Course description	<p>This course completes the elementary sequence in the techniques of contemporary dance.</p> <p>Our primary objectives for this course are to increase the individual dancer's awareness and knowledge of her/his body, and to build foundational skills in contemporary dance technique. The learning outcomes involve developing an advanced elementary skill level with regard to articulation, presentation, strength, flexibility, alignment, phrase comprehension, quality differentiation, spatial and kinesthetic awareness, focus, transition, initiation, and rhythmic clarity. For many dance students this means reevaluating her/his understanding of previous training and becoming more aware of the capabilities, habits, and the potential of his/her own body.</p>

Course learning outcomes	<p>By the completion of this course, successful students will be able to:</p> <ol style="list-style-type: none"> <li>1. 1. Maintain awareness of her/his own physicality and assess his/her own physical habits with an eye towards technical development at an advanced elementary level.</li> <li>2. Evaluate and apply necessary corrections to her/his own technical efforts at an advanced elementary level.</li> <li>3. Identify questions and problems regarding movement performance at an advanced elementary level as well as initiate a search for solutions to these queries in analytical, exploratory, and collaborative ways.</li> <li>4. Demonstrate an advanced elementary level of understanding of contemporary dance technique, specifically addressing flexibility, strength, quality differentiation, focus, transition, initiation, rhythmic clarity, and phrase comprehension.</li> <li>5. Demonstrate at an advanced elementary level a technical ability to move into and out of the floor with ease, to relate to gravity in multiple ways, to exchange weight between the floor and all body parts including the use of arms as weight-bearers, and to orient in space from any direction.</li> <li>6. Articulate technical, artistry, and presentational skills of an advanced elementary contemporary dancer.</li> <li>7. Interact with other dancers as partners and spotters at an advanced elementary level.</li> <li>8. Observe and articulate responses to dance performances through in-class discussions, multidisciplinary responses, and written assignments at an advanced elementary level.</li> </ol>
Course schedule	<p>This course will include warm-ups, floor work, and centre and across-the-floor phrase material with a focus on developing our artistic abilities as dancers. Besides working on artistic presentation, technical skills, and body conditioning exercises, we will be engaging in basic improvisation and composition exercises to expand our understanding of dance. Students in this class are also expected to articulate their understanding of dance through in-class discussions, multidisciplinary responses, and written assignments.</p>
Assessment components	<p>1) A significant part of your grade (35%) will be based on participation. By participating, I mean not only showing up for class, but attending to the material at hand. Effort shows and I will be sure to take note of those fully engaged in the class. If for some reason you are feeling unwell during class time, a substitute form of participation may be arranged; however, do not expect to obtain this privilege more than once. <b>With regard to participation, classes are considered equivalent to assignments; please see comments below on missed classes. One note, if you show up late for class three times, this will be counted as a full absence. Please refer to the Undergraduate Calendar E.3 Attendance for details.</b></p> <p>2) Another large portion of your grade (35%) will be based on skill development. What this means is that I will be looking for change or progress over the course of the term to see that you are meeting the course objectives. I will be making assessments throughout the course to ascertain if you are</p>

	<p>responsive to feedback and are developing the new movement patterns and artistry befitting an elementary/intermediate level dancer. <b>Students will be assessed on an ongoing basis in class and they will also be videotaped periodically for the purposes of assessing technical and skill development.</b> We will also have individual teacher/student sessions at midterm to discuss your progress.</p> <p>3) All students must attend one approved live (outdoor) performance and view one approved contemporary dance film. The live performance must be selected from the September 26<sup>th</sup> presentation by kloetzel&amp;co. (co-produced by ReLoCate and TRAction), or other approved performances presented via the Fluid Fest. For this assignment, I expect a <u>creative response</u> to the performance as well as a written explanation of your response (10% of your grade). Details of this assignment will be discussed in class and assignments are due within <b>four</b> days of seeing the performance (<i>in the event of a COVID-19 outbreak, this assignment will transition to a film-based performance</i>). For the second assignment, I expect a 2-page <u>formal analysis</u> of one dance film from a list of approved films (10% of your grade). These papers should focus on any relationships you notice between the choreography and any social, political, or cultural commentary or connections that you may find in the work; papers are due within <b>four</b> days of seeing the performance. Please refer to the writing assignment guidelines I will hand out in class for these papers.</p> <p>4) You will also be expected to complete a final movement assignment for this portion of the class. (10% of your grade).</p>
<p>Assessment expectations</p>	<p><b><u>Expectations for Writing</u></b>  Writing skills are important to academic study across all disciplines. Consequently, instructors may use their assessment of writing quality as a factor in the evaluation of student work. Please refer to the Undergraduate Calendar E.2 Writing Across the Curriculum policy for details.</p> <p><b><u>Guidelines for Formatting Assignments</u></b>  Papers should be formatted with 1-inch margins, 12-point font, double-spaced, using Times New Roman font.</p> <p><b><u>Guidelines for Submitting Assignments</u></b>  Any assignments that are emailed instead of provided in hard copy on the due date will not be handed back with comments; you must see me to obtain your letter grade.</p> <p><b><u>Late Assignments</u></b>  Late assignments will have 10% points deducted per late day.</p> <p><b><u>Expectations for Attendance and Participation</u></b>  Please refer to the Undergraduate Calendar E.3 Attendance for details.</p> <p><b>FOR GRADED DANCE STUDIO COURSES</b></p>

	<ul style="list-style-type: none"> <li>• A significant part of your grade is based on participation. Participation means not only showing up for class, but also attending to the material at hand with effort and engagement.</li> <li>• With regard to participation, classes are considered equivalent to assignments. Thus, more than <u>2</u> absences per term will have an adverse effect on your final grade.</li> <li>• If you miss more than one week of classes, your final grade will begin to drop by as much as 10% per missed class.</li> <li>• If you miss more than two weeks of classes, you have the potential to fail the course.</li> <li>• If you show up late for or leave early from class, this will be counted as half an absence.</li> <li>• If for some reason you are feeling unwell during class time (unless it is due to COVID-19 symptoms) , a substitute form of participation may be arranged; however, <i>you may not obtain this privilege more than once</i> and you will receive half an absence.</li> <li>• For studio courses, if you opt out of full participation and choose to sit for a portion of the class, this will be counted as non-participation and will be marked as half an absence.</li> <li>• Students are responsible for any and all material missed during an absence. <b>In the event of a COVID-19 diagnosis and/or required isolation, arrangements for remote access to missed material will be made.</b></li> </ul>

	*D	1.00	Minimal Pass. Insufficient preparation for subsequent courses in the same subject.
	F	0.00	Failure. Did not meet course requirements. Several Faculties utilize an F grade that does not carry weight in calculating the grade point average. This will be noted in the calendar description as “Not Included in GPA” where applicable.
	**I	0.00	Incomplete. Sufficient work has not been submitted for evaluation, unable to adequately assess. May also be used when a final exam is not submitted.

Guidelines for Zoom Sessions	<p>For the course as a whole, letter grades should be understood as follows, as outlined in the section F.1.1 Grading System and Transcripts of the Calendar: <a href="https://www.ucalgary.ca/pubs/calendar/current/f-1.html">https://www.ucalgary.ca/pubs/calendar/current/f-1.html</a>.</p> <ul style="list-style-type: none"> <li>• A grade below "B-" may not be sufficient for promotion within a stream and may affect time to graduation, see specific faculty regulations.</li> <li>• The number of "D" and "D+" grades acceptable for credit is subject to specific undergraduate faculty promotional policy.</li> </ul> <p>Zoom is a video conferencing program that will allow us to meet at specific times for a “live” video conference, so that we can have the opportunity to meet each other virtually and discuss relevant course topics as a learning community.</p> <p>To help ensure Zoom sessions are private, do not share the Zoom link or password with others, or on any social media platforms. Zoom links and passwords are only intended for students registered in the course. Zoom recordings and materials presented in Zoom, including any teaching materials, must not be shared, distributed or published without the instructor’s permission.</p> <p>The use of video conferencing programs relies on participants to act ethically, honestly and with integrity; and in accordance with the principles of fairness, good faith, and respect (as per the <a href="#">Code of Conduct</a>). When entering Zoom or other video conferencing sessions (such as MS Teams), you play a role in helping create an effective, safe and respectful learning environment. Please be mindful of how your behaviour in these sessions may affect others. Participants are required to use names officially associated with their UCID (legal or preferred names listed in the Student Centre) when engaging in these activities. Instructors/moderators can remove those whose names do not appear on class rosters. Non-compliance may be investigated under relevant University of Calgary conduct policies (e.g <a href="#">Student Non-Academic Misconduct Policy</a>). If participants have difficulties complying with this requirement, they should email the instructor of the class explaining why, so the instructor may consider whether to grant an exception, and on what terms. For more information on how to get the most out of your zoom sessions visit: <a href="https://elearn.ucalgary.ca/guidelines-for-zoom/">https://elearn.ucalgary.ca/guidelines-for-zoom/</a>.</p> <p>Please be prepared, as best as you are able, to join class in a quiet space that will allow you to be fully present and engaged in Zoom sessions. Students will be advised by their</p>		

	<p>instructor when they are expected to turn on their webcam (for group work, presentations, etc.).</p> <p>Recording Zoom class sessions is at the discretion of the instructor; missing a Zoom class is equivalent to missing an in-person class. The instructor <i>may</i> record online Zoom class sessions for the purposes of supporting student learning in this class – such as making the recording available for review of the session or for students who miss a session – but this is not a requirement. Should an instructor choose to record a class session, students will be advised before the instructor initiates a recording of a Zoom session. These recordings will be used to support student learning only and will not be shared or used for any other purpose.</p>
