

University of Calgary
Faculty of Medicine
CURRICULUM VITAE

I. BIOGRAPHICAL DATA

Name: Dr. Deborah M. Dewey

Address: Behavioural Research Unit, Alberta Children's Hospital, 2888 Shaganappi Trail NW,
Calgary, AB T3B 6A8

Telephone: 403-955-7394

Email: dmdewey@ucalgary.ca

Present Rank: Professor

Department: Paediatrics, Community Health Sciences

Faculty: Faculty of Medicine

Institution: University of Calgary

II. ACADEMIC RECORD

Final Degree: Doctor of Philosophy

Date Completed: 1990/11

Specialty: Psychology

Institution/City/Country: University of Calgary, Alberta, CANADA

i. Undergraduate

1973/09 - 1977/05 Bachelor of Arts, Undergraduate, Psychology, University of Saskatchewan, CANADA

ii. Graduate and Post-Doctoral

1984/09 - 1986/05 Master of Science, Master's Thesis, Kinesiology, University of Waterloo, CANADA

1979/09 - 1981/11 Master of Science, Master's Thesis, Psychology, University of Saskatchewan, CANADA

1987/09 - 1990/11 Doctor of Philosophy, Graduate (PhD), Psychology, University of Calgary, CANADA

1990/09-1991/08 Postdoctoral Fellow, Medical Psychology (Clinical), Oregon Health Sciences University,
Portland, Oregon

iii. Licensure, Certification and Boards

1982/03 R. Psych, College of Alberta Psychologists

III. AWARDS AND DISTINCTIONS

2013 Eyes High Postdoctoral Scholars Award, University of Calgary, \$100,000

2013 2013 Global Health Champion Award, Faculty of Medicine, University of Calgary

2013 Mentorship Award, Department of Paediatrics, University of Calgary

2012 2012 Academic Leadership Award by the Department of Paediatrics, University of
Calgary, Department, Leadership

2012	Silver Star Award in Undergraduate Medical Education, University of Calgary
2011	Silver Star Award in Undergraduate Medical Education, University of Calgary
2011	Co-editor of a special edition of <i>Developmental Neuropsychology: The consequences of being born very early or very small</i>
2010	Bronze Star Award in Undergraduate Medical Education, University of Calgary
2007-2008	Senior author of one of the top 10 articles for J of Attention Disorders: “Crawford, SG, Kaplan, BJ Dewey D (2006). Effects of coexisting disorders on cognition and behavior in children with ADHD. J of Attention Disorders, 10(2), 192-199”
2006	Elected as a Fellow of the Canadian Psychological Association
2000-2005	CIHR/SSHRC/NHRDP Health Career Award
2001-2002	Robin K. Gray Fellowship, Department of Human Movement and Exercise Science, University of Western Australia, Nedlands Australia
1998	Ray Alward Memorial Award, The Student's Union, University of Calgary
1991	University of Calgary Postdoctoral Fellowship (Declined), University
1991	Alberta Heritage Foundation for Medical Research Fellowship (Declined)
1990	Alberta Mental Health Advisory Committee Scholarship, Provincial
1989	Alberta Heritage Foundation for Medical Research Studentship, Provincial
1989	Psychologist Association of Alberta Student Research Award, Graduate
1989	Province of Alberta Graduate Fellowship (Declined), Provincial
1989	Medical Research Council of Canada Scholarship (Declined)
1989	Alberta Mental Health Advisory Committee Scholarship
1988	Alberta Heritage Foundation for Medical Research Studentship
1987	Ontario Graduate Scholarship (Declined)
1987	Province of Alberta Graduate Fellowship (Declined)
1987	Alberta Heritage Foundation for Medical Research Studentship
1981	University of Saskatchewan Graduate Scholarship, University
1980	University of Saskatchewan Graduate Scholarship, University
1979	University of Saskatchewan Graduate Scholarship, University
1976	University of Saskatchewan honours Scholarship, University
1975	Hantleman Humanities Award, Provincial, Education
1973	Government of Saskatchewan General Proficiency Award, Provincial, Education

IV. ACADEMIC APPOINTMENTS

2006-present	Professor, Department of Community Health Sciences, University of Calgary, Canada
2006-2011	Adjunct Professor, Faculty of Kinesiology, University of Calgary, Canada

2005-present	Professor, Department of Paediatrics, University of Calgary, Canada
2002-2007	Adjunct Associate Professor, Department of Psychology, University of Calgary, Canada
2001-2002	Visiting Lecturer, Human Movement and Exercise Science, University of Western Australia, Australia
2001-2006	Adjunct Associate Professor, Faculty of Kinesiology, University of Calgary, Canada
1999-2004	Adjunct Associate Professor, Community Rehabilitation and Disability Studies, University of Calgary, Canada
1998-2005	Associate Professor, Department of Paediatrics, University of Calgary, Canada
1992-2002	Adjunct Assistant Professor, Department of Psychology, University of Calgary, Canada
1991-1998	Assistant Professor, Paediatrics, University of Calgary, Canada

V. EDUCATIONAL ACTIVITY

i. Undergraduate

Instructor

2012	MDSC 508, Oral Honours Thesis Exam, 4 students
2011 - 2012	BHSC Faculty Mentor, met with 2 undergraduate students in the BHSC program to discuss research, academic and lifestyle issues.
2011	MDCN 340, Health Population, Undergraduate Medical Education, 6 small groups, 10 students
2010	MDCN 340, Health Population, Undergraduate Medical Education, 6 small groups, 10 students
2009	MDCN 340, Health Population, Undergraduate Medical Education, 4 small groups, 12 students
2004-2006	Research Mentor to Emily Lefkowitz, Suffern High School in New York. Project title: <i>Social adjustment of siblings of children with autism</i> . This project received the following awards: <ul style="list-style-type: none"> - National Finalist, Second place award: 2005-2006 Young Epidemiology Scholars Competition (YES) http://www.collegeboard.com/yes/fs/inners_0506_secondplace.html, - Semi-finalist: 2006 INTEL Science Talent Search http://www.sciserv.org/sts/65sts/semi_ny.asp - 3rd place: 2006 American Psychological Association Competition (APA) - 2nd place (Oral Presentation) presentation: Regional Junior Science and Humanities Symposium in Albany, New York (JSHS) - 3rd place: 2006 New York State Science and Engineering Fair (NYSSEF), Behavioral and Social Sciences, INTEL Division
1999	PSYC 503.36, Issues in Learning Disabilities Research (independent study), 2 Students
1999	PSYC 451, Experimental Child Psychology: Basic Processes, 13 lectures (165 min/lecture), 18 students
1998	PSYC 451, Experimental Child Psychology: Basic Processes, 13 lectures (165 min/lecture), 22 students
1995	PSYC 351, Developmental Psychology, 13 lectures (150 min/lecture), 72 students
1993	PSYC 351, Developmental Psychology, 24 lectures (80 min/lecture), 111 students

Guest Lecturer

- 1993 SOWK 311, Human Development: Childhood and Adolescence, 1 lecture (90 minutes), 54 students
- 1992 PSYC 385, Abnormal Psychology, 1 lecture (90 minutes), 70 students

Honors Thesis Supervisor

- 2011 - 2012 Primary supervisor, Anna Volkovinskaia, MDSC 508, Undergraduate Honors,
- 2007 - 2008 Primary supervisor, Nancy Lee, MDSC 508, Undergraduate Honors
- 2006 - 2007 Primary supervisor, Michelle Gour, PSYC 598, Undergraduate Honors
- 2005 - 2006 Primary supervisor, Sarah Loberg, PSYC 598, Undergraduate Honors
- 2005 - 2006 Primary supervisor, Andrea Wilson, PSYC 598, Undergraduate Honors
- 2004 - 2005 Primary supervisor, Julie Bauman, PSYC 598, Undergraduate Honors
- 2004 - 2005 Primary supervisor, Jennifer Thomson, PSYC 598, Undergraduate Honors
- 2002 - 2003 Primary supervisor, Shauna Bottos, PSYC 598, Undergraduate Honors
- 2000 - 2001 Primary supervisor, Meghan Roy, PSYC 598, Undergraduate Honors
- 1999 - 2000 Primary supervisor, Eric Hawkins, PSYC 598, Undergraduate Honours
- 1998 - 1999 Primary supervisor, Annette Henderson, PSYC 598, Undergraduate Honours

Honors Thesis and Special Projects Reader

- 2008 Katy Lin, MDSC 508, Undergraduate Honors
- 2008 Jodi Branton, MDSC 508, Undergraduate Honors
- 2000 Stephanie Wrinch, PSYC 504.27, Special Research Seminar
- 2000 Gibran Shah, PSYC 504.27, Special Research Seminar
- 1993 Niomi Hoffer, PSYC 598, Undergraduate Honors
- 1992 Karen Colbourne, PSYC 598, Undergraduate Honors

Research Preceptor

- 2015 Primary supervisor, Aysha Chaudhry, Undergraduate (Biological Sciences summer student)
- 2015 Primary supervisor, Siobhan Thornton, Undergraduate (Neuroscience summer student)
- 2014 Primary supervisor, Siobhan Thornton, Undergraduate (Neuroscience summer student)
- 2013 Primary supervisor, Vanessa Giesbrecht, Undergraduate (Neuroscience summer student)
- 2013 Primary supervisor, Aileen Naef, Undergraduate (Neuroscience summer student)
- 2009 Primary supervisor, Nicole Cousins, Undergraduate (Neuroscience summer student)
- 2010 Primary supervisor, Anna Volkovinskaia, Undergraduate (Health Science summer student)
- 2007-2008 Primary supervisor, Brett Guist, MDSC 408, Health and Society
- 1997-1999 Primary supervisor, Mary Jetha, MDSC 340/440, Research Project
- 1997-1999 Primary supervisor, Sue Pedersen, MDSC 340/440, Research Project
- 1996-1998 Primary supervisor, Yvette Leung, MDSC Science 340/440, Research Project

Course Planning

1993-1994 Medical Science Human Development Course Planning Committee

ii. Graduate

Instructor

2014 MDCH 700, Directed study course with a PhD student, Course title: Impact of prenatal and early childhood exposure to phthalates

2011-2015 MPH program at Catholic University of Health and Allied Sciences (CUHAS), Mwanza Tanzania, BUCHS, Masters of Public Health, Mwanza, Tanzania, Two week course taught on "Healthy Child Development". This program is supported through the Associate Dean Int/Global Health Faculty of Medicine, University of Calgary

2011 MDSC 755, Directed study course with a Neuroscience MSc student, Course title: Neuroimaging in children with development disorders

2011 CAAP 619, Applied Psychology, Specialized Clinical Practicum with a Master of Counseling, Counseling Psychology student

2006 CRDS 691.43, Directed study course with a Master of Disability and Community Studies student, Course title: A look at the nature of Autism and Interventions

2005 CRDS 619.41, Directed study course with a Master of Disability and Community Studies student, Course title: Fundamentals of Human Neuropsychology

1999 PSYC 503.36, Directed study course with two PhD students in Clinical Psychology, Course Title: Issues in Learning Disabilities Research

1998 PSYC 703-.02, Directed study course with two PhD students in Clinical Psychology, Course Title: Introduction to Developmental Neuropsychology

1998 EDPS 693.04, Directed study course with on masters student in Educational Psychology, Course Title: Bayley Scales of Infant Development

Guest Lecture

2012-2015 MDSC 674.01, "Multidisciplinary Research: working together to answer important research questions", 1 lecture (90 minutes), ~ 30 students

2007 (Nov) "Developmental motor disorders: from behaviour to brain" presented to the Department of Psychology Neuroscience Research Group

2006 (Mar) "Studies by the Behavioural Research Unit on neurobehavioural issues in children and adults" Department of Community Health Sciences Weekly Seminar series.

Graduate Student Supervision

Masters

2015-present Kapinga, Ranier, MPH, School of Public Health, Catholic University of Health and Allied Sciences (CUHAS), Tanzania. *Newborn care practices among breastfeeding women in Bahi District, Dodoma Region, Central Tanzania.* (Co-supervisor).

2015-present Geni Mabelya, MPH, School of Public Health, Catholic University of Health and Allied Sciences, Tanzania. Thesis: *Evaluation of the Coverage and Consistent Use of Insecticide Treated Mosquito Bed Nets (ITNs) in the Prevention of Malaria among Pregnant Women in Artisanal and Small Scale Gold Mining Areas in North Western Tanzania* (Co-Supervisor)

2014-present Matthew Walton, MSc, Medical Sciences, Faculty of Medicine, University of Calgary. Thesis: *The association between brain and language development in preschool children* (Committee member)

2012-present Karin Winston, MSc, Community Health Sciences (Population and Public Health), Faculty

of Medicine, University of Calgary. Thesis: *Determining the effect of a targeted video on satisfaction with transition from pediatric to adult endocrine care for patients with type 1 diabetes mellitus* (Supervisor).

- 2012-2014 Benjamin Tan, MSc, Faculty of Kinesiology, University of Calgary, Thesis: *Sport and recreational activity participation and injury risk in elementary school children with probable developmental coordination disorder or attention deficit hyperactivity disorder* MSc obtained June 2015 (Co-supervisor).
- 2012-2014 Jennifer Saunders, MSc, Neurosciences, Faculty of Medicine, University of Calgary, Thesis: *Understanding motor connectivity in perinatal stroke using resting-state functional magnetic resonance imaging* (Committee member)
- 2011-2014 Stephen Mosca, MSc, Medical Sciences, Faculty of Medicine, University of Calgary, Thesis: *Discovery and characterization of rare genomic copy number variants in children with developmental coordination disorder*. MSc obtained June 2014 (Committee member).
- 2010-2015 Kevin McLeod, MSc, Medical Sciences, Faculty of Medicine University of Calgary, University of Calgary, Student co-supervised: Thesis: *Resting state fMRI in children with developmental coordination disorder and attention deficit hyperactivity disorder*. MD/MSc obtained May 2015 (Co-supervisor).
- 2010-2011 Elias Charles Nyanza, MPH, Wiell Bugando University College of Health Sciences, St. Augustine University of Tanzania, Thesis: *Assessment of community risk perceptions and environmental exposure to arsenic and mercury from artisanal gold mining*. MPH obtained November 2011 (Supervisor).
- 2006-2009 Matthew Ray, MSc, Faculty of Kinesiology, University of Calgary, *The Mirror Neuron System and Observational Learning*. MSc obtained May 2009 (Committee member).
- 1997-1998 Laura Kaminsky, MSc, Programme in Clinical Psychology, University of Calgary, Thesis: *Psychosocial adaptation and sibling relationships in siblings of children with autism*. MSc obtained November 1998 (Supervisor).
- 1997-1998 Bernadette Benson, MSc, Department of Educational Psychology, University of Calgary, Thesis: *Stress and the need for resources in families of children with autism*. MSc obtained November 1998 (Supervisor).
- 1995-1997 Joy Hauck, MSc, Programme in Clinical Psychology, University of Calgary, Thesis: *Hand preference in children with autism*. MSc obtained November 1997 (Supervisor)
- 1995-1996 Carolyn Oke, MSc, Programme in Clinical Psychology, University of Calgary, Thesis: *Social skills in children with cystic fibrosis and their siblings*. MSc obtained November 1996. (Supervisor)
- 1997-1999 Ruth Kohut, MSc, Department of Community Health Sciences, Faculty of Medicine, University of Calgary. Thesis: *Women knowledge of prenatal ultrasound and informed choice*. MSc obtained November 1999 (Committee member).
- 1995-1995 Christine Grant, MSc, Programme in Clinical Psychology, University of Calgary, MSc obtained November 1995 (Committee Member).
- 1994-1995 Julia Rucklidge, MSc, Programme in Clinical Psychology, University of Calgary. Thesis: *Developmental differences between same-sex and opposite-sex twins*. MSc obtained June 1995 (Committee Member).
- 1994-1995 Wilma Lacey, MSc, Programme in Clinical Psychology, University of Calgary, Thesis: *Adolescent-family and friend negotiation of moral reasoning*. MSc obtained September 1995 (Committee Member).

PhD

- 2014-present Elias Charles Nyanza, Community Health Sciences (Population and Public Health), Faculty of Medicine, University of Calgary and Catholic University of Health and Allied Sciences.

- Thesis: *Exposure to arsenic and mercury: associated pregnancy outcomes, and early infant developmental outcomes in gold mining areas in Tanzania* (Supervisor).
- 2014-present Manuela Schuetze, Medical Sciences, Faculty of Medicine, University of Calgary. Thesis: *Reward processing in individuals with autism spectrum disorder* (Committee member).
- 2013-present Jiaying Liu, Laboratory Medicine and Pathology, Faculty of Medicine, University of Alberta. Thesis: *The combined effect of neurotoxicants and nutrients on human neurodevelopment* (Committee Member).
- 2013-present Eveline Konje, Community Health Sciences (Epidemiology), Faculty of Medicine, University of Calgary and Catholic University of Health and Allied Sciences. Thesis: *Impact of home versus hospital birth on maternal and infant outcomes in rural Tanzania* (Supervisor).
- 2012-present Maede Ejaredar, Community Health Sciences (Epidemiology), Faculty of Medicine, University of Calgary. Thesis: *Neuropsychological outcomes of prenatal exposure to bisphenol A and phthalate in young children: The modifying role of maternal stress* (Supervisor).
- 2012-present Jennifer Mitchell, Community Health Sciences (Community Rehabilitation and Disability Studies), Faculty of Medicine, University of Calgary (Committee member), Thesis: *Fathers' experiences of leisure pursuits with their children with autism spectrum disorder* (Committee member).
- 2010-present Fariba Agajafari, Community Health Sciences (Health Services), Faculty of Medicine, University of Calgary, Thesis: *Vitamin D intake during pregnancy and its association with maternal and neonatal outcomes* (Committee member).
- 2006-2012 Helen Lee, Community Health Sciences (Health Economics), Faculty of Medicine, University of Calgary. PhD obtained November 2012. Thesis: *An economic evaluation of a worksite obesity prevention program in the Calgary health region* (Committee member).
- 2003-2006 Amanda Casey, Faculty of Kinesiology, University of Calgary, Thesis: *A 12-week swimming intervention on specific respiratory elements of speech production in adolescents with Down Syndrome*. PhD obtained Spetember 2006 (Committee member).
- 2000-2004 Tracey Bank, Psychology (Clinical Psychology), Faculty of Social Sciences University of Calgary, Thesis: *Social skills knowledge and performance in children with ADHD: An examination of interfering responses*. PhD obtained November 2004 (Committee member).
- 1999-2003 Kathy Humbke, Psychology (Clinical Psychology), Faculty of Social Sciences, University of Calgary, Thesis: *Social Competence in very low birth weight children*. PhD obtained May 2003 (Supervisor).
- 1999-2003 Debbie Brown, Psychology (Clinical Psychology), Faculty of Social Sciences, University of Calgary, Thesis: *Attachment and attributional styles in men and women with symptoms of attention-deficit/hyperactivity disorder*. PhD obtained February 2003 (Committee member).
- 1998-2001 Laura Kaminsky, Programme in Clinical Psychology, University of Calgary, Thesis: *Coping and cognitive processes as predictors of adaptation in children with recurrent abdominal pain*. PhD obtained November 2001 (Supervisor).
- 1997-2000 Joy Hauck, Programme in Clinical Psychology, University of Calgary. Thesis: *A Longitudinal study of hand preference in children with autism*. PhD obtained November 2000 (Supervisor).
- 1996-2000 Carolyn Oke, Programme in Clinical Psychology, University of Calgary. Thesis: *Differential patterns of maternal and child adaptation to different chronic illnesses*. PhD obtained May 2000 (Supervisor).
- 1994-1997 Kristie Kneppers, Programme in Clinical Psychology, University of Calgary, Thesis: *Relationship between parental characteristics and perceptions of and emotional responses*

to child behaviour. PhD obtained August 1997 (Committee Member).

Graduate Student Examining Committees

2015	Manuela Schuetze, PhD Candidacy Examination, Medical Sciences, University of Calgary (Supervisory Committee)
2015	Maede Ejaedar, PhD Candidacy Examination, Community Health Sciences, University of Calgary (Supervisor)
2015	Kelie Lahey, MSc Thesis Examination, Medical Sciences, University of Calgary (Neutral Chair)
2014	Jennifer Mitchell, PhD Candidacy Examination, Community Health Sciences, University of Calgary (Committee member)
2014	Yingxuan (Ethan) Chen, MSc Thesis Examination, Medical Sciences, University of Calgary (Neutral Chair)
2014	Jiaying Lui, PhD Candidacy Examination, Laboratory Medicine and Pathology, University of Alberta (Committee member)
2013	Hanna Kubas, MSc Thesis Examination, Educational Psychology, Faculty of Education, University of Calgary (External examiner)
2012	Jacquie Hodge, MSc Thesis Examination, Neurosciences, Faculty of Medicine, University of Calgary (External examiner)
2012	Fariba Aghajafari, PhD Candidacy Examination, Community Health Sciences, University of Calgary (Committee member)
2010	Aliyah Mawji, PhD Candidacy Examination, Community Health Sciences, University of Calgary (External examiner)
2009	Kerri Lynn Staples, Ph.D., Doctoral Thesis Examination, Department of Kinesiology and Physical Education, McGill University, Montreal, QC (External examiner)
2007	Helen Lee, PhD Candidacy Examination, Community Health Sciences, University of Calgary (Committee member)
2006	Josephine Ho, MSc Thesis Examination, Community Health Sciences, University of Calgary (External examiner)
2006	Jacqueline Williams, PhD Thesis Examination, Division of Psychology School of Health Sciences, RMIT University, City Campus, Melbourne, Victoria, Australia (External examiner)
2001	Thelma Pitcher, PhD Thesis Examiner, Department of Psychology, Curtin University of Technology, Perth, Australia (External examiner)
2001	Ali Nieman, MPsych Thesis Examiner, Department of Psychology, Curtin University of Technology, Perth, Australia (External examiner)
2000	D. Caroll, MEd Thesis Examination, Community Rehabilitation and Disability Studies (External examiner)
1999	Mary McKenna, PhD Candidacy Examination, Programme in Clinical Psychology, University of Calgary (External examiner)
1997	Todd Hill, PhD Candidacy Examination, Programme in Clinical Psychology, University of Calgary (External examiner)
1997	Phyllis Prout, PhD Candidacy examination, Programme in Clinical Psychology, University of Calgary (External examiner)
1997	Marlene Reimer, PhD Candidacy Examination, Community Health Sciences, Faculty of Medicine, University of Calgary (External examiner)

Evaluator

2013(Mar)	Student Poster Awards, Annual Research Symposium, Institute of Maternal and Child Health Research
2013(Jun)	Student Poster Awards, Annual Research Symposium, Hotchkiss Brain Institute Day
2007(Mar)	Student Poster Awards, Annual Research Day, Department of Community Health Sciences
2004(Nov)	Student Poster Awards, Annual Research Symposium, Institute of Maternal and Child Health Research Day

iii. Post Graduate

Postgraduate Education

2009-2014	Research course for Pediatric, Obstetrics and Emergency Medicine Residents and Fellows, Alberta Children's Hospital, "Writing a successful research grant", educational seminar
2004-2008	Research course for Pediatric, Obstetrics and Emergency Medicine Residents and Fellows, Alberta Children's Hospital "How to develop a research question", educational seminar

Postgraduate Students Supervised

2013-present	Kayla Ten Eycke, Eyes High Postdoctoral Scholar, <i>Impact of exposure to neurotoxicant in utero on the development of executive functions</i> (Primary supervisor)
2010-2013	Lisa Marie Langevin, Postdoctoral Trainee, <i>Common structural alterations of cortical white matter in motor and attention disorders</i> (Primary supervisor)
2007-2011	Jody Patrick, Pediatric Resident, <i>Factors Influencing Assessment and counseling of growth, physical activity and diet in paediatric primary care</i> (Research project supervisor)
2009-2010	Fiona Schulte, Postdoctoral Trainee, <i>Bridging the gap: Parent vs. self-reports of social competence outcomes among survivors of childhood cancer</i> (Primary supervisor)
2009-2012	Gerald Giesbrecht, Postdoctoral Trainee: <i>Pregnancy mood and cortisol</i> (Co-supervisor)
2006-2010	Carolyn Hutzal, Pediatric Resident, <i>What can we learn from the experiences of overweight children participating in a family centred healthy-lifestyle intervention? A qualitative study</i> (Research project supervisor)
2005 - 2010	Christine Kennedy, Pediatric Resident, <i>Has the Alberta Daily Physical Activity Initiative been successfully implemented in Calgary schools?</i> (Research project supervisor)
1995-1996	Oana Caluseriu, Genetics Resident, <i>"Familial aggregation in children with developmental coordination disorder"</i> (Research project so-supervisor)
1995-1996	Mary Bowden, Postdoctoral Research Project Supervisor' <i>Measuring executive function in children</i> (Supervisor)

Post-graduate Clinical Supervision

1995-1997	Lee Hackney, Provisional Psychologist supervision
1999-2000	Bernadette Benson, Provisional Psychologist supervision
2011-2012	Ashley Marsh, Provisional Psychologist supervision
2013-present	Sally Powis, Provisional Psychologist supervision

iv. Continuing Medical Education

2014 (May)	"Clumsy Child: Is this Developmental Coordination Disorder", Annual Pediatric Update Conference, Alberta Children's Hospital, Calgary, AB
2008 (May)	"Child Health Research Office: Roles and Activities ". Neonatal Research Group, Foothills Hospital, Calgary, AB

v. Knowledge Translation/Community Education

- 2013 (Oct) *What have longitudinal cohorts taught us?* Alberta-wide webinar funded by a Knowledge Translation grant from Alberta Innovates Health Solutions.
- 2013(Oct) *Developmental coordination disorder: From genes to behaviour.* Alberta-wide webinar series funded by a Knowledge Translation grant from Alberta Innovates Health Solutions.
- 2012 (Sep) *Alberta pregnancy outcomes and nutrition (APrON) team.* Alberta Innovates Health Solutions Research Network Fest, University of Calgary.
- 2011 (Feb) *APrON: Alberta Pregnancy Outcomes and Nutrition.* Alberta Health and Wellness Learn at Lunch, Edmonton, AB.
- 2011 (April 15th) *Exploring the Source-Seeing the Potential.* Alberta Children's Hospital Research Institute Behaviour and Developing Brain Research Theme Group Symposium, Calgary, AB.
- 2008 (Jun) *Developmental coordination disorder (DCD): From genes to behaviour,* Calgary Health Region Community Education Series presented at Alberta Children's Hospital, Calgary, AB
- 2008 (Aug) *Children with Developmental Coordination Disorder.* Providence Children's Centre, Calgary, AB.
- 2004 (Nov) *Developmental Coordination Disorder,* Telehealth presentation to health professionals in Canmore, AB.
- 2001(May) *Autism: Some guidance for teachers and therapist working with students who have autism spectrum disorders.* Professional development day, for teachers and therapists involved in the Headwaters Student Health partnership

vi. Conferences organized

- 2012 (May 12) *Brain, Behaviour and Neurodevelopmental Disorders.* Alberta Children's Hospital Research Institute Behaviour and Developing Brain Research Theme Group Symposium, Calgary, AB.
- 2011 (April 15th) *Exploring the Source-Seeing the Potential.* Alberta Children's Hospital Research Institute Behaviour and Developing Brain Research Theme Group Symposium, Calgary, AB.

VI. ADMINISTRATIVE RESPONSIBILITIES

i. Departmental

- 2014 Reviewer, Reviewed and provided input to the Department Head of Paediatrics regarding eligibility for promotion of 6 faculty members
- 2014 Reviewer, Reviewed and provided input to the Department Head of Community Health Sciences regarding the eligibility for tenure of one faculty member
- 2011-2013 Member, Graduate Student Admission Application Review Committee, Community Health Sciences
- 2012 Member, Search Committee for a position in the Behavioural Research Unit, Department of Paediatrics
- 2006-Present Director, Behavioural Research Unit, Department of Paediatrics
- 2003-2004 Member Search Committee for faculty position in Developmental Paediatrics, Department of Paediatrics
- 2002 Member Search Committee for faculty position in Intensive Care, Department of Paediatric
- 2001 Member Search Committee for two positions in Behavioural Research, Department of Paediatrics

ii. Faculty

2014-Present	Member, Behaviour and the Developing Brain Theme Steering Committee, Alberta Children's Hospital Research Institute (ACHRI).
2014 – Present	Member, Medical Science Graduate Education Committee
2013	Alberta Children's Hospital Institute Child and Maternal Health (ACHRI) representative on the Search and Selection Committee for the Director of the Mathison Centre for Mental Health Research and Education.
2013	Member, ACHRI Symposium Organizing Committee: <i>Acquired injury in the developing brain</i>
2011-Present	Co-coordinator, Developmental Neuroscience Rounds, Alberta Children's Hospital.
2011- 2012	Chair and organizer, ACHRI Behaviour and Developing Brain Theme Group symposium <i>Brain, Development and Neurodevelopmental Disorders</i> , which took place on May 11, 2012
2011	Member, ACHRI Membership Committee
2010-2012	ACHRI representative, Faculty of Medicine Bridge Funding Program committee.
2009-2012	Member, ACHRI CIHR Training Program in Genetics, Child Development and Health Curriculum and Operations Committee
2009-present	Member, Advisory Committee for the Cuthbertson and Fischer Chair in Paediatric Mental Health, Faculty of Medicine
2009-2014	Member, ACHRI Strategic Management Council
2009-2014	Member, ACHRI Theme Group Leaders Council
2010-2011	Chair and organizer, ACHRI Behaviour and Developing Brain Symposium <i>Exploring the Source-Seeing the Potential</i> , which took place May 19, 2011
2008-present	Member, Advisory Committee for the Husky Energy Chair in Child Maternal Health The ACHF Chair in Pediatric Research
2008-2009	Member, Search Committee for the Professorship in Pediatric Rehabilitation, Faculty of Medicine
2008-2009	Member, Search Committee for the Cuthbertson and Fischer Chair in Paediatric Mental Health, Faculty of Medicine
2008-2014	Co-Theme Lead, Behaviour and the Developing Brain Theme Group, ACHRI
2008	Member, Undergraduate Medicine Student Admission Committee, Faculty of Medicine
2008-2011	Research Lead, ACHRI
2007-2008	Member, Search Committee for the Director of ACHRI
2007-present	Full Member, ACHRI
2007	Co-chair, Child Development and Mental Health Theme Group, Institute of Maternal and Child Health (IMCH)
2006-2010	Member, Academic Appointment Review Committee, Faculty of Medicine
2005	Member, IMCH Research Day Planning Committee
2004	Member, IMCH Research Day Planning Committee
2003-2006	Member, IMCH Finance committee
2003-2007	Member, IMCH Steering Committee

1998 - 2000 Member, Committee on Research, Faculty of Medicine

1995 - 2000 Member, Faculty of Medicine Research Projects Program Committee

1995 - 1997 Member, Student Academic Review Committee, Faculty of Medicine

1993 - 2001 Member, Medical Student Applicant Interview Committee, Faculty of Medicine

1992 - 1994 Member, Medical Faculty Women's Interest Group

1991 - 1995 Member, Neuropsychology J Club

1991 - 1993 Member, Motor Control Interest Group

iii. University

2010-2013 Member, Child and Youth Initiative Committee

2010-2011 Past Chair, Child Health Research Scientific Review Committee

2007 External Member, Search Committee for Assistant Professor, Faculty of Kinesiology

2007-2010 Chair, Child Health Research Scientific Review Committee

2006-2007 Vice Chair, Child Health Research Scientific Review Committee

2005-2006 Chair, Alberta Children's Hospital Foundation Small Research Grants Review Committee

1997-2007 Member, Community Rehabilitation and Disability Studies Program Advisory Committee (Faculty of Medicine Representative)

1998-2004 Child Health Research Scientific Review Committee, University of Calgary and Calgary Regional Health Authority

1998-1999 Member, University of Calgary Childcare Society Research Committee

1994-1996 Member, Steering Committee, Academic Women's Association

1993-1994 Academic Women's Association Representative, Women's Council and Network, University of Calgary

1992 Member, Development Education Advisory Committee, The International Centre

1992 - 1998 Member, University of Calgary Recycling Task Force

1991 – 1998 Member, Academic Women's Association

1989 – 1990 Chair, University of Calgary Refugee* Student Board

iv. Provincial/Regional Health

2012-2013 Member, Neurodevelopmental Working Group of the Brain Health Steering Committee, Alberta Children's Hospital

2012-2013 Brain Health Steering Committee, Alberta Children's Hospital

2006-2008 Member, Community Prevention of Obesity in Children Evaluation and Research Subcommittee

2006-2007 Member, Calgary Health Region/ Early Fetal Risk Assessment Data Management and Research Committee

2004-2005 Member, Community Prevention of Obesity in Children Surveillance Task Group

2003-2005 Member, Child Health Research Executive Committee, Calgary Health Region/ Alberta Health Services

1995-2000 Member, Alberta Children's Hospital Child Health Research Unit

1995-1997 Member, Alberta Children's Hospital Library Committee

1994-1995	Alberta Children's Hospital Research Committee Representative, Network for Health Research Editorial Board
1993-1997	Member, Alberta Children's Hospital Research Committee
1991-Present	Member, Alberta Children's Hospital, Behavioural Research Unit

VII. PROFESSIONAL ACTIVITIES

i. Membership in professional and learned societies

1989 - Present	Member, International Neuropsychological Society
1989 - Present	Member, Society of Pediatric Psychology
1987 - Present	Member, Canadian Psychological Association
1982 - Present	Member, College of Alberta Psychologists

ii. Professional service

Grant Review Panel

2014	CIHR Foundation Scheme Stage 1 Review Panel
2013	Grand Challenges Canada - Saving Brains
2009-2011	Chair, ACHRI Research Grants
2010-2015	Member, CIHR Peer Review Committee, Social Developmental Aspects of Children's Youth's Health
2009	Member, Alberta Children's Hospital Allied Health and Shaikh Family Research Awards Research Review Committee
2006-2009	Alberta Children's Hospital Fellowship Review Committee
2005-2010	Alberta Children's Hospital Allied Health and Shaikh Family Research Awards
2005	Alberta Children's Hospital Foundation Small Research Grants Review Panel
2003-2009	Scottish Rite Charitable Foundation Grant Review Panel
2003-2005	Canadian Institutes of Health Research Salary A Panel
2001	Canadian Institutes of Health Research New Investigator Awards
2001	Calgary Regional Health Authority Perinatal Funding Competition
1999	Children's Health Foundation of Northern Alberta
1993 – 2006	Alberta Children's Hospital Foundation

Grant reviews

2014	External Reviewer, LOI that was submitted to the CIHR DOHAD competition
2014	External Reviewer, PSI Foundation, Ontario
2010	External Reviewer, CIHR Peer Review Committee, Social Developmental Aspects of Children's and Youth's Health
2009	External Reviewer, NHMRC Research Fellowship, Dr. Peter Anderson, School of Behavioural Science, University of Melbourne, Melbourne, Australia.
2009	External Reviewer, Health Research Board of Ireland
2007	Independent Reviewer, NHMRC (Australia), Graduate Scholarship Award for Michelle Wilson-Ching.

2007	External Reviewer, Medical Research Council (United Kingdom, New Investigator Research Grant)
2006	External Reviewer, The Hospital for Sick Children Foundation
2002 – 2004	External Reviewer, Canadian Institutes of Health Research
2002	External Reviewer, Health Research Board of Ireland
2001	External Reviewer, The IWK Grace Health Centre Research Investigator Program
2000	External Reviewer, Social Sciences and Humanities Research Council of Canada
1999	External Reviewer, Children's Health Foundation of Northern Alberta
1999	External Reviewer, The Hospital for Sick Children Foundation
1998	External Reviewer, The Hospital for Sick Children Foundation
1998	External Reviewer, Janeway Research Advisory Committee
1998-2006	Internal Reviewer, Child Health Research Scientific Review Committee
1997	External Reviewer, Medical Research Council of Canada
1993-1997	Internal Reviewer, Alberta Children's Hospital Research Committee

Journal reviews

1991 – Present	Reviewed manuscripts for academic journals: <i>Acta Paediatrica</i> , <i>Adapted Physical Activity Quarterly</i> , <i>Autism</i> , <i>Brain</i> , <i>Brain and Behavior Research</i> , <i>BMC Health Services Research</i> , <i>Canadian Journal of Public Health</i> , <i>Canadian Psychology</i> , <i>Child: Care, Health and Development</i> , <i>Developmental Medicine and Child Neurology</i> , <i>Developmental Neuropsychology</i> , <i>Human Movement Science</i> , <i>International Journal of Disability, Community and Rehabilitation</i> , <i>Journal of Autism and Developmental Disorders</i> , <i>Journal of Child Clinical and Adolescent Psychology</i> , <i>Journal of Child Psychology and Psychiatry</i> , <i>Journal of Pediatric Psychology</i> , <i>Journal of the International Neuropsychological Society</i> , <i>Neuropsychology</i> , <i>Pediatrics</i> , <i>Research in Developmental Disabilities</i>
----------------	--

Editorial board

2009 – present	Member; Editorial Board, <i>Developmental Neuropsychology</i>
----------------	---

Faculty of Medicine Internal Review

2014 – 2015	Reviewer, CIHR Foundation Scheme grant prepared by Keith Yeates entitled “ <i>Pediatric Mild TBI</i> ”
2014, 2015	Reviewer, CIHR grant prepared by Antonia Stang entitled “ <i>PainED: A multi-center, prospective cohort study on the pain experience of children with limb injury before, during and after a visit to a pediatric emergency department</i> ”.
2013	ACHRI review committee for a grant prepared by Shahirose Premji for submission to CIHR.
2011 – 2012	Reviewed 3 grants submitted by University of Calgary faculty members in Education and Nursing to CIHR.

Other

2014-2015	CIHR-Institute of Genetics Sounding Board for the GE3LS Health Services and Policy Research Conference
2014	Invited Presentation at a town hall meeting “Get Science Right” sponsored by the Canadian Association of University Teachers April 29, 2014.
2013	Presented on my research on developmental disorders at a community event sponsored by the Alberta Children's Hospital Foundation
2012	External Reviewer for the reappointment of Dr. Maureen Dennis to the position of Senior

	Scientist, SickKids Research Institute.
2011	External Reviewer for faculty promotion of Dr. Sara Rosenblum, University of Haifa, Haifa, Israel
2009	Scientific Review Committee for the DCD VIII Conference June 2009, Baltimore, MD, USA
2008	External Reviewer for faculty promotion of Dr. David Tupper, University of Minnesota Medical School, Minneapolis, MN, U.S.A.
2006	External Reviewer for faculty promotion of Dr. Peter Wilson, RMIT University, Melbourne, Victoria, Australia
2003	External Reviewer for faculty promotion of Dr. Peter Wilson, RMIT University, Melbourne, Victoria, Australia
2000	Reviewer, <i>Chapter 4: Praxis</i> , in the book entitled Sensory Integration-Theory Practice
1996	Conference Abstract Reviewer, Society for Research in Child Development

VIII. RESEARCH SUPPORT

i. Investigator Award

Jan 2001-Dec 2005	Canadian Institutes of Health Research Career Investigator Award Neurobehavioral and psychosocial outcomes of children at risk	\$350,000
-------------------	--	-----------

ii. Research Grants-Current

Jul 2015 – June 2019	Canadian Institutes of Health Research Bringing together the nutritional and glucocorticoid hypotheses of fetal programming: Does nutrition buffer the effects of stress? Principal Investigator: Gerald Giesbrecht Co-investigator: Deborah Dewey	\$618,656
July 2015 – June 2016	Canadian Institutes of Health Research Neuroimaging of visual-spatial attention development in early childhood Principal Investigator: Signe Bray Co-investigator: Deborah Dewey	\$100,000
Apr 2015 – Mar 2020	Alberta Children's Hospital Foundation Alberta Birth Common Dataset (ABCD): Revealing the Origins of Child Development Principal Investigators: Suzanne Tough, Nicole Letourneau, Gerald Giesbrecht, Sheila McDonald, Xinjie Cui Co-Investigator: Deborah Dewey	\$2,000,000
Apr 2015 – Mar 2018	Child and Adolescent Imaging Research (CAIR) Program of the Alberta Children's Hospital Research Institute Mock MRI Scanner Training and its Effect on Rates of General Anesthesia Use for Diagnostic Imaging Principal Investigator: Catherine Lebel Co-Investigator: Deborah Dewey	\$121,650
Apr 2015 – Mar 2016	Alberta Centre for Child, Family and Community Research Building parenting capacity in families of children with disabilities Phase 2: Understanding and resourcing fathers of children with ASD From diverse socio-economic and cultural backgrounds Principal Investigator: Bonnie Lashewicz, Beth Parrott Co-investigator: Deborah Dewey	\$40,000

Apr 2015 – Apr 2016	University of Calgary, Faculty of Nursing Bridge Funding Parenting Research on Mental Illness, Stress & Epi/Genetics (PROMISE): Proof of concept. Principal Investigator: Nicole Letourneau Co-investigator: Deborah Dewey	\$25,000
Jan 2015 - Jan 2016	University of Calgary Exposure to arsenic and mercury, associated pregnancy outcomes, and early infant developmental outcomes in gold mining area in Tanzania Principal Investigator: Deborah Dewey	\$15,000
Jul 2014 - Jun 2019	Canadian Institutes of Health Research Language ability and structural brain development in preschool children: Predictors of reading readiness Principal Investigator: Catherine Lebel Co-Principal Investigator: Deborah Dewey	\$991,469
Mar 2014 – Feb 2016	KCC Chair in Pediatric Oncology Grant Competition An Innovative Approach to the Implementation of Screening for Distress in a Pediatric Oncology Program Principal Investigator: Fiona Schulte Co-Investigator: Deborah Dewey	\$49,288
Dec 2013- Dec 2015	University of Calgary, Eyes High Postdoctoral Fellowship Impact of exposure to neurotoxicant in utero on the development of executive functions Principal Investigator: Deborah Dewey	\$100,000
Mar 2013-Feb 2018	Canadian Institutes of Health Research Post-concussion Syndrome affecting Youth: GABAergic effects of Melatonin Principal Investigator: Karen Barlow Co-Principal Investigator: Deborah Dewey	\$875,392
Jul 2012-Oct 2017	Canadian Institutes of Health Research Neurodevelopment of preschoolers exposed perinatally to bisphenol A and phthalates: Interactions with diet and neurotoxicant co-exposures Principal Investigator: Jon Martin (University of Alberta, Canada) Principal Investigator Calgary Site: Deborah Dewey	\$1,271,880
May 2012-Apr 2015	National Institute of Environmental Health Sciences Alberta Pregnancy Outcomes and Nutrition (APrON) - Toxicant – diet interactions on neurodevelopment of children Principal Investigator: Jon Martin (University of Alberta, Canada) Principal Investigator Calgary Site: Deborah Dewey Study Co-Investigator: Deborah Dewey	\$323,025
April 2010-March 2016	Canadian Institutes of Health Research Efficacy and safety of methylxanthines in very low birthweight infants Principal Investigator: Barbara Schmidt Co-Principal Investigator: Deborah Dewey	\$2,038,135
May 2008-Apr 2016	Canadian Institutes of Health Research Training Program	\$1,950,000

Genetics, Child Development and Health

Principal Investigator: Roy Gravel

Co-Investigator: Deborah Dewey

iii. Research Grants – Completed

Mar 2013 – Mar 2015	Alberta Children’s Hospital Foundation Development of Imaging Protocols for Preschool Children Principal Investigator: Deborah Dewey Co-Principal Investigator: Catherine Lebel	\$25,000
Mar 2014 – Feb 2015	Canadian Institutes of Health Research Language and structural brain development in preschool children Principal Investigator: Catherine Lebel Co-Principal Investigator: Deborah Dewey	\$100,000
Jan 2014-Dec 2014	Norlien Foundation and Alberta Family Wellness Initiative (AFWI) and the Alberta Centre for Child, Family and Community Research Action team on triadic attachment and child health (ATTACH): Developing and testing a reflective function attachment intervention Principal Investigator: Nicole Letourneau Co-Investigator: Deborah Dewey	\$29,737
April 2012-March 2015	The Heart and Stroke Foundation Enhancement of developmental motor plasticity in perinatal stroke with transcranial direct current stimulation Principal Investigator: Adam Kirton Co-Investigator: Deborah Dewey	\$270,000
Aug 2012- Jul 2014	M.S.I. Foundation Is internet data collection superior to traditional methods in retaining participants in longitudinal research? Principal Investigator: Gerald Giesbrecht Co-investigator: Deborah Dewey	\$96,000
Apr 2012 – Mar 2013	Alberta Children's Hospital Foundation Neurodevelopment of children perinatally exposed to environmental neurotoxicants: A pilot project in support of a CIHR proposal Principal Investigator: Gerald Giesbrecht Co-investigator: Deborah Dewey	\$3,000
Feb 2012-Jan 2013	Genome Alberta: Planning Grant Finding “Omics” Biomarkers to Improve the Neurodevelopmental Health and Outcomes of Newborns Principal Investigator: Bonnie Kaplan Co-principal Investigator: Deborah Dewey	\$3,000
Jan 2012-Dec 2012	CIHR: Planning Grant	\$21,260

Behavioural and developmental outcomes in children receiving early exposure to procedural sedation and analgesia in the pediatric emergency department: Planning a longitudinal Canadian cohort study

Principal Investigator: Maala Bhatt

Co-investigator: Deborah Dewey

Sep 2011-Aug 2012	<p>Alberta Children's Hospital Foundation \$9,954</p> <p>The psychosocial and cognitive assessment of allogeneic transplant patients, sibling donors and parents as intervention at the Alberta Children's Hospital, Hematology, Oncology and Transplant Program</p> <p>Principal Investigator: Fiona Schulte Co-investigator: Deborah Dewey</p>
Jun 2011-May 2012	<p>Alberta Centre for Child, Family and Community Research \$40,000</p> <p>Building parenting capacity in families of children with disabilities: Understanding and resourcing fathers of children with ASD</p> <p>Principal Investigator: Bonnie Lashewicz Co-investigator: Deborah Dewey</p>
Apr 2011- Mar 2013	<p>Alberta Innovates - Health Solutions \$25,000</p> <p>A KT Initiative for Policymakers on the Importance of Cohort Research</p> <p>Principal Investigator: Bonnie Kaplan, Brenda Leung Co-investigator: Deborah Dewey</p>
Jan 2011-Dec 2011	<p>Alberta Children's Hospital Foundation \$37,333</p> <p>Screening for psychosocial distress in pediatric cancer patients and their families</p> <p>Principal Investigator: Fiona Schulte Co-investigator: Deborah Dewey</p>
Jan 2010-Dec 2011	<p>Alberta Children's Hospital Foundation Small Grant \$2,992</p> <p>Bridging the gap: Parent vs. self-reports of social competence outcomes among survivors of childhood cancer</p> <p>Principal Investigator: Deborah Dewey Co-principal Investigator: Fiona Schulte</p>
Jul 2008-Jun 2009	<p>Alberta Children's Hospital Foundation Small Grant \$2,944</p> <p>A cross-sectional study to investigate the long-term outcome of children attending a tertiary care neurological clinic with daily headache</p> <p>Principal Investigator: Karen Barlow Co-Investigator: Deborah Dewey</p>
Jul 2008-Jun 2009	<p>Alberta Children's Hospital Foundation Small Grant \$2,940</p> <p>What can we learn from the experiences of overweight children participating in a family-centered healthy lifestyle intervention in their community? A qualitative study</p> <p>Principal Investigator: Deborah Dewey</p>
Apr 2008-Mar 2009	<p>Alberta Children's Hospital Foundation Small Grant \$2,600</p> <p>The effect of metabolic control of type 1 diabetes on school performance and daily activity in children</p>

Principal Investigator: Daniele Pacaud
 Co-Investigator: Deborah Dewey

Apr 2008-Mar 2009	CIHR Emerging Team Development Grant: Children with Disabilities Developmental motor disorders: From genes to behaviour and beyond Principal Investigator: Deborah Dewey	\$9,170
Jan 2008-Mar 2013	Alberta Innovates – Health Solutions Team Grant The impact of maternal nutrient status during pregnancy on maternal mental health and child development Principal Investigator: Bonnie Kaplan Co-principal Investigator: Deborah Dewey	\$5,000,000
Jan 2008-Mar 2013	Canadian Institutes of Health Research Developmental coordination disorder: From genes to behaviour Principal Investigator: Deborah Dewey	\$1,135,866
Jul 2007-Jun 2008	Calgary Health Region Perinatal Funding Competition Stress and adaptation in parents of very low birth weight infants: Follow-up Principal Investigator: Deborah Dewey	\$40,312
Feb 2007-Jan 2008	Alberta Children’s Hospital Foundation Small Grant Principals’ perceptions of whether the Alberta daily physical activity initiative is being implemented in Calgary elementary schools Principal Investigator: Deborah Dewey	\$1,835
Jul 2006-May 2007	Hotchkiss Brain Institute, University of Calgary, New Initiative Program Obesity: A Brain Disorder Principal Investigator: Keith Sharkey Co-investigator: Deborah Dewey	\$76,667
Jun 2006-May 2007	Alberta Children's Hospital Foundation Physical activity in pre-school aged children Principal Investigator: Marja Cantell Co-investigator: Deborah Dewey	\$11,239
Jun 2006-May 2007	Alberta Children's Hospital Foundation Familial aggregation in children with developmental coordination disorder Principal Investigator: Francois Bernier Co-investigator: Deborah Dewey	\$26,620
Jan 2006-Dec 2011	Canadian Institutes of Health Research National epidemiologic database for the study of autism in Canada (NEDSAC): Phase II: Refining approaches for prevalence and incidence determinations Principal Investigator: Helen Ouellette-Kuntz Co-investigator: Deborah Dewey	\$610,895
Jan 2006-Dec 2006	Alberta Children's Hospital Foundation Familial aggregation in children with developmental coordination disorder	\$9,987

Principal Investigator: Francois Bernier
Co-investigator: Deborah Dewey

Jun 2005-May 2006	Alberta Children's Hospital Foundation Why do children with refractory epilepsy have more sleep disturbances? Principal Investigator: Elaine Wirrell Co-investigator: Deborah Dewey	\$44,987
Jun 2005-May 2006	Alberta Children's Hospital Foundation An epidemiological study of post-concussion syndrome and the use of magnetic source imaging to demonstrate subtle brain dysfunction in persistent post-concussion syndrome in children Principal Investigator: Karen Barlow Co-investigator: Deborah Dewey	\$45,000
June 2004-May 2005	Alberta Children's Hospital Foundation A pilot study on psychosocial related issues related to the use of assisted ventilation services in children with neuromuscular disease Principal Investigator: Jean Mah Co-investigator: Deborah Dewey	\$28,679
Jun 2004-May 2006	Alberta Heritage Foundation for Medical Research Health Research Fund Assessment of the consequences of maternal severe hypoglycemia during pregnancy in women with type 1 diabetes on offspring's neuropsychological functioning Principal Investigator: Daniele Pacaud Co-Principal investigator: Deborah Dewey	\$100,000
Apr 2004-Mar 2005	Calgary Health Region Perinatal Funding Competition Stress and adaptation in parents of very low birth weight infants Principal Investigator: Deborah Dewey	\$19,168
Jan 2004-Mar 2009	Canadian Institutes of Health Research Caffeine for apnea of prematurity Principal Investigator: Barbara Schmidt Co-investigator: Deborah Dewey	\$1,744,740
Sep 2003-Aug 2004	Robertson Fund for Cerebral Palsy Research The use of dance/ developmental movement as a complementary tool to assess motor ability in children with cerebral palsy and developmental coordination disorder Principal Investigator: Marja Cantell Co-investigator: Deborah Dewey	\$21,600
Jul 2003-Jun 2004	Alberta Children's Hospital Foundation Assessment of consequences of maternal sever hypoglycemia	\$41,500

during pregnancy in women with type 1 diabetes on offspring's neuropsychological functioning

Principal Investigator: Daniele Pacaud

Co-principal Investigator: Deborah Dewey

Jul 2003-Jun 2004	Alberta Children's Hospital Foundation Physical activity in pre-school aged children Principal Investigator: Marja Cantell Co-investigator: Deborah Dewey	\$44,136
Jul 2002-Jun2003	Curtin University of Technology Measuring the performance of activities of daily living in children with developmental coordination disorder Principal Investigator: Janet Summers Co-investigator: Deborah Dewey	\$8,500(AUS\$)
Apr 2002-May 2003	Robertson Fund for Cerebral Palsy Research Development of a measure to assess the performance of activities of daily living in children with cerebral palsy and developmental coordination disorder Principal Investigator: Deborah Dewey	\$15,000
Apr 2002-Mar 2003	Canadian Institutes of Health Research Assessment of consequences of maternal severe hypoglycemia during pregnancy in women with type 1 diabetes on offspring's neuropsychological functioning Principal Investigator: Daniele Pacaud Co-Principal Investigator: Deborah Dewey	\$84,121
Mar 2002-Feb 2003	Calgary Regional Health Authority Perinatal Funding Competition Social competence in very low birth weight children Principal Investigator: Deborah Dewey	\$4,250
Mar 2001-Feb 2002	Canadian Institutes of Health Research Planning Grant The management of young children with common respiratory emergencies: Can we do better? Principal Investigator: David Johnson Co-investigator: Deborah Dewey	\$29,740
Jul 2001-Jun 2002	Alberta Children's Hospital Foundation Detection of motor, visual-motor and perceptual problems in ELBW infants at age 5 Principal Investigator: Deborah Dewey	\$40,119
Apr 2001-Mar 2002	Canadian Institutes of Health Research Equipment Grant Unravelling the mystery of autism: From genotyping to phenotyping to early identification and prevention Principal Investigator: Jeanette Holden	\$100,000

Co-investigator: Deborah Dewey

Apr 2001-Mar 2006	Canadian Institutes of Health Research- Interdisciplinary Health Research Team Unravelling the mystery of autism: From genotyping to phenotyping to early identification and prevention Principal Investigator: Jeanette Holden Co-investigator: Deborah Dewey	\$4,1701,603
Jun 2001-May 2002	Alberta Heritage Foundation for Medical Research- Conference Grant Mechanisms, Measurement and Management of DCD Principal investigator: Deborah Dewey	\$5,000
Jun 2001-May 2002	Canadian Institutes of Health Research-Conference Grant Mechanisms, Measurement and Management Principal investigator: Deborah Dewey	\$10,000
Jun 1999-May 2000	Alberta Children's Hospital Foundation Psychosocial maturation in young adults Principal Investigator: Daniele Pacaud Co-Investigator: Deborah Dewey	\$14,000
Jun 1999-May 2001	Juvenile Diabetes Foundation International Effect of insulin-dependent diabetes on psychosocial maturation in young adults Principal Investigator: Daniele Pacaud Co-Investigator: Deborah Dewey	\$15,197(US\$)
Apr 1999-Mar 2002	Social Sciences and Humanities Research Council Adult ADHD: Perceptions childhood, attributional styles, and psychologic function in men identified in adulthood Principal Investigator: Bonnie Kaplan Co-Investigator: Deborah Dewey	\$50,000
Apr 1999-Mar 2001	Alberta Heritage Foundation for Medical Research Developmental outcome of children who had choroid plexus cysts detected antenatally Principle Investigator: Francois Bernier Co-Investigator: Deborah Dewey	\$66,258
Jan 1999-Dec 2002	The Scottish Rite Charitable Foundation of Canada The development abilities in children with autism Principal Investigator: Deborah Dewey	\$98,000
Jun 1998-May 1999	Faculty of Medicine Endowment Award University of Calgary Examination of motor functioning in children with developmental coordination disorder Principal Investigator: Deborah Dewey	\$7,000

Apr 1998-Mar 1999	Calgary Regional Health Authority Perinatal Funding Competition Prediction of perceptual attention difficulties at 5 years from cognitive assessments at 3 years in extreme low birth weight infants Principal Investigator: Deborah Dewey	\$14,946
Apr 1997-Mar 1999	Alberta Heritage Foundation for Medical Research Executive function in children with attention deficit hyperactivity disorder Principal Investigator: Deborah Dewey	\$50,000
Apr 1995-Mar 1998	National Health Research Development Program Is information processing ability predictive of later cognitive skills in children who have experienced perinatal difficulties? Principal Investigator: Deborah Dewey	\$123,503
Sep 1994-Aug 1995	Evergreen Technologies Development of objective handwriting measurement tools Principal Investigator: David Roeltgen Co-investigator: Deborah Dewey	\$3,000
May 1993- Apr 1994	Alberta Children's Hospital Foundation Risk and resistance factors in the adaptation of parents of children with chronic illness Principal Investigator: Deborah Dewey	\$10,862
Apr 1993- Mar 1996	Social Sciences and Humanities Research Council Adaptive functioning of children with head injuries and their families Principal Investigator: Deborah Dewey	\$58,000
Jul 1992-Jun 1997	Alberta Mental Health, 5-year Mental Health Research Unit Award Developmentally disabled children (learning and attention-disordered and their families. Principal Investigator: Bonnie Kaplan Co-investigator: Deborah Dewey	\$1,250,000
May 1992-Apr 1994	University of Calgary Research Grants Committee Motor, language, and memory skills in children who have experienced perinatal difficulties Principal Investigator: Deborah Dewey	\$9,992
Mar 1991-Aug 1991	Oregon Health Sciences University Child Development and Rehabilitation Center Research Grant The relationship among deficits in praxis, language and memory in children Principal Investigator: Deborah Dewey	\$1,500

iv. Research Grants as Mentor

May 2015 – Aug 2015	Alberta Innovates-Health Solutions Studentship Functional connectivity in children with motor and attention problems Student Investigator: Siobhan Thornton	\$6,000
---------------------	--	---------

	Mentor: Deborah Dewey	
May 2014 – Aug 2014	University of Calgary Neuroscience Summer Studentship Functional brain correlates of motor inhibition in children with Motor and attention problems. Student Investigator: Siobhan Thornton Mentor: Deborah Dewey	\$5,600
Jul 2014 – Jun 2018	New Investigator Research Grant SickKids Foundation and CIHR - Institute of Human Development, Child and Youth Health (IHDCYH) Effects of prenatal distress and nutrition on neurodevelopment and neuroendocrine function in preschoolers. Principal Investigator: Gerald Giesbrecht Mentor and Co-Investigator: Deborah Dewey	\$140,000
Sep 2014-Aug 2017	SickKids Foundation New Investigator Grant Effects of prenatal distress and nutrition on neurodevelopmental and neuroendocrine function in preschoolers. Principal Investigator: Gerald Giesbrecht Mentor and Co-Investigator: Deborah Dewey	\$299,454
May 2014 – Sep 2014	Undergraduate Neuroscience Research Award Brain activation associated with motor performance in children with developmental coordination disorder Student Investigator: Siobhan Thornton Mentor: Deborah Dewey	\$5,600
Sep 2013-Aug 2016	SickKids Foundation New Investigator Grant Learning and reinforcement in adolescents with autism spectrum disorder Principal Investigator: Signe Bray Mentor and Co-investigator: Deborah Dewey	\$296,080
Jun 2013- Dec 2014	University of Calgary Seed Grant Psychological distress and cortisol among pregnant women with inflammatory bowel disease. Principal Investigator: Gerald Giesbrecht Mentor and Co-investigator: Deborah Dewey	\$17,897
Jun 2013- Dec 2014	University of Calgary Research Grant: Seed Grant Learning and reinforcement in adolescents with autism spectrum disorder Principal Investigator: Signe Bray Mentor and Co-Investigator: Deborah Dewey	\$17,439
Sep 2013 - Aug 2014	Queen Elizabeth Scholarship Determining the effect of a targeted video on satisfaction with transition from pediatric to adult endocrine care for patients with type 1 diabetes mellitus. Student Investigator: Karin Winston Mentor: Deborah Dewey	\$10,000

May 2013-Sep 2013	Undergraduate Neuroscience Research Award Conjoint and Unique Effects of Parental Anxiety During Pregnancy on Infant Temperament Student Investigator: Aileen Naef Mentor: Deborah Dewey	\$5,600
May 2013-Sep 2013	Alberta Innovates-Health Solutions Studentship White matter alterations in children with motor and attention problems Student Investigator: Vanessa Giesbrecht Mentor: Deborah Dewey	\$5,600
Sep 2011-Aug 2012	Alberta Children's Hospital Research Institute Studentship Fronto-striatal network dysfunction in children with attention/deficit Hyperactivity disorder and developmental coordination disorder Student Investigator: Kevin McLeod Mentor: Deborah Dewey	\$20,000
Jan 1999-Aug 2000	Alberta Heritage Foundation for Medical Research Graduate Studentship Coping and cognitive processes as predictors of adaptation in children with recurrent abdominal pain Student Investigator: Laura Kaminsky Mentor: Deborah Dewey	\$19,000
Jan 1998-Dec1998	Alberta Heritage Foundation for Medical Research Graduate Studentship Loneliness and social support in siblings of children and adolescents with autism Student Investigator: Laura Kaminsky Mentor: Deborah Dewey	\$16,500
Mar 1997-Aug 1999	Alberta Heritage Foundation for Medical Research Studentship Hand preference in children with autism Student Investigator: Joy Hauck Mentor: Deborah Dewey	\$41,250

IX. INVITED ADDRESSES/CONFERENCE PRESENTATIONS

i. Invited Addresses

2015/07/02	Toulouse, France. Invited Keynote address at the 11 th International Conference on Developmental Coordination Disorder. "Rethinking Developmental Coordination Disorder and other Neurodevelopmental Disorders".
2015/06/19	Calgary, AB. Owerko Family Endowed Lecture in Developmental Neurosciences. Invited. "Proceed with caution? Rethinking ADHD (and Neurodevelopmental Disorders)."
2015/06/19	Calgary, AB. Inaugural Owerko Keynote at the Owerko Centre Conference on Children's Neurodevelopment and Mental Health. Invited. "Co-occurrence of Neurodevelopmental Disorders is the Rule Rather than the Exception: A Journey from Genes through to Behaviour"
2015/04/21	Calgary, AB, Neonatal Grant Rounds. Invited Presentation. "Motor Outcomes in

Premature Infants”.

- 2015/04/13 Calgary, AB, Developmental Neuroscience Grand Rounds. “Developmental Neuroscience in Low Income Countries: Opportunities and Challenges”.
- 2015/02/06 Denver, CO. International Neuropsychological Society.222 Symposium. “Developmental Motor Disorders: From Genes to Brains to Behaviour”
- 2015/02/06 Denver, CO. International Neuropsychological Society. Invited Presentation “Developmental brain dysfunction: Co-occurrence is associated with impaired neuropsychological dysfunction”
- 2014/11/13 Calgary, AB. O’Brien Institute of Public Health Fall 2014 Members’ Forum. Invited Presentation. “Impact on maternal and child health of environmental toxins in artisanal mining in Tanzania”
- 2013/04/04 Fremantle, Australia: Notre Dame University, Institute for Health and Rehabilitation Research. Invited Presentation: “Developmental Coordination Disorder: An integrated research approach”
- 2012/09/24 Calgary, AB. Alberta Innovates-Health Solutions Research Network Fest. Invited Presentation: “APrON: Alberta Pregnancy Outcome and Nutrition.”
- 2011/11/02 Melbourne, Australia: Murdoch Children’s Research Institute. Invited Presentation: “Developmental coordination disorder: From genes to brain to behaviour”
- 2011/10/19 Fremantle, Australia: University of Notre Dame, Institute of Health and Rehabilitation Research. Invited Presentation: “Developmental motor disorders: From genes to behaviour”
- 2011/09/26 Calgary, AB. Alberta Children’s Hospital, Developmental Neuroscience Rounds. Invited Presentation: “Developmental coordination disorder: From behaviour to brain.”
- 2011/06/21 Vancouver, BC: NeuroDevNet's 2nd Annual Brain Development Conference. Invited Presentation: “Unravelling the web that surrounds developmental motor disorders in children.”
- 2011/04/18 Calgary, AB. Alberta Research Institute for Child and Maternal Health Research Symposium, Optimizing health Outcomes through the Transitions from Conception through Adulthood. Invited Presentation: “Unravelling the web that surrounds developmental disorders in children.”
- 2011/04/01 Vuokatti, Finland: International Congress of Enhancement of Physical Activity of Children and Youth. Platform Presentation: “Physical activity patterns in preschool aged children and their parents.”
- 2011/02/18 Edmonton, AB. Alberta Health and Wellness Learn at Lunch. Invited Presentation: “APrON: Alberta Pregnancy Outcomes and Nutrition.”
- 2011/01/24 Calgary, AB. University of Calgary Faculty of Medicine Progress Rounds in Human Subjects Research, Invited Presentation). Neural systems and Behaviour.
- 2011/01/19 Calgary, AB. The Potential for Integrating Child and Maternal Health Clinical Research and Human Genomics Capacity in Alberta, Invited Presentation: “Developmental motor disorders: From brain to behaviour.”
- 2011/01/15 Calgary, AB. Alberta Children’s Hospital research visits by General Electric in support of 3T MR Purchase, Invited Presentation: “Examining the commonalities of brain development and function in children with developmental disabilities.”
- 2010/11/09 Ottawa, ON: Health Canada MIREC Follow-up Workshop, Invited (Oral Presentation: “An Alberta Innovates – Health Solutions Interdisciplinary Team: The Alberta Pregnancy Outcomes and Nutrition Study (APrON).”
- 2010/10/15 Calgary, AB. Richmond Road Diagnostic Treatment Centre Diabetes in Pregnancy

- Educators, Invited Presentation: “Outcomes of children born to mothers with Type 1 diabetes.”
- 2010/06/01 Calgary, AB. Alberta Children’s Hospital research visits in support of 3T MR Purchase. Invited Presentation). “Pediatric neuroimaging: Child development.”
- 2009/10/15 Calgary, AB. Aga Khan Education Board for Canada. Invited Presentation: The science behind early child development.”
- 2009/06/23 San Diego, CA: American Academy of Clinical Neuropsychology. Invited Workshop Presenter: “Developmental coordination disorder: From brain to behaviour.”
- 2009/01/15 Calgary, AB. Child Development Centre. Invited Presentation: “Developmental coordination disorder: Diagnostic challenges and research opportunities.”
- 2008/11/10 Calgary, AB. Alberta Children’s Hospital Child Health Research Rounds. Invited Presentation: “Adolescents with type 1 diabetes: Predictors of healthy functioning.”
- 2008/11/04 Calgary, AB. Developmental Pediatrics Community Pediatrics Rounds, Invited Presentation: “Active Body, Active Mind: Physical activity, learning and mental health from childhood to adulthood.”
- 2008/11/01 Calgary, AB. Foothills Hospital Neonatology Research Group, Invited Presentation: “The child health research office.”
- 2008/08/11 Calgary, AB. Providence Children’s Centre, Invited Presentation: “Children with Developmental Coordination Disorder.”
- 2008/04/10 Calgary, AB. Community Education Service of the Southern Alberta Child and Youth Network, Invited Presenter: “Developmental Coordination Disorder: From genes to behaviour.”
- 2008/02/12 Calgary, AB. Zero to Twelve Conference 2008: Celebrating Families, Calgary, Alberta. Invited Presentation: “Children with developmental coordination disorder.”
- 2007/12/18 Calgary, AB. Developmental Pediatrics and Community Pediatrics Rounds, Invited Presentation: “Meeting Criteria for DCD? That is the question..,”
- 2007/11/19 Edmonton, AB. Alberta Centre for Child, Family and Community Research, Many Faces of Childhood Well-Being: The Early Years (Two to Six), Invited Presentation). “Early identification of children at risk.”
- 2007/06/23 Calgary, AB. Alberta Children’s Hospital Child Health Research Rounds Invited Presentation: “How quantitative and qualitative research inform each other: Examples from research on developmental coordination disorder.”
- 2007/03/11 Calgary, AB. University of Calgary Department of Psychology Neuroscience Research Group, Invited Presentation: “Developmental motor disorders: From behaviour to brain.”
- 2007/02/23 Melbourne, Australia: Murdoch Childrens Research Institute, Invited Presentation: “Developmental motor deficits: From behaviour to brain.”
- 2007/02/14 Melbourne, Australia: DCD VII, Invited Keynote: “Meeting criteria for DCD...That is the question.”
- 2007/01/30 Calgary, AB. Biomedical Approaches to Autism Spectrum and Neurodevelopmental Disorders Conference, Invited Presentation: “Children with autism spectrum disorders and their families.”
- 2006/05/16 Calgary, AB. Alberta Children’s Hospital Child Health Research Rounds, Invited Presentation: “Methodological challenges in conducting longitudinal studies in children and their families.”
- 2006/05/05 Calgary, AB. Foothills Medical Centre IMCH Research Rounds, Invited Presentation: “Physical activity and the preschool child.”
- 2006/05/01 Kananaskis Village AB. Alberta Obesity Summit, Invited Presentation: “Behavioural and

- environmental determinants of physical activity in preschool aged children and their families: How are these related to obesity?"
- 2006/02/22 Fremantle, Australia: Notre Dame University, Faculty of Health Sciences, Invited Presentation: "Physical activity and the preschool child."
- 2005/10/01 Calgary, AB. University of Calgary Faculty of Kinesiology Human Performance Lab Seminar, Invited Presentation: "What do we know about developmental motor disorders?"
- 2005/04/16 Calgary, AB. Alberta Children's Hospital Child Health Research Symposium Focus Day on Childhood Obesity, Invited Presentation: "Physical activity in preschool children."
- 2004/10/15 Calgary, AB. Alberta Children's Hospital Grand Rounds, Invited Presentation: "What do we know about developmental motor disorders?"
- 2004/03/22 Calgary, AB. Alberta Children's Hospital Grand Rounds, Invited Presentation: "Outcomes of siblings and families of children with autism."
- 2004/02/23 Calgary, AB. Mount Royal College Power of Play Conference, Invited Presentation: "How to measure physical activity in preschool children and their families?"
- 2003/12/02 Calgary, AB. University of Calgary Child Development and Health Research Day, Invited Presentation: "Childhood developmental disorder: Behavior-brain relationships"
- 2003/11/14 Calgary, AB. Alberta Children's Hospital Grand Rounds, Invited Presentation: "What do we know about developmental motor problems?"
- 2003/06/01 Calgary, AB. Alberta Children's Hospital Grand Rounds, Invited Presentation: "Mental retardation: A Practical Review."
- 2003/05/16 Calgary, AB. Faculty of Medicine, University of Calgary 14th Annual Clara Christie Research Day, Invited Presentation: "Social competence in very low birth weight children."
- 2003/04/01 Calgary, AB. Alberta Children's Hospital Ninth Annual Child Health Research Symposium. Invited Presentation: "The <1000g Infants at School Entry."
- 2003/01/15 Calgary, AB. Autism Calgary Association, Invited Presentation: "Autism research in Canada: Canadian-American research consortium".
- 2002/09/22 Calgary, AB. Alberta Children's Hospital Grand Rounds, Invited Presentation: "Is Comorbidity a valid term in developmental behavioural disorders."
- 2002/09/01 Calgary, AB. Alberta Children's Hospital Professional Development Day on Autism Spectrum Disorders, Invited Speaker: "Autism spectrum disorders: Canadian-American research consortium."
- 2002/06/14 Melbourne, Australia. Royal Melbourne Children's Hospital Neuropsychology Research Group, Invited Presentation: "Paediatric neuropsychological research at Alberta Children's Hospital."
- 2002/06/03 Perth, Australia. Developmental Occupational Therapists, Invited Presentation: "Psychosocial, learning and attention problems in children with developmental coordination disorder."
- 2002/06/02 Perth, Australia. State Child Development Centre, Invited Presentation: "Children with autism and their families."
- 2002/05/30 Calgary, AB. University of Calgary, Faculty Medicine 13th Annual Clara Christie Research Day. Invited Presentation: "Learning problems in extreme low birth weight (ELBW) children."
- 2002/05/22 Perth, Australia. TVW Telethon Institute for Child Health Research. Invited Presentation). "Cognitive outcomes of very low birth weight children without sensorineural impairments: Data from a Canadian sample.
- 2002/05/11 Nedlands, Australia. R.G. Gray Lecture University of Western, Australia, School of

- Human Movement and Exercise Science, Invited Keynote: “What do we know about developmental motor problems?”
- 2002/05/01 Nedlands, Australia. University of Western Australia, Schools of Human Movement and Exercise Science, Invited Presentation: “Autism: What is it?”
- 2002/04/13 Perth, Australia. Curtin University of Technology Psychology Department Research Seminar, Invited Presentation: “Autism: The children and their families.”
- 2001/12/05 Fremantle, Australia. Sixth Biennial Motor Control Workshop, Keynote Address: “Developmental coordination disorder: What do we know and directions for future research?”
- 2001/12/04 Fremantle, Australia, Australian Association for Research in Education, Invited Presentation: “Subtypes of developmental coordination disorder: Educational implications.”
- 2001/11/17 Nedlands, Australia. The University of Western Australia Graduate School of Education Fourth Annual Conference on Child and Adolescent Disorders, Invited Presentation: “Issues related to comorbidity in children with learning disorders.”
- 2001/06/01 Calgary, AB. Alberta Children’s Hospital Grand Rounds, Invited Presentation: “Neurocognitive outcomes of children with hypoglycemia.”
- 2001/05/01 Calgary, AB. University of Calgary, Faculty of Kinesiology Human Performance Lab Research Seminar, Invited Presentation: “Developmental coordination disorder: What do we know and where should we go?”
- 2001/03/01 High River, AB. Dewey D, Hauck J, Kostaras, D. Professional Development Day Workshop for the Headwaters Student Health Partnership, Invited Presentation: “Some guidance for teachers and therapists working with students who have autism spectrum disorders.”
- 1999/11/07 Calgary, AB. Learning Disabilities Association of Alberta LD > 2000 Conference, Invited Presentation: “Head injuries: Outcomes and effects.”
- 1999/10/22 Groningen, The Netherlands. Developmental Coordination Disorder: From Research to Diagnostics and Intervention, Invited Presentation: “Are developmental coordination disorder and developmental dyspraxia the same or different disorders of motor function?”
- 1999/10/22 Groningen, The Netherlands. Developmental Coordination Disorder: From Research to Diagnostics and Intervention, Invited Presentation: “Development of a parent questionnaire to identify DCD.”
- 1999/07/16 Calgary AB. University of Calgary Celebrating Diverse Approaches to Community Rehabilitation, Invited Presentation: “Outcomes of very low birth weight children.”
- 1999/06/01 Calgary AB. Alberta Children’s Hospital Child Health Research Rounds, Invited Speaker: “The 5-year outcomes of infants who weighed less than 1000g at birth: A study in progress.”
- 1999/04/11 Calgary, AB. Alberta Children’s Hospital Fifth Annual Child Health Research Symposium, ADHD Focus Day, Invited Presentation: “Overlap of ADHD with other developmental problems.”
- 1999/03/01 Calgary, AB. Calgary Multiple Births Association, Invited Presentation: “Long -term outcomes of very low birth weight infants.”
- 1998/10/06 London, UK. Novartis Foundation Discussion Meeting. Invited Presentation: “DCD: What is it, and how can we measure it?”
- 1997/12/15 London, UK. Royal Society of Medicine MacKeith Meetings on Developmental Dyspraxia, Invited Presentation: “DCD, SDDMF, and Developmental Dyspraxia: Are they the Same Thing?”

- 1997/10/02 Edmonton, AB. Glenrose Rehabilitation Hospital Research Conference, Invited Presentation: "Myths about ADHD."
- 1997/09/01 Calgary, AB. Alberta Children's Hospital Grand Rounds, Invited Presentation: "Cognitive and motor outcomes in very low birth weight children seen at ACH."
- 1997/05/15 Calgary, AB. Alberta Children's Hospital Trauma Rounds, Invited Presentation: "Outcomes of children with head injuries."
- 1997/04/25 Calgary, AB. Alberta Children's Hospital Child Health Research Unit Rounds, Invited Presentation: "Outcomes of families of children with head injury."
- 1997/05/01 Cardiff, UK. Developmental Coordination Disorder III, Invited Presentation: "DCD is simply one manifestation of atypical brain development."
- 1996/04/01 Calgary, AB. Alberta Children's Hospital Child Health Research Rounds, Invited Presentation: "Cognitive function in very low birth weight infants and the validity of parent reports."
- 1995/12/01 Calgary, AB. Alberta Children's Hospital Child Health Research Rounds, Invited Presentation: "Having a child with a chronic illness: How do families cope?"
- 1995/07/01 Burwood, Australia. Deakin University School of Studies in Disability, Invited Presentation: "Developmental dyspraxia - what is it and how is it assessed?"
- 1994/09/01 Canmore, AB. Alberta Children's Hospital Perinatal Clinic Follow-up Retreat, Invited Presentation: "Is information processing ability predictive of later cognitive skills in children who have experienced perinatal difficulties?"
- 1994/10/05 London, ON. International Consensus Building Meeting on Children and Clumsiness: A Disability in Search of a Definition, Invited Presentation: "The genetic basis of clumsiness, and its overlap with other disorders."
- 1994/10/01 London, ON. International Consensus Building Meeting on Children and Clumsiness: A Disability in Search of a Definition, Invited Presentation: "What is developmental dyspraxia?"
- 1993/10/03 Waterloo, ON. University of Waterloo Department of Kinesiology and the Centre for Habilitation Education and Research, Invited Presentation: "What is developmental dyspraxia?"
- 1993/09/25 Calgary, AB. Alberta Children's Hospital Behavioural and Developmental Paediatrics Interest Group, Invited Presentation: "Issues in the assessment of children with developmental motor disorders."
- 1993/09/10 Calgary, AB. Cystic Fibrosis Foundation of Calgary Monthly Meeting. Invited Presenter: "Having a child with a chronic illness: What are the demands and how do families cope?"
- 1992/04/02 Saskatoon, SK. Kinsman Children's Centre, Invited Presentation: "How do we define developmental dyspraxia?"
- 1992/04/01 Saskatoon, SK. University of Saskatchewan Neuropsychology Research Group, Invited Presentation: "Developmental motor deficits - what are they?"
- 1991/11/01 London, ON. Canadian Society for Psychomotor Learning and Sport Psychology, Invited Presentation: "Are there different subtypes of developmental motor deficits?"
- 1991/10/01 Waterloo, ON. University of Waterloo Department of Kinesiology, Invited Presentation: "Clumsy children: Cognitive, memory and academic skills."
- 1991/06/01 Vancouver, WA. Washington Teachers Association, Invited Workshop Presentation: "Tourette syndrome."
- 1991/05/01 Eugene, OR. University of Oregon Motor Control Research Group. Invited Presentation: "Different patterns of motor deficits evidenced by children with developmental motor problems."

- 1991/04/01 Medford, OR. Early Intervention Specialists for the State of Oregon, Invited Workshop Presentation: “The home-school partnership: Working with families of drug-affected children.”
- 1991/01/15 Everitt, WA. Early Intervention Specialists for the State of Washington, Invited Workshop Presentation: “Working with drug-affected children in the classroom.”
- 1991/01/05 Bethesda, MD. National Institute of Mental Health Child Psychiatry Branch, Invited Presentation: “Clumsy children: An investigation of motor, cognitive and academic skills.”

ii. Conference Presentations

- 2015/07/03 Dewey D, Langevin L, McLeod K, Thornton SK, Ten Eycke K, Bray S, MacMaster F, Lebel C, Goodyear BG, Bernier FP. Co-occurrence is associated with unique alternations in brain structure and function in children with developmental coordination disorder and attention deficit/hyperactivity disorder. 11th International Conference on Developmental Coordination Disorder (Oral Presentation).
- 2015/06/15 Walton M, Frayne A, **Dewey D**, Mah A, Lebel C. Language Ability and White Matter Brain structure in Preschool Aged Children: A DTI study. Organization for Human Brain Mapping. Honolulu, Hawaii, USA (Poster Presentation).
- 2015/06/15 Lebel C, Frayne A, MacMaster F, Dewey, D. Reduced choline levels are associated with better language ability in preschool children, Organization for Human Brain Mapping. Honolulu, Hawaii, USA (Poster Presentation).
- 2015/04/25 Ejaredar M, Nyanza, EC, Ten Eycke KD, **Dewey D**. Phthalates exposure and childhood neurobehaviour: A systematic review. Annual Meeting Pediatric Academic Societies. San Diego, CA, USA (Poster Presentation).
- 2015/04/25 Ejaredar M, Lee Y, Roberts D, Sauve RS, **Dewey D**. Bisphenol A exposure and childhood neurobehaviour: A systematic review. Annual Meeting Pediatric Academic Societies. San Diego, CA, USA (Poster Presentation).
- 2015/02/20 Winston K, Pacaud D, Rabi D, Ho J, Hebert M, **Dewey D**. Transition to adult care for patients with type 1 diabetes mellitus. Canadian Pediatric Endocrinology Group. Halifax, NS (Poster Presentation)
- 2015/02/06 Thornton SK, Bray S, Langevin L, **Dewey D**. Functional brain correlates of motor inhibition in children with developmental coordination disorder and attention-deficit/hyperactivity disorder. International Neuropsychological Society 43rd annual meeting. Denver, CO, USA (Oral Presentation).
- 2015/02/06 Bernier FP, Mosca SJ, Langevin L, Innes AM, Lionel AC, Marshall CC, Scherer SW, Parboosingh JS, **Dewey D**. Copy-number variation in Canadian children with developmental coordination disorder implicates neurodevelopmental genes. International Neuropsychological Society 43rd annual meeting. Denver, CO, USA (Oral Presentation).
- 2015/02/06 Ten Eycke KD, **Dewey D**. Parent-report and performance-based measures of executive function in children with developmental coordination disorder and attention deficit hyperactivity disorder. International Neuropsychological Society 43rd annual meeting. Denver, CO, USA (Oral Presentation).
- 2015/02/06 **Dewey D**, Langevin L, Crawford SG, Barlow KM, Lemay JF, Bernier FP. Developmental brain dysfunction: Co-occurrence is associated with impaired neuropsychological functioning. International Neuropsychological Society 43rd annual meeting. Denver, CO, USA (Oral Presentation).
- 2015/02/05 Bernier FP, Parboosingh J, Innes AM, Smith C, **Dewey D**. Complex neurodevelopmental profile, reminiscent of Williams Syndrome, in a child with EP300-related syndromic intellectual disability. International Neuropsychological Society 43rd annual meeting. Denver, CO, USA (Poster Presentation).

- 2014/10/24 Walton M, Frayne A, **Dewey D**, Mah A, Lebel C. Language Ability and White Matter Structure in Preschool Aged Children: A TBSS Study. Alberta Biomedical Engineering Graduate Conference. Banff, AB (Oral Presentation)
- 2014/10/20 Bernier FP, Mosca SJ, Langevin L, Innes AM, Lionel AC, Marshall CC, Scherer SW, Parboosingh JS, **Dewey D**. Copy-number variation in Canadian children with developmental coordination disorder implicates neurodevelopmental genes. International Neuropsychological Society 43rd annual meeting. Denver, CO, USA (Oral Presentation).
- 2014/03/30 Truong TH, Moorjani, R, **Dewey D**, Guilcher GM, Lewis V, Prokopishyn, NL. Predictors of adverse reactions during stem cell infusion in children receiving autologous and allogeneic stem cell transplantation, 40th European Society for Bone and Marrow Transplantation 2014 Congress, Milan, Italy (Oral Presentation).
- 2014/02/13 McLeod K, Langevin L, Goodyear B, **Dewey D**. Functional connectivity of neural motor networks is disrupted in children with developmental coordination disorder and attention-deficit/hyperactivity disorder. International Neuropsychological Society 42nd annual meeting. Seattle, WA, USA (Poster Presentation).
- 2014/02/13 **Dewey D**, Langevin L, Crawford SG, Barlow KM, Lemay JF, Bernier FP. Comorbidity is associated with impaired neuropsychological functioning in children with developmental coordination disorder, attention-deficit/hyperactivity disorder and reading disorder. International Neuropsychological Society 42nd annual meeting. Seattle, WA, USA (Poster Presentation).
- 2013/05/05 Dewey D, Anderson PJ, Synnes A, Grunau RE, O'Brien K, Creighton D, Doyle L, Schmidt B, Roberts RS. Motor Impairment at 5 Years is Associated with Impairments in Cognition, Visual Perception and Behavior: Results from the Caffeine for Apnea of Prematurity (CAP) Trial, Pediatric Academic Societies. Washington, DC, USA (Oral Presentation).
- 2012/10/10 Kaminsky LA, **Dewey D**. The relationship between body mass index and body image, social support, self-concept and locus of control in adolescents with Type I diabetes. 38th Annual Meeting of the International Society for Pediatric and Adolescent Diabetes. Istanbul, Turkey (Poster Presentation).
- 2012/10/08 Schmidt B, Davis P, Doyle L, Anderson P, Asztalos E, Solimano A, Ohlsson A, Grunau R, **Dewey D**, Moddemann D, Barrington K, Tin W, Roberts R. Severe retinopathy of prematurity (ROP) remains a marker of childhood disabilities: Results from the Caffeine for Apnea of Prematurity Trial. The 4th Congress of the European Academy of Paediatric Societies - EAPS, Istanbul, Turkey (Poster Symposium).
- 2012/06/01 MacLeod K, Langevin L, Goodyear BG, Dewey D. Resting State fMRI in ADHD and developmental coordination disorder, Alberta Imaging Symposium, Calgary, AB (Oral Presentation).
- 2012/05/01 Mosca S, Caluseriu O, Langevin L, **Dewey D**, Parboosingh J, Bernier F. Uncovering the genetics of Developmental Coordination Disorder. Behaviour and the Developing Brain Symposium: Brain, Development and Neurodevelopmental Disorders. Calgary, AB, (Poster Presentation).
- 2012/05/01 MacLeod K, Langevin L, Goodyear BG, **Dewey D**. Resting-state connectivity differences in pediatric ADHD, DCD and ADHD/DCD. Behaviour and the Developing Brain Symposium: Brain, Development and Neurodevelopmental Disorders. Calgary, AB (Poster Presentation).
- 2012/05/01 Langevin L, Crawford S, Beaulieu C, **Dewey D**. Cortical white matter is commonly altered in motor and attention disorders. Behaviour and the Developing Brain Symposium: Brain, Development and Neurodevelopmental Disorders. Calgary, AB (Poster Presentation).
- 2012/04/01 Langevin L, Crawford S, Beaulieu C, **Dewey D**. Cortical white matter is commonly altered in motor and attention disorders. Alberta Children's Hospital Research Institute

Symposium: Epigenetics and Disease. Calgary, AB (Poster Presentation, *Best Neuroscience Poster).

- 2012/04/01 MacLeod K, Langevin L, Goodyear BG, **Dewey D**. Resting-state connectivity differences in pediatric ADHD, DCD and ADHD/DCD. Alberta Children's Hospital Research Institute Symposium: Epigenetics and Disease. Calgary, AB (Poster Presentation).
- 2012/04/01 Mosca S, Caluseriu O, Langevin L, **Dewey D**, Parboosingh J, Bernier F, (April, 2012) Uncovering the genetics of developmental coordination disorder. Alberta Children's Hospital Research Institute Symposium: Epigenetics and Disease. Calgary, AB (Poster Presentation, *Best Genetics Poster).
- 2011/10/14 Charles [Nyanza] E, Thomas D, Ngallaba, SE, Davey M, **Dewey D**. Arsenic and mercury from artisanal gold mining: An assessment of community risk perceptions on the resulting morbidities and mortalities, knowledge, and potential environmental exposure in Tanzania. Global Health Conference on Advancing Health Equity in the 21st Century, Montreal Canada (Poster presentation).
- 2011/09/01 Giesbrecht G, Dewey D, Leung B, Kaplan BJ, Campbell TS, Letourneau, N. Fetal programming of infant state regulation. 7th World Congress on Developmental Origins of Health and Disease, Portland Oregon (Poster Presentation).
- 2011/06/01 Schulte F, Garies S, **Dewey D**, Strother, D., Reynolds, K., Shykula, T. Parent vs. self-reports of health related quality of life among survivors of childhood cancer. Care About Cancer annual conference, Edmonton, AB (Oral presentation)
- 2011/05/01 Giesbrecht G, Dewey D, Leung B, Kaplan BJ, Campbell, TS, Letourneau N. The APron Study Team. Fetal programming of infant state regulation. Alberta Children's Hospital Research Institute for Child and Maternal Health: Behaviour and the Developing Brain Research Theme Group Symposium, Calgary, AB (Oral presentation).
- 2011/03/01 Langevin L, Goodyear B, Beaulieu C, Crawford S, **Dewey D**. Examining the common neurobiological basis of motor and attention deficits in neurodevelopmental disorders. NeuroDevNet 1st Biennial Winter Institute, Banff, AB (Poster Presentation)
- 2010/10/02 Schulte F, Dewey D, Strother D, Reynolds K, Shykula T. Bridging the gap: Parent vs. self-reports of social competence outcomes among survivors of childhood cancer. Annual Pediatric Oncology Research Day, Calgary (Oral Presentation).
- 2009/06/01 Kennedy C, Cantell M, **Dewey D**. Has the Alberta Daily Physical Activity Initiative been successfully implemented in Calgary schools? Canadian Paediatric Society 86th Annual Conference, Ottawa, ON. (Poster Presentation).
- 2009/06/01 Smyth K, Sandhu S, Crawford SG, **Dewey D**, Barlow, KM. A population-based cross-sectional study to investigate depressive symptoms in children with post-concussive symptoms following a mild traumatic brain injury. Canadian Neuroscience Federation, Halifax NS (Poster Presentation).
- 2009/05/01 Ouellette-Kuntz H, Coo H, Lam M, Yu CT, Lewis MES, **Dewey D**, Bernier F, Breitenbach M, Chudley A, Holden JJA. Age at first diagnosis of an autism spectrum disorder in different regions of Canada. International Meeting for Autism Research, Chicago, IL (Poster Presentation).
- 2008/04/01 Kaminsky L, **Dewey D**. Correlates of body image in adolescents with Type 1 diabetes. National Conference on Child Health Psychology, Miami, FL (Poster Presentation)
- 2007/10/01 Mah JK, McNeil D, Thannhauser J, Kolski H, **Dewey D**. Parents as the "lifeline" for their children with neuromuscular disease. American Association of Neuromuscular and Electrodiagnostic Medicine 54th Annual Meeting. Phoenix, Arizona, USA (Oral Presentation).
- 2007/06/02 Burbidge JG, Dewey D, Cantell M. Body dissatisfaction and drive for muscularity in university students. Canadian Psychological Association, Ottawa, ON (Poster

Presentation).

- 2007/06/01 Mah J, McNeil D, Thannhauser J, Kolski H, **Dewey D** (June, 2007). A phenomenological study of parental experience in pediatric neuromuscular disorders. Canadian Federation of Neurological Sciences, Edmonton, AB (Oral Presentation).
- 2007/06/01 Wilson, A, Cantell M, **Dewey D**. Physical activity in parents of preschool aged children: Motivation, benefits and barriers. International Conference on Physical Activity and Obesity in Children. Toronto, ON (Oral Presentation).
- 2007/06/01 Cantell M, Crawford S, **Dewey D**. The relationship between physical activity and anthropometrics in preschool children and their parents. International Conference on Physical Activity and Obesity in Children. Toronto, ON (Poster Presentation).
- 2007/05/01 Mah J, McNeil D, Thannhauser J, Kolski H, Dewey D. Parents as the “Lifeline: For their children with neuromuscular disease. Family Centred Care in Context 2007 Conference, Calgary, AB (Oral Presentation).
- 2007/02/03 Crawford S, **Dewey D**. Co-occurring disorders: a possible key to visual perceptual deficits in children with DCD? 7th International Conference on Developmental Coordination Disorder. Melbourne, Australia (Oral Presentation).
- 2007/02/02 Summers J, Larkin D, **Dewey D**. Activities of daily living in children with developmental coordination disorder. 7th International Conference on Developmental Coordination Disorder. Melbourne, Australia (Oral Presentation).
- 2007/02/01 Summers J, Larkin D, **Dewey D**. Daily routines in families of children with developmental coordination disorder. 7th International Conference on Developmental Coordination Disorder. Melbourne, Australia (Oral Presentation).
- 2007/02/01 Ray M, Welsh TN, Weeks DJ, **Dewey D**, Elliot D. Does the action of another affect the reaction time of people with autism? Canadian Spring Conference on Behaviour and Brains, Fernie, BC (Oral Presentation).
- 2006/07/05 Cantell M, Doyle-Baker PK, **Dewey D**. Y-Be-Active: Preliminary results of a physical activity study in preschool aged children and their parents. AIESEP World Congress, The International Association of Physical Education in Higher Education, Jyväskylä, Finland, (Oral Presentation).
- 2006/06/01 Clark L, Schultz LA, Wilson B, Dressler-Mund D, Creighton D, Heath J, Anseeuw-Deeks D, Sauve R, **Dewey D**. Research results support intervention planning for extremely low birthweight children. Canadian Association of Occupational Therapists, Montreal Quebec (Oral Presentation).
- 2006/04/01 Kaminsky L, Robertson M, **Dewey D**. Psychological correlates of depression in children with recurrent abdominal pain. 10th National Conference on Child Health Psychology, Gainesville, Florida (Oral Presentation).
- 2006/04/01 Bauman J, Cantell M, **Dewey D**. Body dissatisfaction and drive for muscularity in university students. Twelfth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB (Oral Presentation).
- 2006/04/01 **Dewey D**, Crawford S, Cantell M, Kooistra L, Kaplan, B. Comorbidity, co-occurrence, continuum: What's in a name? Twelfth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB (Oral Presentation).
- 2006/04/01 **Dewey D**, Crawford SG. Do attention deficit hyperactivity disorder and reading disabilities effect praxis in children with developmental coordination disorder? Twelfth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB (Oral Presentation).
- 2006/04/01 **Dewey D**, Crawford SG. Do attention deficit hyperactivity disorder and reading disabilities effect praxis in children with developmental coordination disorder? Twelfth Annual Child

- Health Research Symposium, Alberta Children's Hospital, Calgary, AB (Oral Presentation).
- 2006/04/01 Crawford SG, Kaplan BJ, **Dewey D**. The impact of co-occurring disorders on visual perceptual functioning in children with developmental coordination disorder. Twelfth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB (Oral Presentation).
- 2006/04/01 **Dewey D**, Crawford SG (April, 2006). Praxis in children with developmental coordination disorder. Twelfth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB (Oral Presentation).
- 2005/11/01 Crawford SG, Kaplan BJ, **Dewey D**. The impact of co-occurring disorders on visual perceptual functioning in children with developmental coordination disorder. Institute of Maternal and Child Health 2nd Annual Research Day, Calgary, AB (Oral Presentation).
- 2005/11/01 **Dewey D**, Crawford SG. An examination of motor coordination and praxis in children with autism spectrum disorders and developmental coordination disorder. Institute of Maternal and Child Health 2nd Annual Research Day, Calgary, AB (Oral Presentation)
- 2005/11/01 **Dewey D**, Crawford SG, Cantell M, Kooistra, L, Kaplan, B. Comorbidity, co-occurrence, continuum: What's in a name? Alberta Mental Health Research Showcase, Banff, AB (Oral Presentation).
- 2005/10/01 **Dewey D** (October, 2005). What do we know about Developmental Motor Disorders? Human Performance Lab Seminar, Faculty of Kinesiology, University of Calgary, Calgary, AB (Oral Presentation).
