigrant Women at Midlife, Calgary & Immigration: Growth, Advantage, Challenge, Calgary Catholic Immigration Society, University of Calgary, Calgary, Alberta, June 2001.

Qualitative Methods Assisted by Computer Programs, Department of Family Practice, Jacobs School of Medicine, University at Buffalo, Buffalo, NY, May 2001.

Using N5 and Nvivo to Analyze Qualitative Data, Okanagan University College, Kelowna, BC, April 2001.

Qualitative Evaluations: How to Use N5 to Assist in Data Analysis and Management, Post Secondary Education and Skills Training, Saskatchewan Government, Regina, SK, March 2001.

Working with a longitudinal database, Primary Care Research Methods and Statistics Conference, Department of Family Practice, University of Texas Health Science Centre, San Antonio, TX, December 2000.

Data Analysis and Interpretation: Thinking Qualitatively, International Institute for Qualitative Methodology, Edmonton, Alberta, October 2000.

Analysing and Interpreting Qualitative Data in Primary Care Research, University of Virginia, Department of Family Practice, Charlottesville, VA, September 2000.

Doing Qualitative Research Using Nvivo Qualitative Software, University of Utah, School of Education, Salt Lake City, UT, June 2000.

Pre-Conference Workshop, *Qualitative Data Analysis and Interpretation*, North American Primary Care Research Group Annual Conference, San Diego, CA, November 1999.
