DESCRIPTION

Le cours vise à montrer de quelle manière les œuvres littéraires s'inscrivent dans l'histoire sociale, culturelle et politique de leur siècle. Il offre des détails importants sur l'évolution de la littérature, les grandes figures qui ont marqué cette évolution, les grands débats et les courants importants qui ont enrichi le progrès de la littérature française et par la suite francophone par rapport aux connaissances humaines à travers le temps. On abordera les œuvres, les auteurs, les problématiques importantes dans une analyse chronologiques allant du Moyen-Âge au XXème siècle.

OBJECTIFS

I – Objectif général

Ce cours se propose de fournir aux étudiant(e)s les ressources nécessaires pour une meilleure pratique de la langue
Le cours vise trois objectifs majeurs

- 1- Initier les étudiants au contexte de civilisation et de progrès social, culturel, intellectuel dans lequel s'est formée et continue de se conformer la littérature française et les littératures dites émergentes des espaces francophones
- 2- Familiariser les étudiants à des techniques de synthèse qui leur permettent de développer des qualités d'analyse et de reconstruction plutôt que le réflexe de la mémorisation, à travers l'étude de quelques morceaux choisis, des figures les plus marquantes de l'histoire littéraire.
- 3- Conduire l'étude de l'histoire de la littérature de manière à favoriser le perfectionnement de la langue française
- 4- Développer le goût de la lecture avec la présentation des différentes variétés d'écriture qu'offrent les siècles : contes et fables, récits mythologiques et religieux, textes documentaires, pamphlets, romans, théâtres, poésie, littérature pour la jeunesse, manifestes, etc.

II - Déroulement du cours

Chaque siècle fera l'objet d'une présentation méthodique, avec les événements importants, les œuvres et les écrivains qui l'incarnent, les grandes problématiques qu'on y recense, les anecdotes ou les querelles littéraires qu'il a connues.

Une phase pratique centrée sur l'implication de l'étudiant dans l'approfondissement de ses propres connaissances : recherches à la bibliothèque, sur le net des éléments relatifs aux divers aspects abordés au cours. Ces éléments feront l'objet de présentations orales en petits groupes pour une meilleure connaissance et pratique de la langue.

Un carnet de bord sera exigé des étudiants. Son but est de permettre à l'étudiant(e) d'élaborer son propre manuel à la fin du cours avec les réponses qu'il aura cherchées aux différentes questions dont il recevra la liste avant le début de chaque nouvelle étude

III – Attentes en matière d'évaluation

Les travaux des étudiants doivent tenir compte des modules étudiés en classe mais aussi et surtout des recherches personnelles de l'étudiant. Dans la correction des devoirs, une attention particulière sera accordée aux accords (adjectifs, noms, pronoms), à la concordance des temps et au bon usage des pronoms relatifs, des prépositions et tout ce qui est vu dans les cours antérieurs. La forme et le contenu doivent répondre aux exigences grammaticales.

ACADEMIC MISCONDUCT

1. **Plagiarism** is a serious offence, the penalty for which is an F on the assignment and possibly also an F in the course, academic probation, or requirement to withdraw. Plagiarism exists when:

- a) the work submitted or presented was done, in whole or in part, by an individual other than the one submitting or

presenting the work (this includes having another impersonate the student or otherwise substituting the work of another for one's own in an examination or test);
b) parts of the work are taken from another source without reference to the original author;
c) the whole work (e.g., an essay) is copied from another source, and/or
d) a student submits or presents work in one course which has also been submitted in another course (although it may be completely original with that student) without the knowledge of or prior agreement of the instructor involved.

While it is recognized that scholarly work often involves reference to the ideas, data and conclusions of other scholars, intellectual honesty requires that such references be explicitly and clearly noted."

Plagiarism occurs not only when direct quotations are taken from a source without specific acknowledgement but also when original ideas or data from the source are not acknowledged. A bibliography is insufficient to establish which portions of the student's work are taken from external sources; footnotes or other recognized forms of citation must be used for this purpose.

2. **Cheating** at tests or examinations includes but is not limited to dishonest or attempted dishonest conduct such as speaking to other candidates or communicating with them under any circumstances whatsoever; bringing into the examination room any textbook, notebook, memorandum, other written material or mechanical or electronic device not authorized by the examiner; writing an examination or part of it, or consulting any person or materials outside the confines of the examination room without permission to do so, or leaving answer papers exposed to view, or persistent attempts to read other students' examination papers.

3. **Other academic misconduct** includes, but is not limited to, tampering or attempts to tamper with examination scripts, class work, grades and/or class records; failure to abide by directions by an instructor regarding the individuality of work handed in; the acquisition, attempted acquisition, possession, and/or distribution of examination materials or information not authorized by the instructor; the impersonation of another student in an examination or other class assignment; the falsification or fabrication of clinical or laboratory reports; the non-authorized tape recording of lectures.

4. Any student who voluntarily and consciously aids another student in the commission of one of these offences is also guilty of academic misconduct.

It is the student's responsibility to request academic accommodations. Students with a documented disability who may require academic accommodation and have not registered with the Student Accessibility Services should contact their office at 220-8237. WRITING ACROSS THE CURRICULUM

Writing skills should cross all disciplines. Students are expected to do a substantial amount of writing in their courses and, where appropriate, instructors can and should use writing and the grading thereof as a factor in the evaluation of student work. The services provided by the Writing Centre in the Effective Writing Office (<http://www.efwr.ucalgary.ca/>) can be utilized by all undergraduate and graduate students who feel they require further assistance.
