#### **Guidelines for Formatting Assignments**

Specific formatting requirements for each assignment will be detailed on D2L for each project.

#### **Late Assignments**

**Late assignments will only be accepted at the discretion of the Instructor.**

**Permission must be granted prior to the determined due date.** Late assignment requests on the due date or after will not be accepted and the student will receive a 0 grade.

#### **Expectations for Attendance and Participation:**

DRAM 416 A/B is an experiential course. Attendance is mandatory as your progress and participation are key to the integration of the techniques being learned. Students must be in the space, ready to work, prior to the scheduled start of class, as class will begin on time. Lateness is not tolerated in the profession, and will not be here. Respectful conduct and support of the work of the ensemble is required. Students are encouraged to take advantage of the opportunity afforded by the Instructor's office hours, to clarify the progression of the work and to alleviate any questions they may have about their progress.

Absences and/or lates must be communicated to the Instructor ***prior to the start of class, via phone or text message.*** Communication through another student is not acceptable.

Students must wear clothing that allows them to move freely - no hats, jeans, belt buckles or short skirts. Wearing layers of clothing is recommended. No gum or tongue piercings. Water bottles that are regularly cleaned are recommended. Personal hygiene is a consideration as students will be working closely with each other, according to the nature of the ensemble.

As Acting is the revelation of the human condition, there is potential for close contact and non-invasive touch in the course work. This will be respectful and part of a dialogue, if needed in particular, in scene work. There is potential for the Instructor to offer suggestions for physical adjustments in the work, to aid the student in advancing their personal process and understanding of the work of an actor. If the student has any questions or concerns with this, please bring this to the attention of the Instructor.

#### **Expectations for Writing:**

Writing skills are important to academic study across all disciplines. Consequently, instructors may use their assessment of writing quality as a factor in the evaluation of student work. Please refer to the Undergraduate Calendar E.2 Writing Across the Curriculum policy for details.
